# 01. Welcome from the CEO

## Welcome from the Chief Executive

Thank you for your interest in joining Academy Transformation Trust. Choosing the right next step in your career is an important decision, and I am delighted that you are considering doing so with us.

At ATT we are driven by a simple but profound belief: every child can and should become capable, competent, and confident. Our purpose is to transform lives through education, and our strategy, ATT2030, sets out how we will achieve this for every pupil, every colleague, and every community we serve.

We know that people are at the heart of everything we do. Our trust thrives because of the talent, dedication, and values of our colleagues. If you choose to join us, you will become part of a high-trust, high-accountability organisation where principals are empowered to lead, colleagues are supported to grow, and everyone is united in the moral purpose of education.

We are ambitious for our pupils and ambitious for our people. Across the trust you will find a culture of collaboration, professional excellence, and deep care for one another. We celebrate hard work, integrity, and teamwork, and we create opportunities for everyone to flourish.

I wish you every success with your application. Whether or not you go on to join us, I hope you will recognise that ATT is a community committed to excellence, to belonging and becoming, and to ensuring that all of us – pupils and adults alike – leave more capable, more competent, and more confident than when we arrived.

With best wishes,

**Mark McCourt**  
*Chief Executive Officer*

## 02. About Academy Transformation Trust

### About Academy Transformation Trust

At Academy Transformation Trust (ATT), our ambition is that every person who passes through our schools and colleges becomes an educated person – able to take a rightful place in the community of educated people and to join what Robert Maynard Hutchins called “the Great Conversation.” An ATT education stresses history, the scientific mode of thinking, the disciplined use of language, a wide-ranging knowledge of the arts and religion, and the continuity of human enterprise. We aspire for everyone, regardless of their starting point, to leave us capable, competent, and confident.

### Our Values

ATT2030 sets a values-driven culture that is explicit about how we work and lead:

- **Belonging & Becoming:** we meet each child where they are and refuse to leave them there – giving them both roots and wings.
- **Integrity & Excellence:** we act ethically, celebrate excellence, and pursue high standards in all that we do.
- **High Trust, High Accountability:** decision-making sits close to pupils and communities; principals are trusted as strategic leaders; the central team acts as expert partner; accountability is professional, dialogic, and focused on learning and improvement.

### Our Three Goals

Everything in ATT2030 is organised around three interlinked goals that describe the kind of people – pupils and adults – we are forming:

- **Capable:** equipped with the knowledge, skills, and emotional readiness to perform to a high standard, adapt to change, and contribute meaningfully.
- **Competent:** possessing the knowledge, habits, and judgement to get things done – well, reliably, and independently – handling setbacks and making steady progress.
- **Confident:** feeling safe, happy, and known – secure enough to take risks, speak up, and grow with purpose and integrity.

## Our Nine Aims (by 2030)

These goals translate into nine aims that define success for ATT by 2030:

### Capable

1. Professional Excellence – skilled professionals delivering consistently high standards.
2. Fluent Learners and Thinkers – confident, curious learners fluent in communication and technology.
3. Multiple Pathways to Success – diverse routes that recognise varied talents and passions.

### Competent

4. Purposeful, Knowledge-Rich Learning – rigorous, meaningful learning that enriches lives.
5. Unwavering Focus – purposeful use of time and energy on what matters most.
6. Strength Through Challenge – resilience built by tackling challenge and learning from it.

### Confident

7. Valued and Empowered Individuals – everyone known, valued, and supported to be their best.
8. Leading with Integrity, Celebrating Excellence – values-led leadership and cultures that recognise excellence.
9. Moments That Shape Us – deliberate rites of passage and significant experiences that foster growth and self-discovery.

## Our Approach to Working Together

We are building a high-trust, high-accountability organisation. Principals are empowered as strategic leaders of their academies; the central team provides expert challenge, support, tools, and evidence; accountability is reframed as professional dialogue aimed at continuous improvement, not blame. This is how we ensure that every child leaves us capable, competent, and confident.
