# Application Pack - Teacher of Design Technology

## Welcome - Thank you for your interest

**Big question:** 'Do you want to work in a place where staff wellbeing truly is at the heart of every decision?'

If so, then our school and the post of Teacher of Design Technology at Caroline Chisholm School may be worth considering.

Our school is a dynamic and heavily oversubscribed all-through academy which, as England's first all through state school, covers an age range from 4 to 19. The school caters for over 2100 students across our Primary phase, Secondary phase, and Sixth Form. The school has an incredibly talented and motivated staff body and a supportive, bright, and extremely well-behaved student body.

We are currently seeking someone to join our incredible team within our fully inclusive, all-through learning community. The successful candidate will be a highly motivated individual who has outstanding experience and/or potential. You will be expected to motivate and inspire students, staff and parents to develop and promote a culture that challenges students to achieve at the highest levels.

Our school was last inspected by Ofsted in May 2025. The inspection confirmed we maintained our standing as 'Good' overall, with our Early Years Foundation Stage (EYFS) remaining 'Outstanding'.

# This is the important stuff...

## ► Our Vision

Our mission is simple, yet powerful: To inspire every student through the delivery of an innovative, world-class education'. We are proud to be a beacon of excellence in our community; a place where every individual feels safe, valued, included, and glad to belong.

Being an all-through school has a number of benefits for staff, students and parents; children stay settled; staff can work together across all phases and parents can be assured with a consistent approach to their child's education. In addition, the on-site Nursery offers discounted childcare for staff working at Caroline Chisholm School.

We believe passionately in nurturing the natural curiosity of every learner. Our curriculum and wider opportunities are designed to enrich lives, fostering not just academic success, but also social development, moral integrity, and personal growth.

At the heart of our school are our CCS values that shape and resonate in everything we do. Our learners leave us as confident, resilient individuals with deep respect for others and a life-long love of learning. Our curriculum is enriched with first class opportunities for creativity, personal development and global connection designed to shape not only great scholars, but also students who are 'globally minded and future ready'.

Caroline Chisholm School is proud to be a recognised World Class School for High Performance Learning (HPL). This accreditation not only reflects our commitment to the highest educational standards but also empowers us to support and develop teachers across the region. Through collaborative networks and action-based research, we continually refine our practice to ensure that every teacher is the very best they can be... because great teaching transforms lives.

## ► Our Values

At the heart of everything we do are the values that define us: acting with kindness, learning with curiosity, and living with integrity.

**Kindness** builds a community where everyone feels safe and valued. It teaches empathy, inclusion, and respect; qualities that underpin strong relationships and positive mental health. Kindness ensures that care for others remains central to all learning and behaviour.

**Curiosity** drives a love of learning and discovery. It encourages children and young people to ask questions, think critically, and explore the world with open minds. A curious learner becomes a lifelong learner; adaptable, creative, and ready to face change.

**Integrity** means doing the right thing, even when no one is watching. It fosters honesty, trust, and accountability, the foundation for strong character and good citizenship. It unites academic learning with moral development across every age group.

Together, we will continue to create an inspiring learning environment, one where our young people enjoy exceptional teaching, supported by a 'no excuses' culture, and leave us fully prepared for life and the world of work.

# Personal message to applicants, from the Principal

It is such a huge decision to decide where and with whom you will 'do life' with during the next phase of your career. It is certainly something I have considered prior to every job I have ever considered in mine. Are these the kind of people who will support me, help me grow, empower me to become all I can be... somewhere I can give, somewhere I can effect change on the lives of young people... and importantly somewhere I can enjoy living?'

This has always been at the forefront of my mind in the schools I have led, as I believe that our greatest investment should be in our people.

Richard Branson said it best I think: "Train and equip people well enough that they can leave, treat them well enough that they don't want to." This philosophy underpins what we have termed 'The CCS People's Pledge' - our shared commitment to staff wellbeing and excellence. When we really prioritise staff wellbeing and professional growth, we create a culture where every colleague feels valued, supported, and empowered to thrive.

The reality is clear, well documented and often quoted: Workload, burnout, poor pay, lack of support, and leadership gaps are driving talented educators away. Yet schools will always exist, and children will always need great teachers and staff who support them. If we want to be part of shaping globally minded students to enable them to become future ready, something has to change, fast. That change starts with us. With us leading learning, not just managing people but trusting professional autonomy; and recognising the daily impact all staff make beyond test scores.

Teachers and Support Staff are the heartbeat of education. When they choose to leave, the entire system feels it. That's why our pledge is more than words, it's action. We commit to prioritising wellbeing, fostering belonging, championing balance, celebrating contribution, and investing in growth. Because when our staff thrive, our students flourish. It's important we do more than just talk and at CCS... we are doing exactly that!

If you feel that our school ethos fits your ambitions, I would very much like to hear from you. This position is available from September 2026.

Or if you would like to visit our school, please contact our Director of HR, Sarah Stowey ([sstowey@ccs.northants.sch.uk](mailto:ssowey@ccs.northants.sch.uk))

I look forward to exploring the future together, so please get in touch.

Kind regards

Chris Bishop
