The Academic Profile

At Tudor Grange we operate a weekly timetable. The philosophy of Tudor Grange is that each pupil is entitled to a curriculum that prepares him or her for life's opportunities, responsibilities and experiences. Statutory requirements of the national curriculum are supplemented by the Academy's broader curricular provision. The curriculum has been designed with collaboration from all Primary academies and are quality assured frequently.

Early Years

Children in the Early Years Foundation Stage are offered the maximum opportunity to develop intellectually, emotionally, and socially within a safe environment that is both stimulating and caring. A wide range of high quality indoor and outdoor experiences which challenge, stimulate and extend their learning support children in developing their natural desire, interest, excitement, and motivation to learn. Children learn to become confident and independent decision makers, ready for the next stage of their primary education. All children are encouraged to develop care, respect, and appreciation for others, including those with beliefs, cultures, and opinions different from their own.

Key Stage One

Pupils' independence and confidence will grow and develop throughout Key Stage One. Pupils will be able to share ideas, work co-operatively and imaginatively. Our pupils are enthusiastic learners who thrive on practical experiences. All pupils are encouraged to adopt a positive attitude to learning which recognises that when we have fun and work together, we are successful learners.

Key Stage Two

Pupils will work with increasing independence and confidence throughout Key Stage Two.

We expect pupils to be able to work as a team and we encourage children to adopt a positive attitude to learning. We encourage children to be self-starters, adopt a positive attitude to their learning and be independent. Pupils will need to be able to work co-operatively, share ideas and apply their knowledge.

Relationships

Tudor Grange Primary Academy Hockley Heath, prides itself on building great relationships with pupils and their parents or carers. As part of this, the academy is structured into a series of Houses. Each house is supported by members of staff.

At this academy, we have four houses. The houses are Belton, Deakin, Gowan and Scott.

This demonstrates our belief that resilience and hard work leads to success and links directly with our school values. Much of our house system is built around the TUDOR Values of tolerance, unity, democracy, opportunity, and respect. With these values at the heart of all we do, pupils at our academy become equipped with the knowledge, skills, and personality they need to become successful learners. Equipping pupils to reach their full potential is our ultimate ambition.

We encourage healthy competitions and pupils really love the ownership and community they are part of. This focus on a united community allows us to recognise and reward outstanding attainment, effort, and behaviour across houses – celebrating and rewarding accomplishments.

Extra-Curricular Activities

As an academy we feel strongly that the development of motor and interpersonal skills is enhanced by the opportunities and experiences pupils have outside of the classroom. Hence, we provide a diverse breadth of activities that are part of a weekly timetable for pupils to opt into. These activities are delivered by willing and specialist staff or volunteers who want to relay their knowledge and passion.

The list below shows just a small selection of the programme on offer:

- Sports Teams including Football, Netball, Cheerleading, Dance and Gymnastics

- Wrap Around Care – 7.45 AM Breakfast, 3.30 PM – 5.30 PM
