CHESHAM GRAMMAR SCHOOL

September 2026

Dear colleague,

Thank you for your interest in Chesham Grammar School and in this post. Choosing the right place to work is an important decision for anyone and I hope this letter gives you a genuine sense of who we are and why so many colleagues find CGS so rewarding.

Chesham Grammar School is a co-educational, selective school with over 1,320 students on roll, including more than 400 in the Sixth Form. We are a large school, but one characterised by strong relationships, a clear moral purpose and a warmth that many visitors quickly notice and remark upon.

Our vision is for everyone at CGS to enjoy, achieve and belong and this applies as much to staff as it does to students. At Chesham Grammar School, we see every member of staff — teaching and support — as an integral part of the same team, working together towards a shared purpose. The contribution of support staff is highly valued and essential to the day-to-day success of the school. Our values of aspiration, kindness and respect are not simply words; they shape how we lead, how we work together and how students and staff treat one another day to day. In short, they underpin everything we do.

Our most recent Ofsted inspection in March 2025 once again judged the school as 'outstanding' in all areas. Inspectors quickly identified how happy the school is and commented not only on the high standards, strong relationships and quality of pastoral care, but also on how proud staff and students are to belong to CGS, describing it as a "wonderful community". While we were delighted with the outcome, it remains our firm belief that 'outstanding does not mean perfect'. We are reflective, forward-thinking and continually seeking ways to make CGS an even better place to study or to work.

Pastoral care is a clear strength of the school. Our vertical tutoring system, organised through a well-established House structure, ensures that students are well known and well supported. This fosters the building of strong relationships as well as a real sense of belonging and pride. A good number of our support staff act as tutors, which benefits both students and staff.

Both Ofsted and the Good Schools Guide highlight the positive rapport between staff and students as a distinctive feature of the school along with the calm, purposeful atmosphere in classrooms, where high standards are combined with warmth, humour and students enjoy their learning. We are unapologetically ambitious — for outcomes, for character and for life chances — but we also know that sustained excellence is only achieved when staff feel valued, trusted and supported.

Annmarie McNaney
Headteacher

Our staff are our greatest strength. We invest in professional development and we strive to create an environment where colleagues can do their very best work without losing sight of why they came into education in the first place. Workload is taken seriously, wellbeing is more than a slogan and professional dialogue is honest, respectful and focused on impact. Overall, Chesham Grammar School is a vibrant, rewarding and fulfilling place to work — one where people feel valued, trusted and proud to belong.

When making appointments, I am first and foremost seeking colleagues who share the values and ethos of the school. Experience, qualifications and potential matter, but so too does alignment with the way in which we do things here. For some of our support staff, this will be their first experience of working within a school environment. Schools are special places and we believe that CGS offers an intellectually stimulating and professionally rewarding working environment. There is a commitment to professional development for staff at all levels.

I hope this letter has given you a clear sense of our ethos and culture and the opportunities available at CGS. Should you decide to apply and be invited to interview, I very much look forward to meeting you.

Yours sincerely,

ABOUT THE LEARNING SUPPORT DEPARTMENT

CGS is proud to be an inclusive school and adopts a whole school approach to SEN, with good quality teaching as a first response and a clear focus on outcomes. At Chesham Grammar School, we cater for students with a wide range of SEND needs, covering each of the 4 areas outlined in the SEND Code of Practice. Examples include:

- Autistic Spectrum disorders
- Specific Learning difficulties
- Speech, language and communication needs
- Sensory impairments including visual and auditory
- Attention Deficit disorders
- Physical difficulties such as cerebral palsy

Chesham Grammar operates an internal four tier approach to reflect the different level of need and accompanying provision for each child with special educational needs. For students who are on Tier 1 or Tier 2, the child's needs are likely to be able to met with classroom adaptations and/or small group interventions. Students who are on Tier 3 are recognised as those needing SEN Support, provision which is additional to or different from that of their peers. Students who are on Tier 4 are recognised as those who require more substantial support and have an EHCP. Students on Tier 3 and 4 will appear on the school's SEND Register. Currently there are 49 children on the school's SEND register.

The school has a SENDCO, SEND Manager and four Learning Support Assistants. The Learning Support Team work closely alongside teaching staff and the wider pastoral team to support students and families.

In line with the SEND Code of Practice, we review the support in place for student's using the four-part Assess, Plan, Do, Review cycle. This is an on-going cycle to enable identification of those interventions which are the most effective in supporting the pupil to achieve good progress and outcomes.

Intervention is needs driven and tailored to meet the individual student. This is regularly monitored and may include:

- additional support given by individual teachers
- LSA support in lessons
- mentoring by senior students
- special examination concessions for public examinations
- opportunities to work with the learning support team individually or in small groups, dependent upon need. Parents may be asked to reinforce these activities
- short-term intensive support sessions or more infrequent support on a long-term basis
- input from external agencies (eg specialist teaching)
- variations to the school's standard curriculum.

Screening by a specialist may be recommended by the SENDCO and SEND Manager, following thorough investigation of a child's difficulties and in consultation with parents.
