Our School

Finham Park School, and more recently Finham Park Multi-Academy Trust (MAT), has been a highly regarded part of the educational landscape in Coventry for over fifty years. We have a long and proud history of providing the **highest quality teaching**; an **innovative curriculum** offer and a wealth of **exciting extra-curricular activities** for young people of all ages and abilities.

As Ofsted reported in their January, 2025 report, "Finham Park is a **highly inclusive** school where everyone is **valued** and **expectations are high** for pupils to achieve well. Pupils and staff **embody** the school's values, which include humility and kindness."

"I was fortunate enough to join Finham in 2020 having spent the first 28 years of my career at a school in Warwickshire. What struck me most was how the school used its own unique identity and made many of the important decisions needed in support of students, but that the wider support the MAT provides only strengthens the day to day running of our amazing school". (Teacher)

"Diversity is a key thing, there are different socio-economic backgrounds, sexualities, races and religions, so it is nice to have it all come into discussion. Different experiences shape student life and enrich the classroom" (Year 11 student)

We are an 11-18 co-educational school with 9 forms of entry (270 students in each year). Our sixth form is 400 pupils strong and amongst the largest in Coventry. The school is based at Green Lane in the Finham suburb and comprises of some

excellent facilities, including our recently built performing arts facility. You genuinely need to see the school in action to appreciate the **high-quality working environment**. The school is **over-subscribed** and has an **excellent reputation** locally.

The school's last inspection highlighted many of the positive things that are taking place in the school and has given us a firm platform from which to achieve our aims. We have a **transparent approach** to school improvement, where all staff are empowered to reflect on their own practice – celebrate success and proactively make things better.

"Finham Park MAT has provided me with a huge range of opportunities throughout my career as a teacher. Staff are incredibly supportive and the opportunities for CPD are fantastic, including a new 'Leadership Pathways' programme. I would thoroughly recommend working in the MAT to anyone and hope to continue to develop my career over the coming years." (FPMAT employee)

The intake profile in both socio-economic and academic terms is that of a fairly typical comprehensive school. Attendance is strong and results are consistently above local and regional averages. We are very proud of our caring school community and place great emphasis on high standards of behaviour and respect for all through our key values of **Kindness, Humility, Integrity, Courageousness** and **Perseverance**. I urge you take a look at the school – you won't regret it.
