It generates 'social value' joining up with wider opportunities, such as apprenticeships and pastoral support across the City. The College works with employers, skills providers, mentoring specialists and schools to create a strong 'work based' element to the provision.

The objective of the service provision is to allow students access to a flexible blend of provision whilst remaining on the roll of their school. The offer includes:

Each young person has a Personalised Learning Plan (PLP) tracking progress towards qualifications and supports entry to the workplace. The cohort will include young people with high levels of absence or exclusions or those who have been EHE or CME in Years 9-11.

The successful applicant will be assured of a well-considered induction to the College and support for your own professional development. Everyone within the Trust and our College has a key role in achieving our aim of truly great students in truly great schools and our Trust values of PRIDE, AMBITION, INTEGRITY and RESPONSIBILITY are at the centre of all we do. You will join staff at a college who are positive, professional, friendly and have absolute commitment to our young people.

We hope that you feel Vega College will be the right provision for you and you intend to apply for the role. We believe that it is a great place to work and that you will find this role rewarding and enjoyable. We would encourage you to arrange a visit to the College and to meet all of the team.

Yours faithfully,
