WELCOME FROM OUR HEADTEACHER

Dear Applicant,

Thank you for your interest in working at the Saint John Henry Newman School. I hope you find this information pack a useful introduction to our school. We are delighted that you see our school as a place where you can make an impact.

We are a Roman Catholic Comprehensive School for students aged between 11-18, with high ambitions and expectations for all. During their time at the school, we want all students to develop their passions and interests to enable them to make the most of their God-given talents.

We combine high expectations with effective working relationships between students and staff. This is underpinned by the caring and nurturing approach of our teachers, which provides a strong foundation for academic excellence and personal development, ensuring our students can thrive with happiness and confidence.

The Saint John Henry Newman Catholic School is at the heart of the community. We work hard to ensure that strong links are maintained with our local primary schools and parishes, so our students can fully understand their role within society.

Thank you for your interest in The Saint John Henry Newman School. My colleagues and I look forward to reviewing your application.

Yours faithfully,

David Carrasco-Morley

Headteacher

INTRODUCTION OF OUR SCHOOL

The Saint John Henry Newman Catholic School serves the North Hertfordshire Catholic community, with its catchment extending into Bedfordshire, East Hertfordshire and parts of Cambridgeshire. Originally a sixform entry school, the intake was increased to 210 in 1999 and expanded to eightform entry in September 2015. There is a high retention rate in the Sixth Form and many students apply to join our Sixth Form from other establishments. Consequently, the School has grown in size from 830 in 1993 to approximately 1,621 students, including 410 students in the Sixth Form (as of September 2025). The School became an academy as part of the Diocese of Westminster Academy Trust in 2012 and has benefitted from considerable investment in its buildings, including a £3.5 million Sports and Performing Arts block (The Pavilion).

A major refurbishment of the school estate was completed in November 2023, with all blocks now open and fully operational. The development has provided new teaching accommodation, a dedicated Sixth Form suite, additional computer rooms and

significant improvements to the Library, Dining and Hall facilities. The new main block, known as the Mathew Block, was formally opened in January 2024. The redevelopment has transformed the school environment and enhanced facilities for both students and staff.

Our Mission Statement emphasises the practical nature of our religious character. We seek to offer a living Christian experience as a community in which each pupil is valued as an individual and is encouraged to achieve success in school life.

Our Chapel is a central part of school life, but it is in the daytoday operation of school life that the School sees its aims being fulfilled. We want students to enjoy the experience of being part of The Saint John Henry Newman Catholic School community, to gain in selfconfidence and to become young adults instilled with a sense of personal responsibility, social commitment and, hopefully, an awareness of their own distinctive spirituality. We want them to be equipped to change their world.

The pupil population is mostly Catholic and the School is heavily oversubscribed Although not all staff are Catholic (teaching staff 45.9% are Catholics), all maintain and support the distinctive Catholic nature of the School and support the Headteacher in

implementing the School Mission Statement. There are presently 90 members of teaching staff and a generous complement of support, technical, clerical and maintenance staff.

In Years 7 to 9 students follow a broad and balanced curriculum based on the National Curriculum. Students in Years 10 and 11 follow a core curriculum of English, Maths, Science and RE with three subject choices. At Key Stage 4 we encourage students to follow the EBacc where appropriate, and we offer a wide range of GCSEs. The creative subjects (Art, Drama, Dance and Music) are very popular options. We also offer a range of vocational courses for students for whom this is appropriate.

Our current provision offers vocational courses in Child Development, Catering and Sport. We have a large Sixth Form of approximately 410 students and there is a very wide range of Alevel provision. Advanced vocational courses are also offered in Art and Design, Production Arts, Digital Music Production, Music Performance, Applied Science, Sport and Health and Social Care.

The School has an excellent academic reputation. In recent years students have achieved strong GCSE and Alevel outcomes, with pass rates and high grades well above national averages. The pass rate for vocational courses has consistently been high. We are, however, conscious that we have the capacity to improve further and we are determined to do this on behalf of our students. Exam results, important though they are for opening doors in the future, do not alone determine success and happiness.

Therefore, we have a strong enrichment and wellbeing programme that encompasses every student and a comprehensive careers curriculum. We have been awarded the Kitemark for emotional health and wellbeing for our work supporting students, their families and staff.

The number of students entitled to free school meals is relatively low (7%) with 7.4% of students receiving Pupil Premium. The ethnic composition of the School's population reflects the community it serves. It is predominantly White British but with significant proportions of ethnic minority students, reflecting the Church's worldwide mission and the growing number of new migrants employed primarily in health care and scientific research. Attendance is above the national average with very low unauthorised absence figures.

A Diocesan Section 48 inspection in January 2026 concluded that we are an "Outstanding Catholic School".

The most recent Ofsted Short Inspection in July 2024 confirmed that the School continues to be judged Good, with inspectors noting that pupils are proud of their school, confident, courteous and eager to learn. Classrooms were described as calm and purposeful, relationships between staff and students are strong, and there is a tangible sense of community. Inspectors indicated that the evidence suggests the school could be judged Outstanding if inspected under the full graded framework.

We are looking to appoint individuals who will enjoy being part of this distinctive community and who will contribute to it by sharing their individual talents, character and commitment and, hopefully, sense of humour.

The Saint John Henry Newman School is committed to safeguarding and promoting the welfare of children and young people. All appointments are subject to a satisfactory enhanced DBS check.

We operate at a very human level and recognise that it is our good and caring staff who sustain and develop our school. Our challenge is to maintain high quality provision, continue to improve, and above all honour the promise we make to every parent who chooses to send their child to our School: that each child will be recognised and valued for who they are and offered excellent learning opportunities in a safe, caring and inspirational environment.

OUR CATHOLIC LIFE

*O Lord and Saviour, in your arms I am safe.
Keep me and I have nothing to fear.
I know nothing about the future, but I rely upon you.
I leave it all to you, because you know and I do not.
Help me to know you,
to believe in you,
to love you,
to serve you,
to always aim at bringing you glory,
to live to you and for you,
and to set a good example to all around me.
Amen.*

The Catholic life of our school community continues to be at the core of everything that we do and to be the reason why our school exists. Our Students shine in every aspect of their lives; they are spiritual, powerful, creative and individual, each one of them inspired by God and talented beyond our comprehension and their own expectations. This is their time to discover who they are and what they could become, and our belief is that they could become anything that they wish to be - the page is blank. That is not to say that we have unrealistic expectations or aspirations for them, but it is to say that we believe that God's plans for them far exceed anything that they can imagine for themselves at this young age.

We believe that each child has his or her unique set of talents - these talents have been entrusted to him or her to be nurtured, developed and multiplied - not to be buried and forgotten. Each child must be given the time and support to become the person that God intended him or her to be. We believe in the need for developing selfrespect - valuing our own identity and uniqueness and taking pride in ourselves and our achievements - learning to love ourselves as the person God created us to be.

A great challenge to which we aspire every day...
