Our shared Trust mission of delivering excellence to ensure our young people can thrive and prosper is at the heart of everything we do.

Our trustees fulfil their duties through our Trust Leadership Team, which includes our central team and school leadership teams, working together as one unified organisation with joint accountability. We have an established central team that is not only knowledgeable but also driven by an imperative to deliver the very best for the young people in our care.

- We encourage and celebrate the individual characteristics of each of our schools and provide them with a good balance of autonomy central oversight and accountability.

Our Values

At the heart of our Trust are five core values that shape our culture and guide every aspect of our work. They influence our interactions, decisions and strategic direction, and they unite our school communities.

I aspire, we achieve

We're curious, creative and bold

A family, not a house share

Comfortable being candid

Humour, humility, humanity

“

ALT has put a lot of work into developing genuine shared values which you can see starting to come through all the schools. This feels very powerful. Despite the geographical distance between schools, there is real sense of the greater good with school leaders constantly supporting one another where needed. It is a particular privilege in my role to be able to identify and spread excellent classroom practice from school to school. People in this Trust are happy, and there is a widespread feeling of exciting times ahead.

Lisa Corby
Academy Improvement Lead

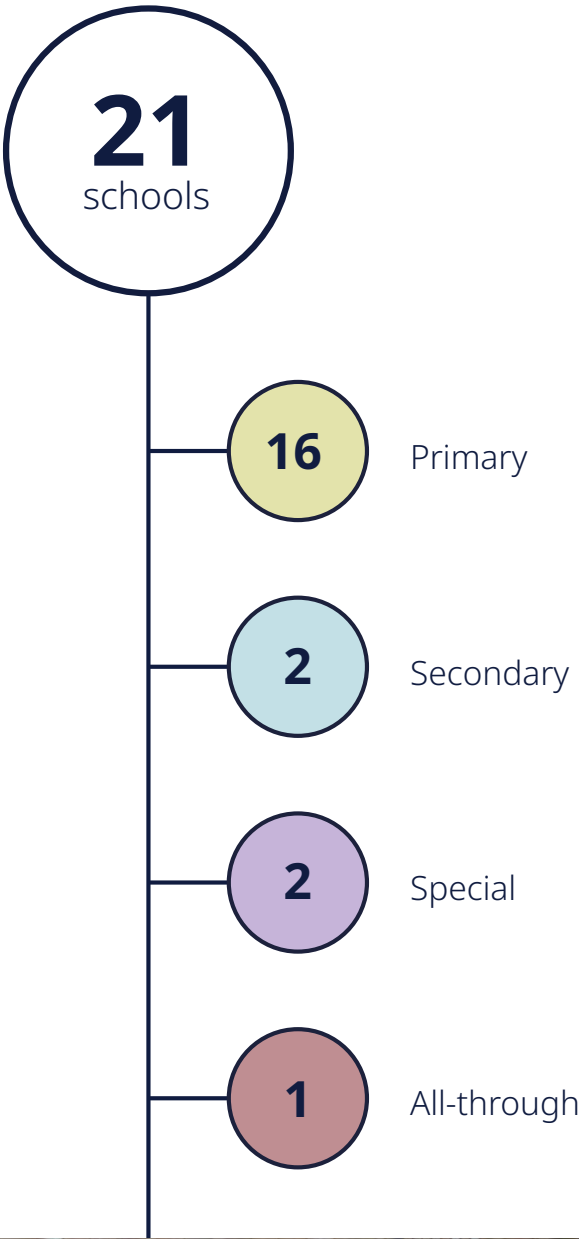

Our Schools

Active Learning Trust encompasses 21 schools across East Anglia – eight in Cambridgeshire, 12 in Suffolk and two in Norfolk.

Our schools fall naturally into three designated geographical sub-regions – Ipswich, Norfolk & North Suffolk, and mid Cambridgeshire. This allows the Trust to apply ‘hub’ level school-to-school support and collaborative working along with other mutually supportive arrangements. The synergy this creates has become a key way of working for our teams and continues to develop further over time.
