## OUR POLICY STATEMENT

*'Enabling all to flourish rooted in God's love'*

JOHN 10:10

Our Trust's mission is to ensure that all pupils are enabled to flourish; academically, socially, spiritually, physically and mentally, rooted in God's Love. This belief is central to our vision and our work in service of our communities, pupils, staff and families and is rooted in our Christian Foundation. Our policies are underpinned by our Trust and Schools Christian Visions, serving a range of different contexts and school communities.

Our commitment to mutual flourishing within the school community is recognised within our policies and procedures and ensures that we are governed by principles that are guided by the central belief of prospering, thriving and growing for all. Our policies are based on the belief that equitable treatment for all pupils, staff and the wider community is essential for ensuring holistic flourishing for all. Each policy is developed collaboratively and draws upon and is informed by the National Church of England Vision and the Diocesan Board of Education Vision. Our policies are adapted to recognise the individuality of each school and its community.

Our policies provide clear expectations for all Trust colleagues and ensures a consistency of approach across our schools and that we are living out our Trust values of Hope, Nurture, Equality, Respect and Collaboration.

## Statement of Intent

Bullying is, therefore:

- Hurtful
- Repeated, often over a period of time

- Demonstrates a power imbalance
- Intentional

Bullying can include: (taken from the Anti- Bullying Alliance [Our definition of bullying](#) )

TYPE OF BULLYING	DEFINITION

## 4.2 Signs and Symptoms

A student may indicate by signs or behaviour that he or she is being bullied these include if the pupil:

- is frightened of walking to or from their school
- doesn't want to go into vulnerable areas of the school e.g. toilets

- is unwilling to go to school
- becomes withdrawn, anxious, or lacking
- changes their behaviours
- Lost and damaged belongings
- Loss of friends and social isolation
- Self-destructive behaviour

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be investigated.

### **4.3 Procedures**

- Incidents of bullying should be reported to a teacher or SLT and recorded where appropriate
- In certain cases, parents will be informed and asked to come into a meeting to discuss the problem
- If necessary and appropriate, police will be consulted
- The bullying behaviour or threats of bullying must be investigated and the bullying stopped quickly
- An attempt will be made to help the bully/bullies change their behaviour
- Support will be provided for the student(s) being bullied

### **4.4 Outcomes**

- The school behaviour policy will be applied
- Involvement of external agencies where applicable
- Monitoring by appropriate adult(s)
- Formal recording
- Liaison with parent/carer

## **5. Roles and responsibilities**

### **5.1 The board of trustees**

The board is responsible for monitoring the effectiveness of this behaviour policy and, through the CEO, Director of Education and the Director of Safeguarding, holding each headteacher to account for its implementation.

## 5.2 The Headteacher

The headteacher is responsible for:

- Reviewing and approving the localised content of this behaviour policy
- Ensuring that the school environment encourages positive behaviour
- Ensuring that staff deal effectively with poor behaviour
- Overseeing and monitoring how staff implement this policy, including to ensure rewards and sanctions are applied consistently to all groups of pupils
- Ensuring that all staff understand the behavioural expectations and the importance of maintaining them
- Providing new staff with a clear induction into the school's behavioural culture to ensure they understand its rules and routines, and how best to support all pupils to participate fully
- Offering appropriate training in behaviour management, and the impact of special educational needs and disabilities (SEND) and mental health needs on behaviour, to any staff who require it, so they can fulfil their duties set out in this policy
- Ensuring this policy works alongside the safeguarding policy to offer pupils both sanctions and support when necessary
- Ensuring the data from the behaviour log is reviewed regularly, to make sure that no groups of pupils are being disproportionately impacted by this policy (see section 13.1)

## 5.3 Staff

Staff are responsible for:

- Creating a calm and safe environment for pupils
- Ensuring pupils and parents/carers new to the school receive a clear induction and understand the expectations placed upon them
- Establishing and maintaining clear boundaries of acceptable pupil behaviour
- Implementing the behaviour policy consistently
- Building positive partnership with parents, carers and external agencies, working collaboratively to create behaviour plans and implement reasonable adjustments where required

The senior leadership team (SLT) will support staff in responding to behaviour incidents.

## 5.4 Parents and carers

Parents and carers are expected to:

- Get to know the school's behaviour policy and reinforce it at home where appropriate
- Take responsibility for setting and supporting clear boundaries at home to support their child's capacity to regulate when at school
- Support their child in adhering to the school's behaviour policy
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Work collaboratively with the school to co-produce behaviour support plans where needed
- Work collaboratively with the school and external agencies to create plans for reasonable adjustments for pupils with SEND or other vulnerabilities where required
- Discuss any behavioural concerns with the class teacher promptly
- Take part in any pastoral work linked to behaviour (for example, attending reviews of behaviour support plans, plans for reasonable adjustments and risk assessment planning where appropriate)
- Raise any concerns about the management of behaviour with the school directly, while continuing to work in partnership with the school
- Take part in the life of the school and its culture

The school will endeavour to build a positive relationship with parents and carers by keeping them informed about developments in their child's behaviour and the school's policy and working in collaboration with them to tackle behavioural issues.

## 5.5 Pupils

Pupils will be made aware of the following when starting school and at regular intervals during the academic year:

- School rules and systems in place to keep pupils safe at school
- The expectation the school has for behaviour in class (Behaviour for Learning) and when out of class during transitions, break times or arriving / leaving the school site.
- School systems for rewards and consequences, supporting pupils to be clear about how they will be supported to ensure their behaviour meets the expected standards.
- Clarity about consequences for poor behaviour and how these build in severity over time

- The school's key rules and routines for specific subjects and learning spaces: E.g. Science labs, Cooking Rooms, PE and Sports facilities
- How parents/carers are included with supporting students where required and how positive behaviour news is shared with parents/carers
- The pastoral support available to them and who they can access should they need support in any way

Pupils will be supported to achieve the behaviour standards and will be provided with regular reminders wherever appropriate. This will include a personalised approach where required and partnership with parents / carers and external agencies where required

Pupils will be supported to develop an understanding of rules, routines and systems to support the wider safeguarding and behaviour culture within the school

Pupils will be asked to give feedback on their experience of the safeguarding and behaviour culture to support the evaluation, improvement and implementation of this policy.

## 6. School behaviour curriculum

For the purposes of this policy, the academy will define 'low-level unacceptable behaviour' as any behaviour which may disrupt the education of the perpetrator and/or other students, including, but not limited to, the following:

- Lateness
- Low-level disruption and talking in class
- Failure to complete classwork
- Rudeness
- Lack of correct equipment
- Refusing to complete homework, incomplete homework, or arriving at academy without homework
- Disruption on public transport
- Use of mobile phones without permission
- Graffiti

'Low-level unacceptable behaviour' may be escalated to 'serious unacceptable behaviour', depending on the severity of the behaviour

- **3Cs** – Chance, Choice, Consequence

### **CHANCE**

We want every student to have a chance to reflect, reset, and improve

### **CHOICE**

We want students to make positive, responsible choices that reflect our shared values

### **CONSEQUENCE**

Every action has a consequence – positive or negative

- **DFL – Disruption Free Learning**

Disruption-free learning refers to a teaching and learning environment where distractions, interruptions, and obstacles are minimised so that students can stay focused, engaged, and able to learn effectively.

- Learning Modes:

<b>Learning Mode</b>	<b>Description</b>
<b>Teacher-Led Learning</b>	Learning is directed and guided by the teacher, with clear instruction and structured activities
<b>Student-Led Learning</b>	Students take the lead in their learning through collaboration and peer interaction
<b>Independent Learning</b>	Students take responsibility for their learning, working individually on tasks

Pupils are expected to:

- Behave in an orderly and self-controlled way
- Show respect to members of staff and each other
- In class, make it possible for all pupils to learn
- Move quietly around the school
- Treat the school buildings and school property with respect
- Wear the correct uniform at all times
- Accept sanctions when given
- Refrain from behaving in a way that brings the school into disrepute, including when outside school or online

Where appropriate and reasonable, adjustments may be made to routines within the curriculum to ensure all pupils can meet behavioural expectations in the curriculum.

## **6.1 Mobile phones**

Manshead CE Academy operates a mobile phone-free environment during school hours. While students are permitted to bring mobile phones, it is the students' responsibility to ensure that their device is switched off and securely stored in a Yondr pouch at the start of the school day during tutor time at 8.35am.

Each student is responsible for bringing their Yondr pouch to school daily and for maintaining it in good working condition. Students are allowed to carry the locked pouch on their person throughout the school day. Tutors will conduct a daily pouch check each morning during tutor line ups, during which students will be required to demonstrate that their phone is properly secured in their locked Yondr pouch.

Students who do not have a mobile phone are not required to purchase or carry a Yondr pouch. At the end of the school day, students will be able to use one of the magnets positioned around the school site to unlock their phone. These magnets will not be accessible until 3.10pm. If a student needs to leave the site before the end of the day, portable unlocking stations are available at the main reception and other designated locations.

Please find below the Manshead CE Academy mobile phone routine for students:

1. At the start of registration students will switch their phone off and put it in their Yondr pouch, before locking the Yondr pouch in front of their form tutor
2. At the end of the school day, students will be able to unlock their Yondr pouch and take out their mobile phones via one of the magnets positioned around the school. They should then close their Yondr pouch and place this into their school bag ready for the next day
3. Additionally, students with medical needs will be able to purchase a Velcro Yondr pouch, which can only be opened in emergencies and with the permission of a staff member. For example, to check glucose levels, if a student has diabetes
4. Manshead CE Academy recognises that on occasions students may need to contact a family member in an emergency. If this is the case, they should go to either reception or speak to a member of the pastoral team and if necessary, will be allowed to use a phone to contact their family. If a parent or carer needs to speak to their child due to an emergency during the school day then it must be via the school reception, who will ensure that your child receives the message
5. Students without a Yondr pouch will need to hand in their phones so that they can be kept in the phone case until 3.10pm when students will be able to collect them

**Failure to follow the high school's mobile phone policy:**

To ensure the success of our mobile phone-free environment, the following procedures and sanctions apply when expectations are not met:

Example	Possible response
<p>Pouch damaged or lost pouch</p> <p>Examples of damage:</p> <ul style="list-style-type: none"> <li>- Ripped fabric</li> <li>- Torn/cut</li> <li>- Bent pin</li> <li>- Signs of force to black button or flap</li> </ul>	<p>Actions:</p> <p>Parents/carers or students must inform the student's Head of Year immediately.</p> <p>A replacement pouch must be purchased by parent/carer via the school shop.</p> <p>Until a new pouch is obtained, the student must place their mobile phone in a phone locking station with their</p>

<ul style="list-style-type: none"> <li>- Damage to the black ball</li> <li>- Pouch opens without unlocking station</li> </ul>	<p>Head of Year each morning and collect it at the end of the school day.</p> <p>Sanctions:</p> <p>Accidental damage will not be sanctioned.</p> <p>If the damage is intentional or the incident is repeated, the student may sit an after school detention, internal exclusion, off-site provision or suspension, depending on the severity and frequency</p>
<p>Forgotten pouch at home</p>	<p>Action:</p> <p>The student must place their mobile phone in the phone locking station with their Head of Year and collect it at the end of the school day</p> <p>Sanction:</p> <p>A detention could be issued. Repeated failure to bring the pouch will result in escalating sanctions, including longer detentions</p>
<p>Phone is seen during the school day not in Yondr pouch</p>	<p>Parents will be informed. Phone is confiscated and returned to the parent at the end of school day. Student will be placed in isolation and could be suspended</p>
<p>Phone is seen during the school day not in Yondr pouch</p>	<p>Parents will be informed. Phone is confiscated and returned to the parent at the end of school. Student will be placed in isolation and could be suspended</p>

Please be advised that if the Academy has reason to believe a student may have breached the mobile phone policy, a routine check of the student's bag and blazer may be carried out. As part of this process, students may also be asked to unlock their Yondr pouch. Refusal to comply with these procedures will result in a sanction.

Additionally, in situations where there is a safeguarding concern, and the Pastoral and Safeguarding Team determine it is necessary to inspect a student's phone; the student will be required to remove their device from the Yondr pouch.

## 7. Responding to behaviour

### 7.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

The points below are suggestions only and should be adapted to suit your specific circumstances.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the agreed school behaviour curriculum or rules
- Develop a positive relationship with pupils, which may include:
  - Greeting pupils in the morning/at the start of lessons
  - Establishing clear routines
  - Communicating expectations of behaviour in ways other than verbally
  - Highlighting and promoting good behaviour
  - Concluding the day positively and starting the next day afresh
  - Having a plan for dealing with low-level disruption
  - Using positive reinforcement

DFL Room:

If a student fails to adhere to the 3cs, they will be sent to the DFL room. They will spend the rest of that lesson, next lesson and their social time as a sanction. During this time, they will be expected to reflect on their behaviour and write down on the reflection sheet how they can make better choices in the future.

The pastoral lead will keep a record of all reported incidents to help identify students whose behaviour may indicate potential mental health or safeguarding problems. All staff will be alert to changes in a student's behaviour that could indicate they need help or protection.

Support, such as targeted discussions with students, a phone call with parents, and inquiries into circumstances outside of academy by the DSL, will be provided alongside the use of sanctions to prevent the misbehaviour recurring.

## **7.2 Safeguarding**

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection.

We will consider whether a pupil's behaviour may be an indicator of an adverse experience in a pupil's life or if they are at risk of harm or suffering harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to the school's child protection and safeguarding policy for more information.

## **7.3 Responding to good behaviour**

When a pupil's behaviour meets or goes beyond the expected behaviour standard, staff will recognise it with positive recognition and reward. This provides an opportunity for all staff to reinforce the school's culture and ethos and for pupils to feel valued and part of the wider school team.

Positive reinforcements and rewards will be applied clearly and fairly to celebrate success, reward pupils who have made improvements to their behaviour and to reinforce the rules, routines and systems, further enhancing the safeguarding culture within school.

Positive behaviour and good role models will be rewarded with:

- Verbal praise
- Communicating praise to parents/carers via a phone call or written correspondence
- Certificates, prize ceremonies or recognition in worship and assemblies
- Positions of responsibility, such as becoming a prefect, pupil leader or being entrusted with a particular decision or project
- Whole-class or year group rewards, such as a popular activity

## 7.4 Responding to poor behaviour

Within DSAMAT all schools follow the [DfE 'restrictive Interventions including the use of reasonable force'](#) which applies to school from April 2026

When a pupil's behaviour falls below the standard that can reasonably be expected of them, staff will respond in order to restore a calm and safe learning environment, and to prevent recurrence of misbehaviour.

Staff will endeavour to create a predictable environment by always challenging behaviour that falls short of the expected standards, and by responding in a consistent, fair and proportionate manner, so pupils know with certainty that poor behaviour will always be addressed.

De-escalation techniques, including the use of pre-arranged scripts and phrases, can be used to help prevent further behaviour issues arising.

Seclusion (keeping a pupil in a confined space away from others) may be used by staff as a non-disciplinary measure to ensure the safety of others by protecting them from harm when another pupil is experiencing high levels of emotional or behavioural dysregulation.

Pupils with SEND or who are vulnerable will be supported through reasonable adjustments to understand, engage with and meet the expectations of the behaviour policy. This may include personalised behaviour plans and risk assessments where required.

All pupils will be treated equitably under the policy, with any factors that contributed to the behavioural incident identified and taken into account.

When giving behaviour sanctions, staff will also consider what support could be offered to a pupil to help them to meet behaviour sanctions in the future.

The school may use 1 or more of the following sanctions in response to unacceptable behaviour:

- A verbal reprimand and reminder of the expectations of behaviour
- Sending the pupil out of the class to the DFL room
- Setting of written tasks such as an account of their behaviour
- Expecting work to be completed at home, or at break or lunchtime

- Detention at break or lunchtime, or after school
- Loss of privileges – for instance, the loss of a prized responsibility
- School-based community service, such as tidying a classroom
- Referring the pupil to a senior member of staff
- Letter or phone call home to parents/carers
- Putting a pupil 'on report'
- Removal of the pupil from the classroom (seclusion)
- Suspension
- Permanent exclusion, in the most serious of circumstances

Personal circumstances of the pupil will be taken into account when choosing sanctions, and decisions will be made on a case-by-case basis.

### **7.5 Restrictive Interventions – 'Reasonable force'**

Reasonable force covers a range of interventions that involve physical contact with pupils. All members of staff have a legal power to use reasonable force, in certain circumstances:

To prevent or stop a pupil from:

1. Causing injury to themselves or others
2. Committing a criminal offence
3. Damaging property
4. Causing disorder among pupils at the school, whether during a teaching session or otherwise.

Incidents of reasonable force must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded clearly by the end of the day the incident occurred by the staff member/s involved and be reported to parents/carers.

When considering using reasonable force, staff should be appropriately trained in the use of positive handling of pupils. Staff should also consider the risks and carefully recognise any specific vulnerabilities of the pupil, including SEND, mental health needs or medical conditions.

The following examples demonstrate times when physical contact with pupils is appropriate and does not give rise to the question of reasonable force and other restrictive interventions.

- To give first aid
- To guide or escort pupils, such as holding the hand of a pupil at the front/back of the line when going to assembly, when walking together around the school or on a school trip. Or when helping a pupil to a space they have chosen to self-regulate
- To comfort a distressed pupil
- To congratulate or praise a pupil, for example a pat on the back or a handshake
- To demonstrate how to use a musical instrument
- To demonstrate exercises or techniques during PE lessons or sports coaching

In DSAMAT Schools we follow and have due regard for the DfE 'Restrictive Interventions including the use of reasonable force' guidance from April 2026 when this guidance came into force.

## 7.6 Searching and confiscation

Staff members are permitted to use reasonable force to search a pupil or their possessions where they have reasonable grounds to suspect that the pupil may have a prohibited item. A member of staff can use such force as is reasonable to search for legally prohibited items only, not items banned under school rules only.

All searches, regardless of what is found, will be recorded on CPOMs and parents/carers will be informed.

Searching and confiscation is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

### Confiscation

Any prohibited items (listed in section 3) found in a pupil's possession as a result of a search will be confiscated. These items will not be returned to the pupil; in some circumstances the item will be returned directly to parents / carers E.g. E-Scooters.

We will also confiscate any item that is harmful or detrimental to maintaining high standards of behaviour. These items will be returned to pupils after discussion with senior leaders and parents/carers, if appropriate. Refusal to comply with confiscation of an item may result in the use of suspension on the grounds of refusing to follow reasonable requests from staff.

### Searching a pupil

Searches will only be carried out by a member of staff who has been authorised to do so by the headteacher, or by the headteacher themselves.

Subject to the exception below, the authorised member of staff carrying out the search will be of the same sex as the pupil, and there will be another member of staff present as a witness to the search.

An authorised member of staff of a different sex to the pupil can carry out a search without another member of staff as a witness if:

- The authorised member of staff carrying out the search reasonably believes there is risk that serious harm will be caused to a person if the search is not carried out as a matter of urgency; **and**
- In the time available, it is not reasonably practicable for the search to be carried out by a member of staff who is the same sex as the pupil; **or**
- It is not reasonably practicable for the search to be carried out in the presence of another member of staff

When an authorised member of staff conducts a search without a witness, they should immediately report this to a senior member of staff and make sure a written record of the search is kept.

If the authorised member of staff considers a search to be necessary, but not required urgently, they will seek the advice of the headteacher, designated safeguarding lead (or deputy) or pastoral member of staff who may have more information about the pupil. During this time the pupil will be supervised and kept away from other pupils.

A search can be carried out if the authorised member of staff has reasonable grounds for suspecting that the pupil is in possession of a prohibited item or any item identified in the school rules for which a search can be made, or if the pupil has agreed.

An appropriate location for the search will be found. Where possible, this will be away from other pupils. The search will only take place on the school premises or where the member of staff has lawful control or charge of the pupil, for example on a school trip.

Before carrying out a search the authorised member of staff will:

- Assess whether there is an urgent need for a search
- Assess whether not doing the search would put other pupils or staff at risk
- Consider whether the search would pose a safeguarding risk to the pupil
- Explain to the pupil why they are being searched
- Explain to the pupil what a search entails – e.g. “I will ask you to turn out your pockets and remove your scarf”
- Explain how and where the search will be carried out
- Give the pupil the opportunity to ask questions
- Seek the pupil’s co-operation

If the pupil refuses to agree to a search, the member of staff can give an appropriate behaviour sanction.

If they still refuse to co-operate, the member of staff will contact the headteacher or designated safeguarding led, to try to determine why the pupil is refusing to comply.

The authorised member of staff will then decide whether to use reasonable force to search the pupil. This decision will be made on a case-by-case basis, taking into consideration whether conducting the search will prevent the pupil harming themselves or others, damaging property or causing disorder.

The authorised member of staff can use reasonable force to search for any prohibited items identified in section 3 above, but not to search for items that are only identified in the school rules.

The authorised member of staff may use a metal detector to assist with the search.

An authorised member of staff may search a pupil’s outer clothing, pockets, possessions, desk or locker.

'Outer clothing' includes:

- Any item of clothing that isn't worn wholly next to the skin or immediately over underwear (e.g. a jumper or jacket being worn over a t-shirt)
- Hats, scarves, gloves, shoes or boots

### **Searching pupils' possessions**

Possessions means any items that the pupil has or appears to have control of, including:

- Desks
- Lockers
- Bags

A pupil's possessions can be searched for any item if the pupil agrees to the search. If the pupil does not agree to the search, staff can still carry out a search for prohibited items (listed in section 3 above) and items identified in the school rules.

An authorised member of staff can search a pupil's possessions when the pupil and another member of staff are present.

If there is a serious risk of harm if the search is not conducted immediately, or it is not reasonably practicable to summon another member of staff, the search can be carried out by a single authorised member of staff.

### **Informing the designated safeguarding lead (DSL)**

The staff member who carried out the search should inform the DSL without delay:

- Of any incidents where the member of staff had reasonable grounds to suspect a pupil was in possession of a prohibited item as listed in section 3 above
- If they believe that a search has revealed a safeguarding risk

All searches for prohibited items (listed in section 3 above), including incidents where no items were found, will be recorded in the school's safeguarding system. (CPOMS)

### **Informing parents/carers**

Parents/carers will always be informed of any search for a prohibited item (listed in section 3 above). A member of staff will tell the parents/carers as soon as is reasonably practicable:

- What happened
- What was found, if anything
- What has been confiscated, if anything
- What action the school has taken, including any sanctions that have been applied to their child

### **Support after a search**

Irrespective of whether any items are found as the result of any search, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

If this is the case, staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

### **Strip searches**

The authorised member of staff's power to search outlined above **does not** enable them to conduct a strip search (removing more than the outer clothing) and strip searches on school premises shall only be carried out by police officers in accordance with the Police and Criminal Evidence Act 1984 (PACE) Code C.

Before calling the police into school, staff will assess and balance the risk of a potential strip search on the pupil's mental and physical wellbeing and the risk of not recovering the suspected item.

Staff will consider whether introducing the potential for a strip search through police involvement is absolutely necessary, and will always ensure that other appropriate, less invasive approaches have been exhausted first.

Once the police are on school premises, the decision on whether to conduct a strip search lies solely with them. The school will advocate for the safety and wellbeing of the pupil(s) involved. Staff retain a duty of care to the pupil involved and should advocate for pupil wellbeing at all times.

### **Communication and record-keeping**

Where reasonably possible and unless there is an immediate risk of harm, before the strip search takes place, staff will contact at least 1 of the pupil's parents/carers to inform them that the police are going to strip search the pupil and ask them whether they would like to come into school to act as the pupil's appropriate adult. If the school can't get in touch with the parents/carers, or they aren't able to come into school to act as the appropriate adult, a member of staff can act as the appropriate adult (see below for information about the role of the appropriate adult).

The pupil's parents/carers will always be informed by a staff member once a strip search has taken place. The school will keep records of strip searches that have been conducted on school premises and monitor them for any trends that emerge.

### **Who will be present**

For any strip search that involves exposure of intimate body parts, there will be at least 2 people present other than the pupil, except in urgent cases where there is risk of serious harm to the pupil or others.

One of these must be the appropriate adult, except if:

- The pupil explicitly states in the presence of an appropriate adult that they do not want an appropriate adult to be present during the search, **and**
- The appropriate adult agrees

If this is the case, a record will be made of the pupil's decision, and it will be signed by the appropriate adult.

No more than 2 people other than the pupil and appropriate adult will be present, except in the most exceptional circumstances.

The appropriate adult will:

- Act to safeguard the rights, entitlements and welfare of the pupil

- Not be a police officer or otherwise associated with the police
- Not be the headteacher
- Be of the same sex as the pupil, unless the pupil specifically requests an adult who is not of the same sex

Except for an appropriate adult of a different sex if the pupil specifically requests it, no one of a different sex will be permitted to be present and the search will not be carried out anywhere where the pupil could be seen by anyone else.

#### **Care after a strip search**

After any strip search, the pupil will be given appropriate support, irrespective of whether any suspected item is found. The pupil will also be given the opportunity to express their views about the strip search and the events surrounding it.

As with other searches, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any further specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

Staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether, in addition to pastoral support, an early help intervention or a referral to children's social care is appropriate.

Any pupil(s) who have been strip searched more than once and/or groups of pupils who may be more likely to be subject to strip searching will be given particular consideration, and staff will consider any preventative approaches that can be taken.

### **7.7 Off-site misbehaviour**

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a pupil of a DSAMAT school

Sanctions may also be applied where a pupil has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil
- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member (e.g. on a school-organised trip).

### **7.8 Online misbehaviour**

The school can issue behaviour sanctions to pupils for online misbehaviour when:

- It poses a threat or causes harm to another pupil
- It could have repercussions for the orderly running of the school
- It adversely affects the reputation of the school
- The pupil is identifiable as a member of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member.

### **7.9 Suspected criminal behaviour**

If a pupil is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, the headteacher or members of the senior leadership team or Head of Year will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

### **7.10 Sexual harassment and sexual violence**

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
  - Manage the incident internally
  - Refer to early help
  - Refer to children's social care

- Report to the police

Please refer to the school child protection and safeguarding policy for more information.

### **7.11 Malicious allegations**

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Please refer to the school child protection and safeguarding policy our trust Allegations Against Staff policy for more information on responding to allegations of abuse against staff or other pupils.

## **8. Serious sanctions**

### **8.1 Detention**

All staff have permission to set a detention; this has been authorised by the headteacher:

- Pupils can be issued with detentions during break, after school or on weekends during term time.
- The school will decide whether it is necessary to inform the pupil's parents/carers.
- When imposing a detention, the school will consider whether doing so would:
  - Compromise the pupil's safety
  - Conflict with a medical appointment
  - Prevent the pupil from getting home safely
  - Interrupt the pupil's caring responsibilities

### **8.2 Removal from classrooms and Seclusion**

In response to serious or persistent breaches of this policy, the school may remove the pupil from the classroom for a limited time.

Pupils who have been removed will continue to receive education under supervision of a member of staff. This education will be meaningful, but it may differ from the mainstream curriculum.

Removal is a serious sanction and will only be used in response to serious misbehaviour. Staff will only remove pupils from the classroom once other behavioural strategies have been attempted, unless the behaviour is so extreme as to warrant immediate removal.

Removal can be used to:

- Restore order if the pupil is being unreasonably disruptive
- Maintain the safety of all pupils
- Allow the disruptive pupil to continue their learning in a managed environment
- Allow the pupil to regain emotional or behavioural regulation and calm in a safe space

Pupils who have been removed from the classroom are supervised by either SLT or the Pastoral Team and will be removed for a maximum of a whole day if necessary or until emotional / behavioural regulation has been regained.

Pupils will not be removed from classrooms for prolonged periods of time without the explicit agreement of the headteacher.

Pupils should be reintegrated into the classroom as soon as it is appropriate and safe to do so. The school will consider what support is needed to help the pupils successfully reintegrate into the classroom and meet the expected standards of behaviour.

Seclusion is a non-disciplinary intervention involving keeping a pupil confined to a place away from others and prevented from leaving. This will only be used as a safety measure to protect others from harm when a pupil is experiencing high levels of emotional or behavioural dysregulation. In such circumstances the pupil is not acting with intent. Seclusion will not be implemented by staff through threat of punishment.

#### Recording removal from class or seclusion:

Incidents of removal from class or seclusion MUST be recorded as soon as practicable after the event. It should be recorded by the staff member/s involved and they should endeavour to do this no later than the same day. The incident MUST be recorded in writing and the requirement to record applies even if the use of restrictive interventions in certain circumstances is agreed with parents as part of a pupil's behaviour support plan.

Parents/carers will be informed on the same day that their child has been removed from the classroom or has been removed for seclusion. A written record that confirms parents / carers have been informed must be retained.

The school will consider an alternative approach to behaviour management for pupils who are frequently removed from class, such as:

- Meetings with Head of Year
- Meeting with SENCo
- Use of teaching assistants
- Short-term behaviour report cards
- Long-term behaviour plans

- Pupil support units
- Multi-agency assessment

Staff will record all incidents of removal from the classroom in the school behaviour log / management system, along with details of the incident that led to the removal, any protected characteristics of the pupil and that parents / carers have been informed.

### 8.3 Suspension and permanent exclusion

The school can use suspension and permanent exclusion in response to serious incidents or in response to persistent poor behaviour which has not improved following in-school sanctions and interventions.

The decision to suspend or exclude will be made by the headteacher and only as a last resort.

Please refer to our trust exclusions policy for more information.

## 9. Responding to misbehaviour from pupils with SEN

### 9.1 Recognising the impact of SEND on behaviour

The school recognises that pupils' behaviour may be impacted by a special educational need or disability (SEND) or a specific vulnerability.

When incidents of misbehaviour arise, we will consider them in relation to a pupil's SEND, although we recognise that not every incident of misbehaviour will be connected to their individual needs. Decisions on whether a pupil's SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis.

When dealing with misbehaviour from pupils with SEND, especially where their SEND affects their behaviour, the school will take its legal duties into account when making decisions about enforcing the behaviour policy. The legal duties include:

- Taking reasonable steps to avoid any substantial disadvantage to a disabled pupil being caused by the school's policies or practices ([Equality Act 2010](#))
- Using our best endeavours to meet the needs of pupils with SEND ([Children and Families Act 2014](#))
- If a pupil has an education, health and care (EHC) plan, the provisions set out in that plan must be secured and the school must co-operate with the local authority and other bodies

As a part of meeting these duties, the school will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support to prevent these from occurring. School and parents will co-produce a behaviour support plan, detailing any reasonable adjustments to be made and including any risk assessments which may be required. These plans will be made with the involvement of external professionals where required.

Any preventative measure will take into account the specific circumstances and requirements of the pupil concerned.

Our approach could involve the following:

- Short, planned movement breaks for pupil whose SEND means they find it difficult to sit still for long

- Adjusting seating plans to allow a pupil with visual or hearing impairment to sit in sight of the teacher
- Adjusting uniform requirements for a pupil with sensory issues or who has severe eczema
- Training for staff in understanding conditions such as autism
- Use of separation spaces (sensory zones or nurture rooms) where pupils can regulate their emotions during a moment of sensory overload
- Use of seclusion in cases where pupils are experiencing high levels of emotional or behavioural dysregulation

## **9.2 Adapting sanctions for pupils with SEND**

When considering a behavioural sanction for a pupil with SEND, the school will consider whether:

- The pupil was unable to understand the rule or instruction
- The pupil was unable to act differently at the time as a result of their SEND
- The pupil was likely to behave aggressively due to their particular SEND needs

If the answer to any of these is 'yes', it may be unlawful for the school to sanction the pupil for the behaviour.

The school will then assess whether it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

## **9.3 Considering whether a pupil displaying challenging behaviour may have unidentified SEND**

The school's special educational needs co-ordinator (SENCO) will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

## **9.4 Pupils with an education, health and care (EHC) plan**

The provisions set out in Section F of the EHC plan must be secured and the school will work in partnership with parents, Local Authority and external professionals.

If the school has a concern about the behaviour of a pupil with an EHC plan, it will make contact with parents/carers and the local authority to discuss the matter. If appropriate, the school may request an emergency review of the EHC plan.

## 10. Supporting pupils following a sanction

- Reintegration meetings, including parents/carers where required
- Daily contact with the pastoral lead or staff point of contact
- A report card with personalised behaviour goals

## 11. Pupil transition

### 11.1 Inducting incoming pupils

The school will support incoming pupils and their parents / carers to understand behaviour expectations, rules and routines by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

### 11.2 Preparing outgoing pupils for transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information relating to pupil behaviour issues will be transferred to relevant staff at the start of the term or year.

## 12. Training

As part of their induction process, our staff are provided with regular training on managing behaviour, including training on:

- The proper use of reasonable force
- The needs of the pupils at the school
- How SEND and mental health needs can impact behaviour

Behaviour management will also form part of continuing professional development.

A sample staff training log can be found in appendix 2.

## 13. Monitoring arrangements

### 13.1 Monitoring and evaluating behaviour

The school will collect data on the following:

- Behavioural incidents, including removal from the classroom and seclusion
- Attendance, permanent exclusions and suspensions
- Use of pupil support units, alternative provision, off-site directions and managed moves
- Incidents of searching, screening and confiscation
- Perceptions and experiences of the school behaviour culture for staff, pupils, Cluster Education Leads, trustees and other stakeholders (via anonymous surveys)

The data will be analysed every term by Mr A Igori

The data will be analysed from a variety of perspectives including:

- Quality Assurance of recording and reporting to ensure statutory duties are being maintained
- At school level
- By age group
- At the level of individual members of staff
- By time of day/week/term
- By protected characteristic

The school will use the results of this analysis to make sure it is meeting its duties under the Equality Act 2010. If any trends or disparities between groups of pupils are identified by this analysis, the school will review its policies to tackle them.

The trust will work with its academies to consider this data, and whether there are patterns across the trust, recognising that numbers in any one academy are often too low to allow for meaningful statistical analysis.

### **13.2 Monitoring this policy**

This behaviour policy will be reviewed by the Governance Officer, Director of Education and Director of Safeguarding every three years, or more frequently, if needed, to address findings from the regular monitoring of the behaviour data (as per section 13.1). At each review, the policy will be approved by the Trust Board via the EE committee

## **14. Links with other policies**

This behaviour policy is linked to the following policies:

- Exclusions policy
- Child protection and safeguarding policy
- SEN policy
