Our SCHOOL

“

We are excited to introduce you to our vibrant school community.

At Broadfield, we strive to create an environment where every child feels valued, supported and empowered to reach their full potential. Our success in achieving this is built on a dedicated team of staff who are committed to their own growth, professionally, socially and emotionally.

We aim to ensure that your time with us is both enjoyable and rewarding. With a focus on high-quality teaching, inspirational pedagogy and the development of the whole child, working at Broadfield offers numerous opportunities for personal and professional fulfilment.

We understand that starting at a new school can be both exciting and challenging, but please know that we are here to support you every step of the way. You will find a welcoming, caring atmosphere where you can thrive and truly make a difference in the lives of our pupils.

Our values of respect, kindness, honesty, readiness to learn, and striving to be the best we can be guide everything we do. As a new member of the team, you will both contribute to and benefit from these. These values will be woven into every aspect of your classroom practice, behaviour management strategies and relational communication, creating a consistent and supportive environment for all.

I welcome any interested candidates to visit our school, meet our team, take a tour and get to know our learners.
