Who are we?

King's School is an ecumenical Christian School in the Diocese of Chichester, for years 7 to 13. Our work and relationships are based upon the four core Christian values of Love, Forgiveness, Respect and Responsibility and through these we encourage and support every student and member of staff to be the best that they can be.

At King's, we take pride in our exceptional track record of academic success and our varied enrichment program, which is integral to our school day. Here are some key features of our school:

- Outstanding GCSE results; our students' achievements consistently put us in the City's top performers.
- Innovative teaching practices; our teaching and learning methodologies are designed to engage and inspire our students to provide a well-rounded education for all.
- Empowering students; equipping them with essential 'life' skills to be able to overcome challenges with resilience and an understanding of how to navigate and overcome obstacles.
- Exceptional pastoral care; our commitment to creating a supportive environment, where every student can be themselves is second to none.

The school opened its doors to its first cohort of students in September 2013; moving to its permanent site, a purpose-built facility for all areas of the curriculum, in September 2019. There are currently just over 860 students in years 7, 8, 9, 10, 11 and 12, and a team of over 90 teachers and support staff.

What do others say about us?

The school received its third Ofsted inspection in March 2022 (Section 5 inspection) and retained its rating of good overall with outstanding features. The inspector noted that pupils "are proud to be part of the school community" and that "the school's provision for their education and welfare makes a significant contribution to their lives".

Our recent staff survey found that staff feel supported and valued.

- Student motivation and behaviour is excellent.
- Organisation of the school is strong, with good communication.
- Rewarding interactions with students, providing constructive contributions to teaching and learning.
- Friendly, professional and supportive colleagues.
