

**GREYFRIARS**  
CATHOLIC SCHOOL

**Art/ DT/ PE Technician**

## **Art/ DT / PE Technician**

Thank you for your interest in the role of Art, Design Technology and Physical Education Technician at Greyfriars Catholic School, part of The Pope Francis Multi Academy Company (PFMAC) within the Archdiocese of Birmingham.

We are seeking an organised, proactive and creative individual to join our school community and play a vital role in supporting the learning, wellbeing and life chances of the young people we serve. The bulk of this role would be in Art and Design, with a smaller proportion of time in supporting the organisation of PE equipment.

This is an exciting time to join Greyfriars. With new leadership across the school and a renewed, ambitious approach to curriculum provision, we are in a period of positive and purposeful change. This role offers genuine opportunity to be part of that journey — contributing to something meaningful and helping to improve experiences, engagement and outcomes for our students.

At Greyfriars, we recognise the essential contribution that practical, creative and physical subjects make to a young person's education. Art, Design Technology and Physical Education allow students to express themselves, develop confidence, build resilience and experience success in diverse and tangible ways. The technician role is therefore central to the daily life of the school, ensuring learning spaces are safe, well-resourced and inspiring, and that students can fully access high-quality practical experiences.

Our vision is clear: we are a Catholic school that champions each and every student so they can flourish individually and collectively. We champion students by teaching them well, supporting them carefully, and holding them to high expectations rooted in dignity and compassion. We believe that working hard and being kind enables students to feel both personally and academically successful.

In this role, you will be a valued member of our wider staff team — supporting teachers, enabling learning and helping students to thrive through creativity, craftsmanship and physical activity. Your work will make a visible and lasting difference to young people's confidence, engagement and enjoyment of school.

Please do not hesitate to contact us should you wish to seek further information. I would be delighted to personally show you around our wonderful school and discuss this role in more detail.

Yours faithfully

Ms Lyndsey Caldwell

Headteacher

## Application Details

We hope you are interested in this exciting opportunity and would like to submit an application form.

To apply for the post of **Art / DT / PE Technician** please -

- Fully complete the CES application form, ensuring all details are accurate and all declarations are signed. Please ensure you include details of two professional referees with one being your current employer (with email addresses).

For further information, please contact the School Business Manager, Sophie Upellini, [s.upellini@gfcs.uk](mailto:s.upellini@gfcs.uk) Tel: **01865 749933**

### **Application submission: 3 July 2026 by 5pm**

*We reserve the right to close this advertisement early if we receive a high volume of suitable applications.*

**Interview date: TBC**

**Job start: 01/09/26**

As we are a Catholic school, applicants must complete the CES application form in order to be considered for an interview. There is no requirement to be Catholic in order to be successful at an interview and we are committed to equal opportunities as an employer.

To comply with the Asylum and Immigration Act 1998 (as amended by S147 of the Nationality and Immigration and Asylum Act 2002) all prospective employees will be required to supply evidence of eligibility to work in the UK.

Greyfriars Catholic School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful applicant for any position will be required to undertake an enhanced disclosure via the DBS (disclosure and barring system) and appropriate Right to Work clearances and our recruitment and selection practices.

**25 Hours per week - Term Time Only**

## Roles and Responsibilities

The job description below gives an insight into the responsibilities of the post of Art / DT / PE Technician and, while this is not an exhaustive list, it should allow candidates to have an understanding of what this role entails, and what the successful candidate will be held accountable for. The person specification provides an indication of the skills and experience that we are seeking.

## Overview

The Pope Francis Catholic Multi Academy Company (PFMAC) is a family of Catholic schools in Oxfordshire, who work together to promote the teaching of the Catholic faith.

PFMAC comprises nine Catholic primary schools and two Catholic secondary schools and is an integral part of the Catholic Archdiocese of Birmingham ensuring that the Church's educative mission is fulfilled.

We believe each person is a unique creation made in the image of and likeness of God, called by name, with a special vocation and gifts to bring to the world. We seek to develop these talents in each individual by being a beacon for Catholic education in Oxfordshire. We are a diverse, multi-faith and non-faith school and we offer this Catholic mission to all faiths and none.

## Core Purpose

- To assist with the preparation of materials for lessons (PE, Technology and Art) and monitor the stock control for these areas.
- To be responsible for the day to day running of machinery sited within the Design and Technology (D & T) rooms.
- Provide technical support to teaching staff planned in advance and when requested by The Arts or Technology departments.
- To provide learning and student support as and when required during technology (Resistant Materials and Food) and Art
- To undertake a practical and administrative Health & Safety role for the The Arts or Technology departments.
- Provide technical and administrative support for teaching staff to support teaching and learning within Health and Safety guidelines.
- Prepare, maintain and set out equipment to support teaching staff in undertaking demonstrations and experiments and to manage the safe acquisition, storage and disposal of equipment used in the delivery of the curriculum under the direction of the Head of DT.

- Prepare and assemble teaching resources and equipment to support the curriculum (Technology and Art) and enable students to use them effectively in practical lessons and examinations.
- Establish responsibility for the safe storage and disposal of equipment and materials in accordance with the relevant safety regulations, guidelines and school procedures.
- Closely monitor and check equipment is in proper working order and is clean and safe to ensure students are working in a safe learning environment in accordance with Health and Safety Regulations e.g. COSHH (control of substances hazardous to health)
- Keeping records & measurements of hazardous substances, updating annual Health and Safety records, and updating annual risk assessments across the Technology and Art departments.
- Undertake regular risk assessments to identify any potential hazards and ensure that all areas are kept safe in accordance with Health and Safety Regulations.
- Monitor stock levels through regular stocktaking and inventory checks, and make purchases in accordance with levels of authorisation and budgetary control
- Develop skills through training and ensure knowledge remains up to date and relevant
- Assist with the daily laundry needs of the food room when required.
- To assist the Head of PE with storing and keeping the PE equipment in a good working order
- To assist the Head of PE with organising servicing of equipment and safety compliance
- To undertake any other tasks that are reasonably requested

#### **Skills, Development and Competencies**

- Certified in Health and Safety training in D & T Core and Workshop practice (this could be training provided once employed).
- Ability to plan and prioritise a range of regular and irregular tasks within specific deadlines.
- Ability to work on own initiative as well as part of a team.
- Good oral and written communication skills.
- Ability to follow strict Health and Safety Regulations.
- Good ICT, Graphics, Carpentry, Metal Work, 2D and 3D Modelling, CAD, Drawing and Drafting Skills, Food hygiene and ingredient preparing.
- Good knowledge of Google Suite (training can be provided).
- Ability to research and analyse tasks and demonstrate how best they may be achieved.
- Development of experience of working with young people in a learning environment.
- Support and CPD training will be provided

#### **Other**

- Any other duties commensurate with the role as directed by the Head of DT
- Complete statutory break / lunch duties as requested by the School Leaders.
- Deliver an extracurricular club once a week.
- Fulfil the role of learning mentor if requested by the School Leaders.

#### **Accountable to**

- Head of Art Design and Technology DT and Head of PE

Greyfriars Catholic School expects its employees to work flexibly with the framework of the duties and responsibilities above. This means that the post holder may be expected to carry out work that is not specified in the job profile but which is within the remit of the duties and responsibilities.
