WELCOME FROM OUR CEO

Thank you for taking the time to download the application pack and expressing your interest in the current Resource Base Teacher vacancy as part of the Prince Albert Community Trust.

I am a mom of five wonderful children and I passionately want the very best for each and every one of them, they are all unique individuals which means no one model suits them all. What I want for them is the same as any parent would want for their child; the very best. The best school, the best teachers, the best opportunities, the best sports coaches, the best dinner staff and the best pastoral care in order to ensure they are happy, safe and successful, today and in the future.

I have worked as a teacher and leader in numerous schools across Birmingham for the last 22 years. Being the Chief Executive Officer for The Prince Albert Community Trust is an exceptionally privileged position which enables me to strive and achieve for PACT children what I want for my own. One of our mantras is “we work this hard because we believe that our schools have to be good enough for our own children...we hope someone will work this hard for our children.”

Key to achieving our PACT vision of “enable every student to succeed at school and in life” is one of my core principles; developing people. I believe by inspiring and developing staff we will inspire and develop our students and so we work extensively to personalise the learning for all. I feel blessed to work with the children, staff, and trustees of the PACT. My role allows me to work with and for all of our schools. Having a strategic overview of their strengths and areas for development, we work tirelessly to support each other across the PACT working in true collaboration.

We actively seek and positively welcome challenge, feedback and suggestions. Please feel free to see any of our staff, myself, or our feedback section on our websites and help us on our journey. The door is always open.

Phillipa Sherlock-Lewis

OUR PHILOSOPHY

We want our school leavers to have a strong sense of purpose and for them to understand that they can benefit from society but more importantly can be a benefit to society. We want our students to be hard working, ambitious and resilient. They will understand their rights and responsibilities as British citizens and their roles in improving their neighbourhoods and communities. They will have every opportunity to develop their emotional intelligence and decision making skills. They will develop an understanding of local, national and international issues and will have an awareness and understanding of their position as global citizens.

We have a fundamental and strongly held belief that our students have the potential to achieve the highest academic standards and to compete with high achieving students locally, nationally and internationally. We want to prepare our students for the very best opportunities the world has to offer. To make this possible we nurture excellent partnerships with leading universities and businesses. The success of our schools is built on the relationships we have with our families which is based on mutual trust and an understanding that we only want the very best for our students.
