

CHRIST THE KING CATHOLIC HIGH SCHOOL

DATA & EXAMS OFFICER

Salary: Scale 6

Application Pack

Mater Ecclesiae
Catholic Multi Academy Trust

Welcome

I would like to welcome you warmly and thank you for expressing an interest in the post of Data & Exams Officer. This is an exciting role, as from September we will be using a new system, Arbor, and your expertise will be pivotal in shaping the use of this software within our setting. At Christ the King, we believe we provide a rich educational environment for each student. We also believe that the traditional values of courtesy and consideration are essential and our community is ordered, structured and well-disciplined but within a framework of caring for each individual.

Christ is at the heart of our school. Our school motto "Love one another as I have loved you" (John,15) resonates with our distinctiveness as a Catholic school and our students are at the very heart of everything we do. We do this through our approach to modelling "THE CTK WAY" and coupling this together allows students to grow academically, socially and in their faith. The young people in our care reflect what we stand for, as one Year 10 student eloquently described 'We are a family. We are the Body of Christ'.

Inspectors noted from a recent RE and Catholic Life Section 48 report that: *'The quality of provision for Catholic Life is outstanding. The school has a distinctive and undeniable Catholic identity which is lived out by staff and students'*

(Section 48 March 2022)

The dedicated staff are well supported by our experienced Local Governing Body. Our aim to achieve the best possible education for all our children can only be realised in partnership with parents/carers and the community. We are always willing to meet, talk and discuss the progress of students in school to ensure the best possible education can be delivered.

General Information

Above everything else, Christ the King Catholic High School and our faith lies at the heart of all that we do. We have worked hard to develop a strong Catholic ethos and we take pride in the impact that we have on the life chances of our students, particularly those who are the most disadvantaged by their circumstances.

We serve an area of significant social disadvantage. Around 30% of our student population is eligible for pupil premium. The overwhelming majority of students who attend our school travel by bus from inner-city social housing estates. At Christ the King we are very proud to be such an inclusive and welcoming school.

Attainment on entry is significantly below average and many of our students come from families with significant and complex needs. As a Catholic school we are extremely proud of our success in securing valuable progression routes for almost all students. A number of students access highly successful alternative provision; the large majority of them secure jobs or apprenticeships as a result.

General Information

Since September 2022, strong governance has proved pivotal in supporting rapid improvement. Governors provide an appropriate balance of challenge and support and know our school extremely well.

When we were inspected by Ofsted in September 2022 and Inspectors highlighted several areas that needed to be developed. As senior leaders and governors we had to take strong

and decisive action to secure further improvements in safeguarding, student behaviour, their engagement with learning and the quality of teaching. As a result of our absolute determination to provide the best possible opportunities for all our students to thrive and achieve their full potential, Christ the King is a school where expectations are high, where students behave well and where the focus on learning is very strong. We are now a school of choice and the number of students on roll has increased from 297 in 2017/18 to 399 in 2022/23. In July 2023, for the first time in some years, we had a waiting list with over 20 students seeking admission into Year 7. In September 2024 our PAN increased to 100 in Year 7 and from January 2024 we became the first high school to join Mater Ecclesiae Catholic Multi Academy Trust (MECMAT).

Colleagues are uncompromising in their high expectations of behaviour, which has improved markedly in recent years. There has been a notable reduction in referrals from class. Lesson observations and learning walks show that behaviour is good. Over time the number of students excluded from school and the number of incidents leading to a period of internal exclusion have fallen, including for disadvantaged students.

Punctuality has also improved dramatically over the last three years and in September 2021 we launched a new approach to supporting students with poor attendance that has had a striking impact on overall attendance improving from 89.1% in 2019/20 to 91.78% in 2022/23. A targeted approach to address our Year 11 attendance paid dividends and was higher than the national average.

Job Description

Christ the King Catholic High School

“Love one another as I have loved you” (John, 15)

CEO Welcome

Thank you for your interest in the role of Teacher of English at Christ the King Catholic High School, which is part of Mater Ecclesiae Catholic Multi Academy Trust.

It gives me great pleasure and excitement to welcome you to our growing, dynamic family of Catholic schools. Mater Ecclesiae is one of three Catholic multi academy trusts created by the Diocese of Lancaster to play an important part in shaping Catholic education across the Diocese.

The Trust currently consists of seven primary schools and one secondary school. In line with the Bishop's vision for schools across the Diocese of Lancaster and following a hugely successful first year, we are due to grow to 13 schools before the end of the calendar year, when we will be delighted to welcome five more primary schools into the Trust. When fully-formed, the Trust will consist of 20 primary schools and 3 secondary schools covering the Preston and rural Preston area.

This is a fabulous opportunity for a talented and experienced professional to join us and work with a fantastic group of committed leaders and staff who believe passionately in education and working to improve the life chances of our children and young people.

The Trust currently serves over 2300 pupils and employs over 360 staff across our schools. The context of our schools means almost half of our secondary pupils and a third of our primary pupils' experience challenges based on socio-economic and deprivation-associated factors. Our aim is to expertly deliver an ambitious Catholic curriculum that opens hearts, broadens horizons and accelerates social mobility.

The core principles of the Trust are to educate the whole person, striving for excellence and working together as 'One Family in Christ', serving others. Through collective responsibility, united in our Catholic faith, the Trust strives to enable each school to thrive spiritually, academically and financially so that all of the children and young people develop a sense of 'compassion, confidence and community' and reach their full potential by realising their God-given talents.

Our Trust works in partnership as one family of schools, whilst maintaining and celebrating the uniqueness of each individual school and the community it serves. Our core values of Compassion, Confidence and Community underpin all of our relationships; between staff, pupils, families, parishes and local communities.

For more information on our Trust, please visit <https://mater-ecclesiae-trust.co.uk/>. We look forward to hearing from you.

Yours faithfully,

Peter Duffy

Chief Executive Officer

Our Vision
