Warden Hill Junior School is a welcoming, inclusive and ambitious school where pupils thrive and staff are proud to work. Inspectors recognised the positive and purposeful environment we have created and highlighted that pupils feel safe, valued and proud of their school.

Our pupils understand and live our values every day. They are respectful, tolerant and proud of the diverse community that makes up Warden Hill. High expectations for learning and behaviour help create the calm and supportive atmosphere that is central to our school.

We are proud of our ambitious curriculum, which offers pupils exciting opportunities to learn across a wide range of subjects. Pupils enjoy their learning, develop strong knowledge and skills, and are well prepared for the transition to secondary school. Opportunities for pupils to take on leadership roles and contribute to school life are an important part of what makes our school special.
