Turing House School, 221a Hospital Bridge Rd, Whitton TW2 6LH

Teacher of Computing and Mathematics

Full time, Permanent

Salary: MPS1 – UPS3

Location: Turing House School, Twickenham, TW2

Job Profile

Core Purpose

- To teach Computing and Maths across KS3 and KS4, delivering engaging and effective lessons that support the progress and attainment of all students.
- To contribute to the wider life of the school, supporting its vision and values.

Key Responsibilities

- Plan and deliver high-quality lessons in Computing and Maths, using a range of teaching strategies to engage students and promote progress.
- Assess, record and report on the development, progress, and attainment of students in line with school policies.
- Set high expectations for student behaviour and achievement, maintaining a positive learning environment.
- Use data to inform teaching and provide targeted support to students as required.
- Collaborate with colleagues to plan schemes of work, share resources, and support the development of the Computing and Maths curriculum.
- Participate in the provision of cover for absent teachers in emergencies.
- Attend meetings and perform duties as reasonably required.
- Take part in parental consultations and prepare reports on students' progress.
- Engage fully in the School's performance management scheme and undertake relevant professional development.
- Contribute to the school's pastoral system, supporting students' wellbeing and personal development.
- Observe and implement current school policies and good practice.
- Undertake any other duties as directed by the Headteacher, in accordance with the Teachers' Pay and Conditions of Service Act 1987.

Safeguarding

- Uphold and promote the welfare and safety of all pupils in accordance with Keeping Children Safe in Education (KCSIE) guidance and the school's safeguarding policies.

Person Specification

Qualifications and Training

- Qualified Teacher Status (QTS)
- Degree (or equivalent) in Computing, Maths, or a related subject
- Evidence of ongoing professional development

Experience

- Successful teaching experience in Computing and/or Maths (can include teaching practice placements)
