Working for the Discovery Trust offers a supportive and enriching professional experience. The Discovery Trust is committed to fostering a culture of innovation, collaboration, and continuous learning, creating an environment where colleagues are empowered to contribute meaningfully to limitless learning.

Liz Shread
People Manager

At Discovery Trust, our mission is to ensure that all our pupils realise their potential.

Our mission starts inside every school and central department. It is reflected in our culture and is reflected by all the colleagues we work with. In the pursuit of our mission, we employ a diverse range of highly talented people to co-construct the very best places to learn, with innovative solutions to ensure that all children achieve. Discovery continually builds to creating an organisation that celebrates individuality, initiative, ownership of colleagues' responsibilities and intelligent collaboration.

Paul Stone
CEO

Discovery Trust

Discovery believe everyone should have limitless learning opportunities and places staff development and wellbeing at the centre of our strategic planning.

All colleagues are offered training opportunities, high quality professional development and ongoing feedback through carefully structured appraisal systems.

Our Apprenticeship Strategy improves year on year as new employment opportunities are created for people wanting a career in education as well as providing existing staff opportunities to start new learning journeys to gain higher work based qualifications that help them grow but have a positive impact on the organisation.

We are committed to helping our employees develop their skills and qualifications and have a fantastic track record of career progression.

Thank you for your interest in joining Millgate School's team of truly inspirational and super humans! Situated in the centre of Leicester, Millgate School has made itself 'home' to thousands of children and young people with complex learning, social, emotional and mental health needs since opening 70 years ago. Our school is full of characters and our entire curriculum and work is based on truly valuing the stories, voices and futures of our young people.

Our pastoral support is exceptional; we celebrate uniqueness and encourage children to engage in our school community.

We are determined and relentless in our pursuit of the very best outcomes for our children and put in the graft to give children the support and boundaries they need to achieve. Pivotal to our success has been the development of our staff. With countless leaders starting their teaching and leadership careers here and 25% of our teachers being former TAs, we understand that talent is our business to nurture and every person in our school has the power to transform a child's life.

Why Millgate School?

“My Story, My Voice, My Future”

We are an outstanding special school, with children from age 7-16, specialising in SEMH and Autism. Our outcomes for children with EHCPs, in terms of EHCP outcomes, academic achievement and personal growth and attendance, set us apart from school like ours nationally. We have an incredibly diverse team of specialists and professional who place the children at the centre of every decision and we work tirelessly to empower our young people.

Our curriculum is inspired by stories. Every child arrives with a story that we make it our business to get to know. Shaped by their narratives and informed by their need, our curriculum sets out an ambitious, chapter by chapter, journey. We develop children's character and learner behaviour; we ensure they thrive on content that is knowledge rich; we continually weave within this narrative opportunities for lived experiences and we ultimately prepare them to navigate their own successful futures. Often having arrived with stories that they had little control over, our curriculum is unwavering in preparing them to write their next chapters.

Be a part of the story that changes the way students see and acknowledge learning. A family intertwined with curriculum and fun.

Inclusion Lead.

The background image shows two young men standing outdoors in front of a green building with white-framed windows. The man on the left is wearing a black polo shirt and is looking towards the right. The man on the right is wearing a teal polo shirt with a school crest and the text 'Wingate School' on it; he is looking down at a smartphone he is holding. A green circular graphic is overlaid on the left side of the image, containing white text and a quote icon. There are also three yellow circular decorative elements: one at the top center, one at the bottom center, and one on the right side.

“

School leaders have ensured that children are involved in a variety of charitable schemes and volunteering opportunities. This has helped children to build their self-determination and strengthens their sense of community.

“

“Staff are dedicated and provide positive role models for children. Staff receive good quality training that equips them with the skills to meet children’s individual needs. Staff morale is high, and there are several long-standing staff who have worked in the provision for many years. This provides children with continuity of care.”

Our vision

Regardless of your role within Discovery, we are working for something bigger.

Everything we do is to ensure that children and the colleagues we work with realise their potential and experience limitless learning opportunities.

Discovery Trust aspires to achieve excellence in all areas of work. The children and families we work with have confidence in the teachers and leaders of the Trust who act with integrity and demonstrate respect for individual needs. Discovery aspires for all our schools to become sustainable and inclusive, driven by a passion for working in partnership with all stakeholders.

Our values

Our values matter.

They drive what we do and underpin every action we take. Our values are not just words. They support our purpose and help us function together as one and shape the way we behave.

We use these values to work as a highly productive partnership across diverse schools and service departments. We expect schools to develop a localised set of values to ensure their community is engaged and successful.

“Respect is what binds us together as a community. Teaching understanding of how fundamental it is to be respectful of one and other all in our diverse communities will mean that we can all live in the society we would wish for.”

Jane Pinborough, HLTA Kibworth CofE Primary School

“Discovery Trust afford me the scope and flexibility to explore sustainable options and I have the full backing of the Senior Leadership Team. My ideas are heard and challenged but ultimately met with positivity.”
