Class Teacher (KS1)

Full-time and Permanent

Main Scale 1 – 6 / UPS 1 – 3

With TLR 2A for English Lead

We are seeking an enthusiastic and motivated KS1 Class Teacher to take on a TLR with strategic responsibility for English across the school, starting in Autumn 2026.

At Northfield Road, we are on an exciting journey of improvement, recently achieving the 'Expected Standard' in all areas of our Ofsted inspection and are committed to providing a supportive, inclusive, and inspiring learning environment for all our pupils.

We are looking for a teacher who is not only passionate about English, but who is driven by the belief that every child can become a confident reader, writer and communicator. You will be someone who is curious, reflective, and ambitious.

This role would suit someone ready to step into leadership or an existing leader looking to deepen their impact. You will join a supportive and forward-thinking leadership team, where professional dialogue, high expectations, and a shared moral purpose are at the center of what we do.

We need a leader who can inspire others through clarity, credibility and example – someone who can bring energy and direction to English across the school, while supporting colleagues with care and challenge in equal measure. You will have a strong understanding of how children learn to read and write, and the ability to translate this into consistently high-quality classroom practice.

As English Lead, you will:

- Champion a love of reading, writing and language across the school, ensuring that English is a strength and a driver of wider curriculum success
- Lead the development of a coherent, ambitious English curriculum that builds strong foundations in early reading (including phonics), writing and oracy
- Use evidence-informed practice, to refine teaching approaches and secure strong outcomes for all pupils, particularly those who need it most
- Work alongside colleagues to develop practice through coaching, modelling and professional development, creating a culture of continual improvement
- Monitor and evaluate the impact of English provision with precision, using assessment intelligently to identify trends, close gaps and inform next steps

This is a fantastic opportunity for a teacher who is passionate about helping children achieve their full potential and who is eager to contribute to the wider life of the school.

We believe that every child is capable of success and happiness, and our dedicated staff go above and beyond—every single day—to ensure each child feels supported, inspired, and empowered to thrive. Through a broad and engaging curriculum, a rich variety of extracurricular activities, and strong pastoral care, we strive to create the conditions for our pupils to become confident, compassionate, and resilient individuals by teaching them that we are, '**caring together, linked together, stronger together**'.

Our staff are the heart of our success—a committed, enthusiastic, and supportive team who work collaboratively to provide the highest quality education. We are deeply invested in staff development, offering meaningful professional growth opportunities while also prioritising wellbeing and reflective practice.

ABOUT STOUR VALE ACADEMY TRUST

Our multi-academy trust was founded in 2017 and developed from collaboration between schools, the significant positive impact of which convinced three schools, two secondary and one primary, that together we would have much greater capacity to continuously improve. Over time, Stour Vale has steadily grown. We began as a cross-phase multi-academy trust and as we have grown, both secondary and primary schools have joined us. There are currently thirteen member schools, six primary, one junior, one infant with day nursery and five secondaries.

As a successful family of schools, delivering high-quality education for the communities we serve, Stour Vale values its diversity. Each school brings their own distinct character, community, history and identity. We celebrate the uniqueness of member schools, recognising that there is a great deal to learn from education in different contexts. This is also the reason why we remain outward-looking, committed to learning from research and excellent practice across the education system.

OUR VISION AND VALUES

Stour Vale Academy Trust holds children and young people at the heart of all that we do. We recognise that as a multi-academy trust we exist in order to advance education for the public good. Our mission, therefore, is to improve life opportunities for children and young people by both providing the best possible education and care to pupils in Stour Vale member schools and by having a positive impact across the wider education system. Our values are encapsulated in four words:

OUR VALUES

INTEGRITY

By always acting with integrity we will deploy our resources appropriately to provide the very best education and care for pupils. This approach will enable us to recruit and retain the best staff who share our values.

We recognise our responsibility to support and challenge member schools to have a positive impact on the lives of children and young people, our communities and the wider educational system.

RESPECT

We are committed to treating everyone with respect and promoting equality.

Stour Vale member schools are safe and inclusive schools. We value and celebrate the diversity of pupils, colleagues and the communities we serve. We believe that developing pupils' character and their own commitment to treating others with respect must sit alongside the pursuit of academic excellence.

COLLABORATION

Stour Vale Academy Trust exists because we believe that effective collaboration has a positive impact on the life opportunities of children and young people.

We believe that working collaboratively together we have much greater capacity to realise continuous improvement in all member schools. Therefore, we seek to actively promote positive, impactful collaboration, most often with school-based staff taking the lead.

EXCELLENCE

We are committed to constantly pursuing excellence and improving all aspects of our work as a trust.

Excellence in teaching and learning, curriculum and character development is our primary focus. This will be achieved by realising our ambition to provide top-level professional learning for all colleagues, developing leadership in every role and providing exceptional back-office services such as HR and finance.

SVAT.ORG.UK

We describe our shared approach to school improvement as 'secure autonomy'. Headteachers, with school leadership teams and staff, have an autonomy to lead school improvement in their own schools, responsively and in collaboration with others within and beyond our trust. We believe that this approach enables us to grow, attract and retain excellent school leaders and to develop the most innovative and impactful school improvement strategies. We recognise that this autonomy must be secured within the structure of the multi-academy trust, and our model of challenge and support for impact, underpinned by our shared values, ensures sustained school improvement and a sharp focus on outcomes for pupils. This in turn realises our ambition that **Stour Vale** member schools will ***create the difference together.***
