New Hall School

The Best Start in Life

Appointment of **Teacher of Art**

Application closing date: midday, Friday 7 November 2025

Start date: January 2026 or April 2026

Welcome from Mrs Jeffrey, Principal

“Thank you for your interest in this opportunity at New Hall School. I joined the New Hall School community 23 years ago and, now that I am both the longest serving Head of a school in HMC and the longest serving Head in New Hall’s history, I am often asked what has kept me here. It started with that first visit, in 2001, which blew me away. I remember meeting confident, characterful, good-humoured students, who made a lasting impression on me with their kindness and their evident pride in being part of the New Hall community. They spoke with passion about the work of the New Hall Voluntary Service (NHVS) as being central to School life. Their generosity of spirit and commitment to the care of those in need turned out to be a hallmark of a New Hall education. This is a place with a remarkable sense of community. At first, you will be attracted by the stunning heritage site, but, above all, it is the people who keep you here. I would not want to move anywhere else. As a parent, I could not have asked for a better education than New Hall gave my four children. The staff team here work with remarkable commitment and care to ensure that our children have the ‘best start in life’. This is the school that many of us, staff and parents, wish that we had attended. I am looking forward to the next 20-year development plan!

New Hall, from its foundation, has been pioneering and innovative. The School is the UK’s oldest Catholic school that has always taken girls; a strong commitment to promote equality, and to address disadvantages in society for girls and women, still prevails. Our outreach and community work led us to be the first independent school to sponsor a state primary school academy. We were the first Catholic diamond model school and the first diamond model school to be created from a former girls’ senior school, with senior boys joining from 2006. The School has invested in exceptional outdoor learning, using its 140-acre campuses.

The School is large and diverse: in age, from 1-19; in size, up to 1,500 students and over 300 staff; in culture, with students from over 25 countries; in religion, as a Catholic school, welcoming all who support our ethos; in structure, offering the full range of flexible boarding options and a mix of co-education and single-sex teaching; and in educational range, with a broad curriculum and an exceptional co-curricular programme. Every day is full of opportunities to learn and grow, for staff as well as for students. It is impossible to be bored here - no two days are the same!

This is a career-defining opportunity, to be part of one of the UK’s most successful schools, with an ambitious plan for further development. Where many independent schools are retracting and reducing investment, New Hall is bucking the trend and continuing to grow and to strengthen our provision. We are investing in our Sixth Form Centre, expanding our curriculum, growing our Sport provision (most recently, with the addition of riding, football and basketball) and enhancing our co-curriculum. We are open to opportunities to expand the work of our Trust, both in the UK and internationally, through our links with sister schools and Religious Communities. In particular, we are developing a link with the Ecole Christ Ressuscite, Masaka, Rwanda, and with Heilig Graf Secundair, Turnhout, Belgium, which share the ethos of the Canonesses of the Holy Sepulchre. New Hall also works closely with the other Catholic independent schools in Brentwood Diocese.

I hope that you find the information contained in this pack, and on our website, helpful.”

Mission & Ethos Statement

New Hall, a Catholic boarding and day school, provides **the best start in life**, enabling students to meet confidently the challenges of the wider world.

Here **academic excellence** is achieved in surroundings where relationships are based on **care, trust and respect**.

We **welcome** students from many traditions, building a Christian **community** that has at its heart **prayer** and **service** to others.

Introduction

This is an exciting, full-time, opportunity to join our thriving and successful Art, Design & Technology Department. The creative arts are held in high regard throughout New Hall and the Art, Design & Technology Department has a longstanding record of success at both GCSE and A Level, with many of our students progressing to study Art (or a related subject) at university level. Students are encouraged to develop their own individual style, and we help them to build portfolios of work from an early age.

Within the Sixth Form, each student is allocated their own, dedicated studio space. This university-style provision allows our students to develop extensive and advanced portfolios. The Department delivers both the Fine Art and Photography Art & Design options at both GCSE and A Level, and this is supported by excellent facilities including three spacious classrooms, a dedicated computer suite, a dark room and a film studio; the Department is also supported by an Art Technician and receives a generous budget for resources.

Salary & Benefits

Salary

New Hall School has its own salary scale. The current range for this role is £32,642pa - £60,695pa (T1-T12).

Pension

Teaching staff are able to join the national Teachers' Pension Scheme (TPS). Pension contribution rates are variable, currently between 7.4% per annum and 11.7% per annum, dependent on salary (employee), and 28.68% (employer). New Hall Governors keep membership of TPS under review.

Hours of Work

As an independent boarding school, New Hall has long school holidays, including a 2-week October half term, and a summer holiday that always commences in the second week of July or earlier. There may be occasions where you are required to work additional hours for the proper performance of your duties, taking account of the nature of the work in an independent boarding school. A degree of flexibility is required.

For example, teachers are expected to:

- be in School from 8.00am to at least 4.30pm each day, with two days working until 6.00pm

The Curriculum

At Key Stage 3, students follow a diverse programme of study, always underpinned by skills building and drawing techniques. This includes an introduction to many approaches in modular structures encompassing 3D and new media alongside other Fine Art disciplines. The Edexcel/Pearson examination specification is used at both GCSE and A Level in Art & Design. There is an outstanding library and database resource to help students identify inspirational practitioners, and our facilities support the production of highly ambitious work.

In Fine Art, students are encouraged to work imaginatively and expressively in a wide range of media, including drawing, painting, printmaking, sculpture, textiles and mixed media. The use of new media is also encouraged to allow an inclusive course for those students who are less confident in traditional skills. Students studying GCSE Art & Design: Photography experiment with media, processes and techniques, utilising a spacious darkroom and a range of new computers. All students possess their own iPad that helps to facilitate rapid artist research, primary source gathering and additional digital experiments. At A-Level, we continue to offer both Fine Art and Photography, although other pathways can be explored as well.

Examination Results, Achievements and Awards

Students significantly outperform national expectations in public examinations. In the several years since teacher assessed grades, the results have continued to be extremely impressive. 22% of students have gained grade 9 in GCSE Art & Design (Fine Art), 44% at grade 8 or above, and 72% at grade 7 or above. At A-Level, in the past 11 years, the A* grade has been the most achieved grade by our Sixth Form artists and photographers. Furthermore, during this time, no student, out of well over 100 entries, has achieved below a C grade, with 96% achieving a B grade or upwards. We are proud, within these statistics, that we have attracted students at A-Level who did not choose the subject at GCSE. The Head of Department has substantial experience of being a senior moderator at A-Level and also works on the GCSE and iGCSE assessment teams. Moreover, extra input from the school has formed important resources for teaching and learning on the Edexcel/Pearson website.

The examination board has commended the Department *“for its inventive and collegiate approach to the delivery of the Edexcel specification”*, and New Hall School has become a regular supplier of exemplar A Level artwork for the examination board to use in training events. The Department also hosted the inaugural, highly successful HMC/Group14 Art Conference, which incorporated a supportive group of leading independent schools.

New Hall students react warmly to seeing the on-going creative practice of our teaching staff. Following the periods of lockdown, for example, an exhibition of work by students and staff went on show in the Pelican Gallery, including numerous portraits of the heroic staff in the Royal Infirmary of Edinburgh (see below).

Alumni and University Destinations

Notable art alumni include:

- surrealist painter, Leonora Carrington
- fashion designer, Anya Hindmarch CBE
- photographer, Antoine Geiger
- sculptor, Siobhan Coppinger
- sculptor (Member of the Royal Society of Sculptors) & letter carver, Mary Anstee-Parry
- 3D artist & animator, Anna Huber
- film makers, Rose Glass and Cindy Buxton

Our students usually gain admittance to their preferred university destinations. These have included:

- Architecture courses at UCL and other top ten institutions

Facilities

The rooms in this dynamic and high-achieving Department are housed within the historic former palace of Henry VIII, described as *"a warren of atelier-style studios"* by the Good Schools' Guide. Art & Design is currently being delivered by three teachers in the Senior Divisions, supported each day by a specialist technician. The Art, Design & Technology Department currently has well-resourced teaching rooms and studios alongside a variety of other teaching and learning areas and generous storage space. Currently, we provide an individual and permanent studio space for every Year 13 student in Art and Photography. In addition, there is a well-equipped computer suite with opportunities to work with Adobe Suite and access to a darkroom and other useful spaces that facilitate a variety of analogue and new media approaches. Teaching staff receive an iPad and a laptop to assist in their delivery of the subject. Each student is given their own iPad, including useful digital applications such as Procreate for GCSE and A-Level students.

Year 13 Art Studio

Continuous Professional Development (CPD)

Teachers in the Art, Design & Technology Department are encouraged to make use of New Hall's generous training budget, and it is a departmental priority to ensure that teachers engage in regular professional development. We encourage teachers to undertake training as a GCSE or GCE Moderator in Art & Design, and several of our staff over the years have reached senior levels within the Edexcel/Pearson examination board. The School also offers funding for teachers to undertake postgraduate study in subjects related to Art & Design.

The Co-Curriculum

The Department remains open for three to four evenings per week and during lunchtimes with a variety of clubs and opportunities for students to drop-in to seek extra guidance or simply a place to work. Also, within the School's campus, a spacious facility outside of the Department serves to deliver bespoke Art workshops for boarding students. Art trips at home and abroad form an important part of the Art experience. Destinations include Barcelona, Berlin, Cornwall and New York. In the North Gallery, situated in the heart of the School, exhibitions of student work are displayed in a professional manner throughout the academic year.

About New Hall School

New Hall School is a thriving co-educational boarding and day school for up to 1,500 students aged 1 to 19. Founded in 1642, it is one of the oldest Catholic schools and the largest Catholic boarding and day school in the UK. The School's ethos continues to be inspired by its founding Religious Community, the Canonesses of the Holy Sepulchre.

*"True community is where people listen to each other;
where the marginalised and excluded are included".*
(Canonesses of the Holy Sepulchre, 2023)

The charism of our founding Religious Community is service and hospitality; this is lived out in the actions of the volunteers that take part in this thriving and popular programme. Founded in 1978, the New Hall Voluntary Service (NHVS) has been providing help and support to vulnerable members of our local community for over 45 years. Volunteering for NHVS promotes an enduring community spirit, nurtures responsible citizenship and encourages student-led charitable endeavour throughout the local area.

The School is set in a stunning location dominated by the former Tudor Palace of Beaulieu and is surrounded by 70 acres of beautiful parkland and heritage gardens. The school also owns New Hall Park Farm, a 70-acre site with an equestrian centre, 3 miles from New Hall, and Boreham House; a stunning Grade I listed heritage building, set in 35 acres of countryside. Located just outside Chelmsford city centre, the School is well connected to London – only 20 minutes by train – with a new station due to open at the foot of New Hall's private approach road, The Avenue, in 2025. There are three nearby airports: London Southend, London Stansted and London City. The Elizabeth Line at Shenfield (13 minutes by train from New Hall) has a direct line to Heathrow airport terminals.

An extraordinary school with a distinctive character and close-knit community, New Hall is popular with local, national and international families. The School is oversubscribed at key entry points. An early adopter of the diamond model, it offers a vibrant education for girls and boys, with single-sex teaching in the Senior Divisions for Years 7 to 11, and co-education in the early years, Preparatory Divisions and Sixth Form.

New Hall prides itself on the quality of teaching and learning. Seeking the highest possible levels of academic attainment is a priority. The School is equally proud to offer a rounded education, focused on developing the whole child. There is a strong emphasis on co-curricular enrichment – as recognised in its recent ISI Inspection reports. The School excels in sport, having recently been awarded Outstanding Sport in a Large School by the Independent Schools Association (ISA). Alongside traditional sports, it is home to the largest independent school ski team, benefits from a professional cricket coach, and is proud to include elite national golfers within its student body. With a well-established on-site farm, woodland school, and equestrian centre, the School makes the most of its unrivalled space to embed the many benefits of outdoor education into the curriculum for all age groups.

The School has made extensive capital investments across its estate over the past 20 years. Recent developments include: a purpose-built Nursery, a Sixth Form International Business & Languages Centre, a canopied outdoor performance space, a Chaplaincy suite, outdoor basketball courts, and a second Cookery room.

In 2012, the School established the New Hall Multi Academy Trust (NHMAT) and became sponsor of nearby Messing Primary School – an Ofsted-rated 'Good' school with 'Outstanding' features. It is now looking ahead to new ventures and exciting opportunities to further grow its partnership work.
