Message from the Headteacher

Thank you for your interest in the post of Teacher of Latin at Coombe Girls' School and Sixth Form.

At Coombe, we are passionate about giving students access to a wide range of experiences and the best possible education during their time with us. Our deep-rooted belief in a rounded and broad education goes alongside a commitment to academic excellence for all our students, regardless of background or context.

Our students make significant progress from their starting points whilst at our school. We have a long tradition of innovative, research led teaching, which enables our students to flourish and thrive. We put significant emphasis on developing our teaching and learning and are committed to maximising the benefits of a girls' school education. We welcome a significant number of boys into our sixth form and work closely with colleagues from the other schools in the Coombe Academy Trust to our mutual benefit. More about the Coombe Academy Trust can be found [here](#).

We are seeking an experienced Latin teacher to deliver a small weekly Latin class for students. This is a flexible, casual opportunity, well suited to a retired teacher or experienced practitioner looking for limited regular hours. The current session runs after school on Tuesdays, though this may be negotiable for the right candidate.

Thank you for taking the time to find out more about this role. Please do contact me at school. If you have any questions or would like a tour of the school. I look forward to receiving your application.

Best wishes,

Emily Barns
Headteacher

Coombe Girls' School and Sixth Form

Coombe Girls' School and Sixth Form is a comprehensive girls' state secondary school, with a co-educational Sixth Form. The school is heavily oversubscribed and is committed to providing an excellent education to children in the local area. We are proud of the progress our students make from their starting points during their time with us: the school's GCSE Progress 8 score in 2024 was +0.7, and the progress of our 2025 cohort was in the top 25% of the country. The school is proud to be part of the [Coombe Academy Trust](#)

Our school is vibrant and diverse, serving the local area of New Malden. We value every individual and the rich wealth of experience, knowledge, values and beliefs they bring to our school. The experience and talent you will bring to our school will ensure we continue to provide the best education for our students and further increase the breadth of opportunity for the next generation. We particularly encourage applications from colleagues in underrepresented groups.

Latin Department

The study of Latin provides students with a chance to examine and understand fundamental linguistic concepts; this benefits their understanding of Latin whilst also providing a basis for the study of other languages. We strive to encourage students to be able to work with precision and accuracy so that they can develop the skills needed to explore Latin with comprehension and enjoyment.

Latin is studied in Years 7 and 8 by pupils who have been selected based on their CAT scores. In Years 9 and 10, Latin becomes an after-school option, with the chance to achieve a GCSE by the end of Year 10. This year, we have a mixed class of Year 9 & 10 pupils (who will be Year 10 & 11 next academic year) as our GCSE cohort.

In Latin, we focus on four main areas – vocabulary, reading, roman civilisation and grammar. As well as learning a new language, the course aims to help you to extend your English vocabulary (through studying Latin root words and derivations), support your knowledge of modern languages (through related Latin grammar) and complement your skills in history (through the study of ancient civilisation).

This role is for a teacher of Latin to take a small class of 12 pupils through their second year of GCSE Latin, to be completed in Summer 2027. The lessons will be delivered from 3-5pm one day a week.
