## A message from Emma Clapham, Principal

I take great pleasure in welcoming you to Hele's School! We are a school with a tradition of academic excellence, high aspirations and a big heart. A school that students and staff are proud to attend. A school where we never compromise our insistence that everyone is valued, learns, enjoys and achieves. Expectations for staff and students are unapologetically high, and very simple; be kind and work hard, both to do things right and to do the right thing...*even when no one is looking!*

Our mission is to support and challenge everyone, adult or child, to continually get better. We have a 'no excuses' philosophy which reinforces our belief that all of us can improve, and nothing is impossible. Quite simply, it isn't about being 'the best' at something, as being 'the best' is temporary. Instead, we seek to ensure we get better each day – that's permanent growth and ensures we never stop aspiring. It is for this reason that recognising and celebrating endeavour, as well as achievement, is something we hold dear, for staff and students alike.

We work hard at providing an inclusive, calm, and purposeful learning environment, with students committed to excellence, and aim to ensure all students have opportunities to enrich their learning and discover new skills and interests through a breadth of curricular and extra-curricular opportunities to excite and engage young people. In short, we are what we believe school should be.

Having been a Senior Leader at Hele's for the past decade, I am extremely proud to now lead the dedicated and enthusiastic team of staff who are passionate about working with young people and are committed to ensuring that those entrusted in our care get the best life chances possible. Everything we do is shaped by our determination to ensure that each and every child has a positive and memorable experience of school and leaves with every opportunity open to them to ensure they can choose their path through life. We look to shape young people who thrive, flourish and, crucially, are happy.

In terms of curriculum, we offer a traditional and broad offer across Key Stages 3, 4 and 5. We focus on opportunities to develop teaching and learning at every turn and, importantly, teachers at Hele's have a resolve to be the best they can be in the classroom. Our extended pastoral team ensure our core purpose to keep children safe and remove barriers to learning is fulfilled so that young people can be inspired, can aspire and can achieve. In return we expect a buy in to our belief that we all have an active role to play in making our school a great place to be, which manifests itself in every child displaying the highest standards of commitment to learning, pride and care.

Hele's is a community committed to personal and professional growth of all, with dedicated staff, supportive families and committed students. I have no doubt that the right candidate will be happy, supported and fulfilled being part of Team Hele's and will take great pride in what we can achieve together for our community and for each other. I do hope you are inspired to apply for this post, and I look forward to reading your application.

Thank you in advance for the time and emotional investment that I know you will commit to this process.

With very best wishes,

Emma Clapham  
Principal

# About Hele's School

Hele's School is a larger than average 11-18 comprehensive school in Plympton, Plymouth. Plympton sits at the northeastern edge of the city, bordering the South Hams area of outstanding natural beauty.

The school makes use of the closeness of Devon's countryside and moors and Plymouth's waterfront with a thriving Cadet Corps and Duke of Edinburgh Scheme. Our Combined Cadet Force (CCF), incorporating Army, Royal Navy and Royal Air Force corps, is one of our unique selling points, providing a visible presence both in the school and the wider community and opening countless opportunities for our students around leadership, teamwork and personal presentation, outdoor pursuits, to name just a few.

In recent years, the Pupil Admission Number has increased to 240 in each year group and a period of capital investment to meet this growth is being planned. There are 1350 students in the school, which includes a thriving Sixth Form of 210, based in specialist accommodation.

Hele's has a proud and long history as a caring school with a strong reputation for excellence and providing opportunity. It enjoys the support of an active parent body, who share our determination to provide the highest quality of education and pastoral care for their children. Students' attitudes to learning are good; they are well behaved, and attendance and punctuality are excellent. In short, the young people entrusted to our care want to learn and are delightful to teach.

Our pastoral system is organised around year groups with an 8-form entry and leadership from a teaching Head of Year and a non-teaching Pastoral Support Manager for each year group. There is a 30-minute tutor period each morning with a Guided Reading Programme and a strong programme of Personal Development in this time, supported by weekly assemblies. The pastoral leadership team and tutors remain with the tutor group and take them through from Year 8 to Year 11 so that the relationship between tutor and students is deep and sustained, and family connections with school become trusted and embedded. Year 7 remains as a separate year team of specialist tutors and Head of Year so that we can ensure an exceptional start to secondary school for every child.

Post-16 has a mix of Year 12 and Year 13 students in each Tutor group. We use every opportunity to harness the expertise and interest of our Post-16 learners to act as leaders and mentors to younger students in all manner of ways, including having a visible Junior Leadership Team (JLT) to act as an important conduit for student voice and school improvement.

An excellent professional body of teachers and a hardworking and effective team of associate staff is a hallmark of the school and Hele's is fully staffed in all areas with specialist teachers. Middle Leaders form an active and effective Joint Leadership Group (JLG) with Senior Leaders, and the JLG is the driving force behind school improvement.

The curriculum structure is currently based around a 2-year KS4, with GCSE options ordinarily taken in the spring term of Year 9. We operate a 2-week timetable with 50 lessons a fortnight, each of 1-hour duration. The school day runs from 8.40am to 3.10pm, allowing plenty of time for the well-developed and rich extra-curricular provision, which includes a mix of academic, sporting, performance and personal development opportunities, as well as a newly-implemented Guided Reading Programme that runs for all year groups (except for Year 11 and Year, which have an intervention programme) in Tutor time.

Hele's plays its part fully in the Westcountry Schools Trust, in Plymouth and beyond; the Principal has a passion and commitment for Hele's to be outward-facing, and the school and trust regularly contribute to national, regional and city-wide initiatives on a range of fronts, maintaining a strong relationship with the Local Authority, the Regional Directors, and other organisations across the country.

## History of Hele's School

Elize Hele was born in Brixton in about 1560 and although he lived most of his life at Fardell, Cornwood, on the outskirts of Plympton, his final resting place is in St Andrew's Chapel in Exeter Cathedral. Having no heirs, Elize left his wealth to be used for "pious uses". A number of schools in the South West were founded out of his estate by his trustees, including the grammar school at Plympton, which was, until its temporary closure at the end of last century, known as Hele's School, Plympton.

The old grammar school building, which still stands in Plympton St. Maurice, was completed in 1671. Next to it stood the Schoolmaster's house in which Sir Joshua Reynolds was born. It is a surprising fact that the old grammar school produced four distinguished artists: Sir Joshua Reynolds, the first President of the Royal Academy; James Northcote; Benjamin Haydon and Sir Charles Eastlake, President of the Royal Academy and the first Director of the National Gallery.

The school faced many difficulties in the latter part of the nineteenth century and was eventually forced to close in 1903, before it was reconstituted by Devon County Council as a co-educational grammar school in 1921 called Plympton Grammar. The school grew and prospered and moved to its present site on Seymour Road in 1937.

New extensions were opened from 1970, and in 1983 refurbishment took place in preparation for reorganisation into an 11 – 18 mixed comprehensive school and it reverted to its old name of Hele's School.

In the decade from 2000, Hele's benefited from three specialisms - Languages, Maths & Computing and Applied Learning - and enjoyed national acclaim as a Language College. This strength continues, despite the change to national policy and the subsequent removal of funding, and international links and internationalism remain important.

The school became a Converter Academy in April 2011 and operated as a Stand-Alone Academy Trust for the following 7 years. In September 2018, Hele's joined a Multi Academy Trust, the Westcountry Schools Trust (WeST), which it played a key part in co-constructing.

## Stronger Together

A now 31-strong cross-phase MAT of 23 Primaries, 8 Secondaries, plus an Adult Training Provider, the Westcountry Schools Trust is geographically tight but spans Devon, Plymouth and Cornwall. With the strength of collaboration and ambition, the capacity for shared school improvement, leadership development and collaboration is limitless. The WeST aspiration of *'Every child in a great school'* sits well with the Hele's vision (and vice-versa) and the strap line *'Stronger together'* articulates our shared ambition to ensure that this aspiration becomes a reality.

There remains a strong commitment, professionalism and moral imperative amongst the Hele's staff and Local Governing Body to ensure we provide the young people in our care with an educational and pastoral support experience that is first class in every aspect. This is very much supported by the WeST Trust Board and strategic direction of the MAT. We have a burning ambition and determination to put Hele's firmly on the map locally, regionally and nationally and to be recognised as an outward-facing, aspirational and collegiate centre of excellence, which remains committed to continuous improvement.
