About the Role – Meet the Team

We are recruiting somebody currently working in the automotive industry, or a Motor Vehicle lecturer to join the team here at Gloucestershire College to deliver high quality teaching to both Apprentices and Full-Time students ranging from Level 1, Level 2 and Level 3 courses. This is an exciting opportunity to give the next generation of Motor Technician workers your vast knowledge of the industry. Your colleagues will guide and coach you to inspire and teach our students. We do require you to have at least a level 2 trade qualification.

About the Role – Duties and Responsibilities

- Plan and deliver lively and interactive instruction and assessment activities to a high standard on a range of programmes in both a workshop and classroom environment.
- Secure as part of the delivery team, outstanding success for all learners and assist in ensuring targets for recruitment, retention, achievement and success, attendance and progression are met.
- Mark and assess students' work, in line with College policies and procedures and awarding body regulations and provide effective feedback to learners to help them improve, including in relation to English and Maths.
- Provide opportunities for learners to understand how the specialist area relates to the wider social, economic and environmental context.
- Work with learners to address particular individual learning needs and overcome identified barriers to learning.
- Refer learners to information on potential current and future learning and career opportunities and appropriate specialist support services.
- Work closely with colleagues and the Teaching & Learning team to plan and use a range of effective teaching techniques to engage and motivate learners and encourage independence and learner autonomy.
- Play an active role in the marketing of the College and the Department through such activities as open days and through liaison with local employers.
- Be aware of, and maintain compliance with, all departmental and College requirements relating to Health and Safety.

About the College – Our Expectations

- Take an active part in Professional Development Conversations (PDC)
- Engage with all relevant Health & Safety regulations and assist the College in the implementation of its own Health & Safety Policy
- Actively promote the College's Equality and Diversity Policy
- Actively promote the College's Safeguarding Policy and Practices
- Support the College's sustainability policies and recognise the shared responsibility of carrying out duties in a resource efficient way
- Participate in enrolment
- Participate constructively in college activities and to adopt a flexible approach to your work.
- Undertake a first-aid qualification and participate in the first aid rota, as required.
- Undertake any other relevant duties as specified by your line manager commensurate with the level of this post
