In 2023 the College celebrated 150 years. The high standard of wellbeing and academic provision is remarkable, and this has been confirmed by the latest Ofsted, ISI inspections and HESA (Health in Education Association). Denstone offers boarding from aged 7 through to 18 with a range of boarding options available, from full time to flexible boarding in our boarding facilities around campus.

With dedicated, talented and inspiring staff, fantastic facilities and as impressive a rural setting as you could find, we balance the pursuit of academic excellence with a broad co-curricular programme. Denstone College offers students more than 40 sports and activities.

The College offers opportunities for a range of co-curricular activities including outdoor pursuits, music and drama.

Meet The Head

Lotte Tulloch

To define a Denstone education is to look beyond the here and now, to gaze in to the future and imagine what our children will become.

Parents invest emotionally in the College, safe in the knowledge that their children will be taught well, coached wisely and raised to be upstanding citizens of the future. They will be confident and happy and both interested and interested.

Our commitment to the individual needs of each child surpasses the expected and as a result, our diverse community conforms to no stereotypes.

As Head, I believe passionately in the celebration of success and allowing that positive culture to bleed through all elements of school life. Children need positivity, excellent role-models and a platform from which to shine; to be their own beacon of excellence.

No website, prospectus, virtual tour or social media platform can do this College justice – a place which thrives on human interaction and relationships. Please do take the time to come and see us in action – the door is always open.

At Denstone College, we have a word to describe our pupils, parents and staff, it is Denstonacity, this is a noun which describes us as having 'the ambition to explore every possible version of ourselves.'

As a College and Prep, we want to empower our community into being able to make a difference in the world, creating role models all around our campus.

The Campus

Denstone College sits within 150 acres of rural Staffordshire, with a large variety in activities and provisions to provide a fantastic well rounded education for all.

Across the site we have a range of dedicated teaching spaces and a fantastic library, offering engaging and exciting space to learn. At the heart of the school is St Chad's Chapel, a facility all pupils experience as part of their day to day life. We also have a theatre, and recently renovated Dining Room experience.

We have multi-use facilities across the campus through our Sports Hall and Astro-turfs, these have provided opportunities to compete and enjoy hockey, netball, badminton, tennis, basketball, football, martial arts and even our own climbing wall.

Two facilities which help Denstone stand out are our on-site swimming pool as well as our 9 hole golf course situated at the back of the school.

Role Overview

Teacher of Performing Arts (Full-time or Part-time)

This role, which can be tailored to either a full-time or part-time capacity, supports the expansion of our curriculum to accommodate the increasing number of students joining the College. It presents a highly rewarding opportunity for the successful candidate to help shape and grow our Performing Arts provision. Crucially, the subject links closely with our existing creative arts and music departments, providing a collaborative environment where students can seamlessly blend dramatic performance with other artistic disciplines.

Performing Arts exists in the curriculum with the aim of encouraging and challenging pupils to achieve their optimum creative potential. The subject aims to stimulate confidence, physical expression, technical proficiency, and dramatic understanding, playing an important role in the College's overall strategy to promote the creative arts. Pupils are encouraged to explore a diverse range of theatrical styles, modern performance techniques, and the historical context of the arts, alongside the importance of critical analysis, teamwork, and independent thinking. Teaching and learning is intended to be engaging and inspiring, with pupils working both independently and collaboratively in the studio and on stage.

An immediate priority for the successful candidate will be the delivery and management of BTEC Level 2 and Level 3 Performing Arts courses to ensure students experience a seamless continuation of their coursework and examination preparation.

We are looking for a dynamic, well-qualified, inspirational, and imaginative Teacher of Performing Arts to contribute to this key academic area. The exact responsibilities will be dependent in part on the successful candidate's strengths, experience, and the pupil uptake for the courses. This position provides an excellent opportunity to further your professional development within a successful and supportive environment. The role involves teaching an appropriate academic timetable, focused heavily on examination groups in the first instance. Contributions to the thriving co-curricular activities programme will be expected, particularly in relation to school productions and performances, alongside involvement in the broader life of the College, for example through house tutoring. Promoting the aims and values of the subject across the College will be an important aspect of the role, and you will be expected to establish a culture of high performance, high standards, and creative ambition.
