Teaching Assistant - Upper KS2

Year 6 is an exciting time in a child's development, bringing opportunities for increased independence, academic challenge and preparation for senior school. Working closely with the Year 6 teaching team, you will play an important role in helping pupils navigate this transition with confidence and success. The role will involve supporting children both within the classroom and through targeted interventions, helping them develop key skills in English, mathematics and reasoning as they prepare for 11+ examinations, senior school entrance assessments and interviews.

The successful candidate will have experience working with primary-aged children, ideally within Key Stage 2, and will be confident supporting learning across the curriculum. You will be able to build positive relationships with pupils and provide encouragement, reassurance and challenge where appropriate. An understanding of the academic demands associated with 11+ preparation would be beneficial, as would the ability to work with small groups and individual pupils to reinforce learning and boost confidence

ABOUT KEW COLLEGE PREP

Our History

Kew College Prep was established in 1927 in a small room above a shop overlooking Kew Green. As it grew, it moved to a new premises in Mortlake Road, before moving again in 1939 to 26 Cumberland Road. It was then extended to 24 Cumberland Road, with a link extension joining the two properties. 30 Cumberland Road was obtained more recently, with the 3 properties making up the current school site.

The original site houses our Middle School and Nursery classes, an Octagon building at the rear housing our Infant classes, the Sedum building housing the Music Dept, Science Lab and ICT rooms and the recently redeveloped Upton building housing the Art room and our Upper School classes. The Sedum and Upton buildings are on a separate site one-minute walk away.

The school community celebrates its Founders and Benefactors in March each year on Founder's Day.

You can see more of the school site via our virtual tour on [available on our website.](#)

Ethos & Values

At KCP, we provide an open-door, cohesive community for children to grow as individuals. Academic attainment is not secured at the expense of the children's happiness or their interests in extra-curricular pursuits. Our school has the singular agenda to do the best by each child – from all angles.

We have systems, processes and operations in place to ensure that each child is provided with a tailored learning programme, helping them to unlock their full potential. Our children feel listened to and valued, and they enjoy an education that meets their personal needs. They progress with confidence to a senior school that is aligned to their aspirations and capabilities.

More importantly, it's a happy, friendly and caring community where children, parents and staff are united by a shared set of values. Our academic record is outstanding, while our caring approach and supportive atmosphere help every child to grow in confidence and find their place in the world. Our staff work hard to ensure the potential of every pupil is fulfilled to a high level.

We were recently visited by the Independent Schools Inspectorate and were delighted with the report produced after their visit. The report highlights our high-quality curriculum, our approach to emotional support and our pastoral care. It also recognises the range of the extra events and trips provided here at school and the significant benefit they have on the children's overall development
