

ASSISTANT PRINCIPAL/DIRECTOR OF LEARNING AND STANDARDS - MATHS CANDIDATE PACK

**Central Region
Schools Trust**

Founded by the RSA

Principal's Welcome

We are seeking to appoint a Assistant Principal/Director of Learning and Standards - maths at Gospel Oak School who is aligned with our mission to support social justice through exceptional schools, our values and Our Distinctive Culture. You must have a passion for working in challenging circumstances, in an area of high deprivation and be keen to improve the life chances of all the students.

This role offers an excellent career opportunity for a proven, successful middle leader who is ready to progress to a senior leadership role and continue their professional passion for maths.

Further information about the school can be found on our website. We are a rapidly improving school and Ofsted stated that 'Pupils and staff agree that Gospel Oak School is a school that is transformed. Pupils behave well. It is a calm place, where pupils feel safe. Relationships between staff and pupils are warm. Pupils' attendance is strong. Pupils welcome the changes to their school. They are proud that they have been a part of that change by meeting the school's expectations, developing positive attitudes and treating each other with respect.' (October 2025).

Stephen Brownlow
Executive Principal

ADVERT

Advert

Salary: L11-15

Hours: Full Time

Start Date: 1st September 2026

Whole School Leadership responsibilities

- Whole school leadership responsibilities for the post will be decided with regard to the school's needs and the appointed candidate's skills and experiences.

Director of Learning and Standards responsibilities

Assistant Principal - Job Description

All Assistant Principals play a critical role in the life of the school. They inspire confidence in those around them and work with others to create a shared strategic vision which motivates students and staff. They take the lead in enhancing standards of teaching and learning and value enthusiasm and innovation in others. They have the confidence and ability to make management and organisational decisions and ensure equity, access and entitlement to learning.

Line managed by: Vice Principal

Departments to Line Manage - maths

Leading Strategically

Creating and delivering a shared, corporate strategic vision, which motivates and inspires students, staff, governors and all members of the school community is critical to school leadership. The vision should be underpinned by shared values, moral purpose and principles of sustainability. It should drive the strategic plan and subsequent actions to secure continuous school improvement and quality outcomes for all students.

Knowledge and understanding of:

- developments in education at local, national and global levels
- models of effective leadership and organisational structures
- new technologies and their potential impact
- strategic planning processes, tools and techniques
- ways of achieving stakeholder and community engagement
- leading change, creativity and innovation
- ways of achieving social inclusion, diversity and access

Assistant Principal/Director of Learning and Standards - maths Candidate Pack

Skills:

- think strategically, analytically and creatively
- build capacity and achieve sustainability
- deal with complexity and uncertainty
- build a vision and communicate clear purpose and sense of direction
- model the vision and values of the school
- anticipate, lead & manage change
- use research to support and challenge practice
- inspire, challenge, motivate & empower others to attain challenging outcomes
- work strategically with governing body
- celebrate achievement and acknowledge excellence
- demonstrate political acumen

Leading Teaching and Learning

With the whole school workforce, school leaders play a central role in raising standards of teaching and learning. School leaders have a responsibility to set high expectations, create the conditions for effective teaching and learning to flourish and to evaluate the effectiveness of learning outcomes. Leaders acknowledge the high status, value and importance of teaching and learning and in creating a learning culture which enables students to become effective, enthusiastic and independent, life-long learners.

Knowledge and understanding of:

- curriculum design and management
- principles of quality learning, teaching and assessment including school review and self-evaluation
- ways of applying effective practice and research evidence to improve outcomes
- use of external support and expertise
- behaviour and attendance management
- new technologies to support learning and teaching
- political impact of external, community or family factors on learning
- strategies for improving outcomes and achieving excellence for all
- tools for data collection and analysis

Skills:

- design, develop and deliver the curriculum
- demonstrate equality and diversity in teaching and learning
- achieve the best possible learning outcomes for all
- use developmental models for teaching and learning
- engage parents in children's teaching and learning
- manage and use performance data
- develop whole school culture of best practice in teaching and learning
- create flexible and comprehensive learning opportunities for all students
- capitalise on appropriate sources of external support and expertise
- deploy technology to support teaching and learning
- develop and use effective assessment and moderation systems

Assistant Principal/Director of Learning and Standards - maths Candidate Pack

- evaluate, review and develop systems and structures

Leading the Organisation

School leaders should ensure that the school, with the people and resources in it, are organised and managed to provide an efficient, effective and safe learning environment. Using self-evaluation and problem solving approaches, school leaders should also seek to improve organisational structures and functions so the school remains fit for purpose. School leaders should build successful organisations by working collaboratively with others, building capacity across the whole workforce and ensuring resources are effectively and efficiently deployed.

Knowledge and understanding of:

- legal issues relating to leading and managing a school, derived from all relevant statutory and regulatory frameworks
- development of and access to school buildings and facilities
- strategic financial planning, budget management and principles of best value
- organisational development, planning and implementing change
- employment market, effective recruitment, deployment and management of staff
- technology to enhance organisational effectiveness
- strategies to maximise contributions from the whole workforce
- accountability frameworks
- project management techniques

Skills:

- manage the school's financial, human and physical resources
- seek expertise and advice from within and outside the school
- establish structures and systems so operational decisions are based on informed discussion
- delegate, collaborate and distribute leadership
- manage others within an accountability framework
- create an environment which enables people to perform at their best and underpins effective employee relations
- develop and sustain a safe, secure and healthy school environment
- create a working environment which takes account of workload and work-life balance
- manage industrial relations

Leading People

As school leaders work with and through others, building and sustaining effective relationships and communication strategies are important. School leaders seek to improve their own performance through professional development. To enable others to develop and improve by creating a professional learning culture within the school. Through performance management and effective professional development practice, school leaders support all staff to achieve high standards. School leaders take account of issues surrounding work-life balance and recognise and value all staff and teams in the school.

- create an environment which enables people to perform at their best and underpins effective employee relations
- develop and sustain a safe, secure and healthy school environment

Assistant Principal/Director of Learning and Standards - maths Candidate Pack

- create a working environment which takes account of workload and work-life balance
- manage industrial relations

Leading People

As school leaders work with and through others, building and sustaining effective relationships and communication strategies are important. School leaders seek to improve their own performance through professional development. To enable others to develop and improve by creating a professional learning culture within the school. Through performance management and effective professional development practice, school leaders support all staff to achieve high standards. School leaders take account of issues surrounding work-life balance and recognise and value all staff and teams in the school.

Knowledge and understanding of:

- significance of interpersonal relationships, including impact on teacher performance and student learning
- performance management, continuous professional development and sustained school improvement
- building motivation, including the importance of celebrating achievement
- building and sustaining a learning community within a diverse workforce
- own performance, ways of obtaining feedback and how to improve
- support and development systems for individuals and teams

Skills:

- create a culture which encourages ideas and contributions from others
- develop self-awareness, self-management and self-confidence and use effectively
- listen, reflect and communicate effectively
- negotiate and manage conflict, providing appropriate support
- give feedback and provide support to improve performance
- hold people to account and challenge under performance
- develop a culture of learning and continuous professional development
- receive and act on feedback to build on strengths and improve personal performance
- foster an open, fair and equitable culture
- motivate, develop, empower and sustain individuals and teams

Leading in the Community

With schools at the centre of their communities, school leadership has a crucial role to play in working with the community and other services to improve outcomes for, and the well-being of, all children. Placing families at the centre of services, schools and leaders should work with others to tackle all the barriers to learning, health and happiness of every child. School leaders share responsibility for the leadership of the wider educational system and should be aware that school improvement, community development and community cohesion are interdependent.

Knowledge and understanding of:

- multi-agency work (including the team around the child), benefits and risks of multi-agency working

Assistant Principal/Director of Learning and Standards - maths Candidate Pack

- extended service provision, commissioning and contracting
- the diversity of professional cultures and ways of working
- diversity and community cohesion issues
- collaboration and partnership working (including school, home, community and business partnerships)
- strengths, capabilities and objectives of other schools, services and agencies
- wider curriculum beyond the school and opportunities it provides

Skills:

- establish and engage in partnerships, including working with multi-agency teams
- collaborate and work within and across the community
- engage the community in systematic evaluation of the school's work and act on outcomes
- take a leadership role within and across the community
- consult, engage and communicate with staff, students, parents and carers to enhance children's learning
- engage in cross phase working and transition issues
- engage in school-to-school collaboration and contribute to leadership in the wider education system
- contribute to achievement of community cohesion
- broker and commission services

Director of Learning and Standards - Job Description

As a Director of Learning and Standards (DLS) you will play a critical role in the School. As a DLS, you will play a pivotal role in raising achievement at all 3 key stages and supporting colleagues to further improve teaching and learning.

The Director of Learning and Standards must be able to

- To embody the values, vision and ethos of the Central Region Schools Trust and assist the Principal in delivering policy which will ensure high quality and successful outcomes.
- To support the monitoring, evaluation and continuous review of the quality and effectiveness within the school.
- To support the collaborative work with the Trust, the school as well as within the local community.
- To ensure high quality teaching and excellent learning outcomes within the curriculum area and create a climate where students achieve their potential.
- Ensure all students within the subject achieve their full potential and targets.
- To inspire staff and students who study in this Curriculum Area with a love for this subject, leading them to explore it and value it for their whole life.

Main Duties will include:

- To develop and implement policies and practices which reflect the school's commitment to high achievement through effective teaching and learning.
- Lead and implement an effective and appropriate curriculum for our students at all key stages that will enable them to achieve their best and meet national requirements.

Assistant Principal/Director of Learning and Standards - maths Candidate Pack

- To have an enthusiasm for the subject which motivates and supports other subject staff and encourages a shared understanding of the contribution the subject can make to all aspects of students' lives.
- To display a developing and professional knowledge base together with the ability to identify the key implications for subject development.
- To use relevant school, local and national data to inform targets for development and further improvement for individuals and groups of students.
- To establish clear targets for achievement in the subject and evaluate progress through the use of appropriate assessments and records and regular analysis of this data.
- To involve all departmental colleagues in the creation and execution of the yearly faculty SEF and Improvement Plan
- This will identify clear targets, times-scales and success criteria and contribute to the whole school SEF and School Improvement Plan.

Teaching and Learning Duties will include:

- To produce differentiated lesson plans to support the delivery of stimulating and existing lessons that will motivate and enthuse students.
- To use a variety of teaching and learning strategies to ensure that all learning styles (visual, auditory, kinaesthetic) are catered for.
- To provide students with regular assessment opportunities, use assessment for learning and provide them with quality feedback.
- To provide pastoral care, appropriate to the needs of each student and to maintain high standards in accordance with overall school policies.
- To encourage students to develop positive attitudes to each other, members of staff, their families, the school and their environment.
- To monitor the academic and social development of students and maintain an efficient record system.
- To participate in appropriate meetings with colleagues and parents.
- To participate in Performance Management arrangements.
- To show care and concern for all students, members of staff and the school environment.
- To contribute to the wider aspects of school life, including liaison with parents and external agencies and to provide support for school policy within the community.
- To review annually the preceding year's work and agree targets, aims and objectives.
- Maintain awareness and knowledge of contemporary trends, developments, theory and methods in the transformation of teaching and provide suitable leadership and interpretation to Governors, Leaders, Managers and staff within the school.
- To carry out any other reasonable duties as directed by the Principal

Director of Learning and Standards Duties will include:

- Plan and monitor Schemes of Learning for the subject.
- Establish a subject development plan, target setting and review, ensuring that all students have appropriate and aspirational target grades for the subject.
- To ensure that all students meet or exceed their target grades.
- Lead and support all teachers within the department, assisting in their professional development and supervising beginner teachers and NQTs.

Assistant Principal/Director of Learning and Standards - maths Candidate Pack

- Monitor, evaluate and review the performance of staff teaching within the department, addressing under performance and other areas of concern in a timely and appropriate manner.
- Ensure that staff within the department teach engaging and effective lessons that motivate, inspire and improve student attainment.
- To develop expertise within the team in supporting SEN students.
- Establish monitoring and evaluation of student progress with regular, measurable and significant assessments for students.
- To review feedback on academic attainment and attendance of students and ensure effective interventions are put in place and impact monitored.
- To develop, lead and monitor an improvement plan with evidence of all areas to be addressed.
- To maintain and moderate accurate student data that can be used to make teaching and learning more effective and narrow/eliminate gaps for discrete groups.
- To develop, lead and monitor an improvement plan with evidence of all areas to be addressed.
- To maintain and moderate accurate student data that can be used to make teaching and learning more effective and narrow/eliminate gaps for discrete groups.
- To develop strong partnerships and ensure regular and productive communication with organisations, parents and other schools.
- To manage departmental budget and resources effectively and efficiently.

Whilst every effort has been made to explain the main duties and responsibilities of the post, each individual task undertaken may not be identified. Staff will be expected to comply with any reasonable request from a manager to undertake work of a similar level that is not specified in this job description. This job description will be reviewed annually and the Principal reserves the right to alter the content of this job description, after consultation with the post-holder, to reflect changes to the job or services provided, without altering the general character or level of responsibility.

All staff are responsible for promoting and safeguarding the safety and welfare of children and young adults.
