Occupying a 33 acre site on the edge of Henley-on-Thames, we are a co-educational academy with approximately 900 pupils aged 11-16 on roll.

We have been recognised as outstanding by Ofsted, who said, '**Pupils thrive because of the high-quality teaching and care they receive**'. Academic standards at Gillotts are both high and improving. We achieved GCSE progress results in the top 10% of all schools in 2019, 2022, 2023 and 2024, and were the top performing state secondary school in Oxfordshire in 2025.

If you are a talented and creative Teacher of PE, why not join our committed, dynamic and friendly team? With passion and knowledge for your subject, you will inspire, motivate and challenge young people of all abilities to strive to be the best that they can be. In return, you will be able to develop your skills and expertise, working with a school that is committed to ongoing professional development. Gillotts aims to maximise achievement through effective and inspiring teaching, so if you share these values and would like to join this supportive and high-achieving school, we'd like to hear from you.

Gillotts joined the River Learning Trust in March 2025. We believe education has the power to change lives, communities and society for the better. Schools in RLT are united by a common belief in the benefits of working together, and by our commitment to shared principles. As an RLT school, we believe that we can achieve more for our pupils, trainees, staff and communities by working together rather than alone.

OUR VISION is for our schools and SCITT to improve rapidly, continuously and sustainably: to be better faster together.

OUR 'WHY?' is that children and young people 'only get one go' in school and therefore as part of RLT we aim to ensure the best possible 'go' for our pupils.

OUR 'HOW?' is through the highest support and challenge for our schools and each other, underpinned by our principles.

Our employees benefit from a wide variety of support including extensive continuing professional learning and development opportunities, wellbeing and staff networks and access to Defined Benefit Pension Schemes (TPS and LGPS) for all staff. For more information on what it is like to work for the Trust, and the benefits you could access, please see our "[Working in RLT](#)" guide. This role includes regulated activity relevant to children.

The school reserves the right to consider and interview candidates ahead of the closing date if appropriate. An offer may be made to an exceptional candidate in this instance.

May 2026

Dear colleague

Thank you for your interest in joining our team at Gillotts School. This is an exciting time in terms of our development and a fantastic opportunity for a keen and ambitious Teacher of PE to contribute to it. We are recognised nationally for our innovative work on managing students' progress and developing a culture for learning.

PE is a popular subject at Gillotts and results at GCSE are consistently good. There are two or three sets at GCSE each year and results in PE are outstanding. Extra-curricular activities are an important part of PE at Gillotts, with regular weekly fixtures. We are very strong in all sports as well as in gymnastics and dance. This is reflected in notable success in competitive fixtures and cup games. We are part of the South Oxfordshire School's League for netball, rugby, hockey and football, as well as being involved in the area duathlon, cross country, indoor rowing and athletics. We generally win many of the area events! Dance is also part of the offer. Our annual trips are always over subscribed and we regularly have over a quarter of the school taking part in our extra-curricular activities. We are not complacent, however, and the team are always seeking ways to improve the experience of learning and the achievement of all students.

Gillotts is a very successful comprehensive academy. Our philosophy is based firmly on the belief that all members of the school community have unique gifts and talents and our task is to help everyone to develop them, not only to raise standards of attainment but also to help students to experience the real joy of learning so that their learning goes on long after they have left school. We are committed to the development of all members of the school community, both adults and children and we are now seeking an enthusiastic colleague who will welcome the opportunity to contribute to the learning experience of our students, secure in the knowledge that you will be supported and given every opportunity to develop your own skills and expertise too. This is a great developmental opportunity for a keen, talented teacher to join a vibrant school recognised by Ofsted in 2023 as outstanding.

Gillotts is part of the River Learning Trust (RLT), a multi-academy trust responsible for 30 primary and secondary schools across Oxfordshire and Swindon, and a school-centred initial teacher training provider (SCITT). The trust's schools are united by our principles and our commitment to working together to achieve excellence in education. Please visit the RLT website to find out more www.riverlearningtrust.org.

If you are inspired by our vision of education and are considering submitting an application, please feel free to email Hayley Rogers, Subject Leader for PE at hrogers@gillotts.org, for an informal

chat or to arrange a visit if you would like to do so, before submitting your application. Please make clear in your application the ways in which your abilities and experience make you a suitable candidate for the post.

About Gillotts School

Gillotts is a school that takes great pride in its unique identity. It is one of four mixed 11-16 schools in south-east Oxfordshire and its 900 students come from Henley and the surrounding villages. The school occupies a 33 acre site on the edge of Henley-on-Thames, which incorporates a Victorian house as well as extensive grounds, both of which contribute to the school's special character.

Gillotts places teaching and learning at the heart of its development. There is a strong pastoral focus too, recognising that students' well-being is crucial to their learning. Academic standards at Gillotts are both high and improving. In 2025, 76% of students achieved the benchmark of grade 5 or above in both English and maths, against a national average of 45%.

Gillotts however also prides itself on being a welcoming and inclusive community. Its motto – 'non nobis solum' – translates as 'not by ourselves alone' and the sense of teamwork, collaboration and cooperation underpins the life of the school.

Gillotts School became part of the River Learning Trust in March 2025.

Working for Gillotts

As a high-performing school, Gillotts places teaching and learning at the heart of its development. This is underpinned by an in-house CPD programme which allows staff to develop the skills most pertinent to their needs. We are committed to our staff and work in conjunction with the Oxfordshire Teaching School Hub to offer the very best in professional learning for colleagues at every stage of their career.

We recruit staff who:

- Want to be excellent teachers
- Are keen to work together to achieve our shared aims
- Are committed to helping all our young people be the best they can be
- Are reflective practitioners – keen to grow and develop throughout their career
- Are curious about finding creative solutions to tricky problems and building leadership capacity across the whole school

What we will offer:

- **Remarkable behaviour** – we believe in clear routines, appropriate responses and outstanding relationships fuelled by mutual respect and a commitment to excellence.
- **Great curriculum resources** – clear and coherent schemes of work that mean you can spend time thinking about the how rather than the what.

- **Commitment to high quality CPD** – we'll support and challenge you as an individual so you can develop your skills as a teacher rather than feeding everyone the same diet irrespective of their needs and goals.
- **Efficient solutions** – we focus on evidence-based approaches where teacher-time spent is commensurate with student outcomes. This means, for example, that we use methods of feedback that are designed to move learning forward; you should be spending time on things that will make a difference.
- **Staff wellbeing as a priority** – we care about our staff as teachers and as people. Teams work very closely together with a focus on developing practice but also supporting each other in the good times and the bad.

Gillotts is a 'flexible friendly' employer. We will always consider part-time applications, even where a role is advertised as full-time. Teachers are able to go off site during PPA time and all staff have access to up to five days of paid dependant-care leave, and may also attend important events such as sports days. TLRs, paid in full, are generally open to part-time teachers, providing they are in school four days a week.

Working in RLT

River Learning Trust (RLT) is a multi-academy trust responsible for 20 primary schools and 10 secondary schools across Oxfordshire and Swindon, as well as a school-centred initial teacher training provider (SCITT) and a teaching school hub.

We are united by our principles and our commitment to working together to achieve excellence in education.

There is something special about people who work in RLT – they care passionately about what they do, strive to deliver excellence, and enjoy coming to work and making a difference to the lives of children and young people.

At River Learning Trust we:

- Have a core principle of 'respectful relationships'. We act with care, integrity, and fairness. We value the health and wellbeing of all staff
- Work with each of our schools to support high quality continuous professional development and learning
- Want you to stay and grow with us. Our schools offer great opportunities for supporting different career paths. Career progression through the trust is something we aim for

Vision, values and strategic aims

Non nobis solum – Not by ourselves alone – Kindness, respect, living without harm

Vision

Gillotts is a high performing school where every student is valued as an individual, and is supported and encouraged to achieve their potential. We pride ourselves on being inclusive of all, developing young people who make a positive contribution to society now and in their future lives.

Values

Dedication to learning

We thrive as learners, embracing challenges and thinking hard. Our rich and broad curriculum, delivered through expert teaching, enriches students' lives. We support everyone, students and staff, to be the best they can be.

Respect and kindness

We treat our students, families, staff and wider community with respect and kindness – modelling our values and wanting the very best for each other.

Integrity and trust

We put ethical leadership at the heart of our work, serving our community with fairness and honesty.

Vision for the medium term

Gillotts School is proud of its identity and proud of its successes. We believe in achievement for all and want to secure the best outcomes for all our learners, without exception. We want to continue to raise students' expectations of themselves, ready for the challenges ahead.

Teaching and learning are at the heart of this school. We know that 'learning is the residue of thought' and as such see the following as the key strategies for ensuring that learning happens:

- secure attention;
- communicate clearly through modelling and explanations;
- drive thought through practice;
- seek and give feedback in order to adapt teaching to need.

These strategies rest upon well designed curricula which provide both access and challenge.

We will continue to place a high priority on continuous professional development (CPD), not because our teachers are not good enough, but because they can be even better. The CPD

curriculum is research informed and planned in the light of internal evidence, as such it is responsive to need whilst also driving practice forward strategically. It is built on the Education Endowment Fund (EEF) mechanisms for effective CPD. We strive to ensure that all teachers receive valuable, frequent, actionable feedback on their teaching and are supported in their development.

We will build on our outstanding curriculum, underpinned by a deep understanding of student progress and a commitment to developing the wider skills valued by higher education and employers. Our curriculum will give learners the knowledge and cultural capital they need to succeed in life, whatever their starting point. Knowledge underpins and enables the application of skills – we see knowledge and skills as intertwined.

Seamless, embedded access to IT supports interaction, collaboration and feedback. We will break down the artificial boundary of the limits of the school day to support the integration of students' learning in school, at home and on the move. We will support students to be confident and reflective users of technology, in preparation for their adult lives.

Our motto, “Not by ourselves alone”, will continue to underpin an ethos centred on the core values of kindness, respect and living without harm. We know that students will only thrive in their learning when their basic needs are met and we will continue to work towards this goal, through our extended team which offers outstanding pastoral care and by maintaining and developing our partnerships with external agencies who can provide specialist care and support. We will continue to develop the support we offer to parents to enable them in turn to support us as they work alongside their children.

We have an inspirational site – 33 acres with extensive woodland, on the site of the local manor house, parts of which (including two associated cottages) remain. The school is set on the fringes of the town with extensive views across the Thames valley. We want to use the stunning environment to help excite and inspire students and staff to move the school's performance to the next level, making it an outstanding place to study and work with results securely in the top 10% of schools nationally.

We will build on our success as a highly inclusive and integrated community by enhancing the opportunities for interaction and engagement with the school beyond the planned curriculum, encompassing students' social time within the school day and enhancing opportunities for the use of the school site by the community.

Redeveloping the school environment will enable us to achieve all this by allowing us to maximise the potential of the site and supporting a more sustainable future. It will support us to meet the challenges we face by ensuring we have buildings that are fit for purpose and so allow us to focus on our core priority of continuously improving outcomes for all our young people.

Strategic aims

The primary function of the school is to serve its students and the local community in the best possible way. Bearing this in mind, together with the overall target of being an outstanding school, the Governing Body and the School will work together:-

Primarily (Aim 1):

- **To maximise achievement through effective and inspiring teaching**

And:-

Aim 2

- **To maintain a distinctive curriculum offer tailored to the needs of our students, ensuring that 21st century technology is used effectively to support teaching and learning**

Aim 3

- **To promote personal development by the provision of outstanding support and guidance**

Aim 4

- **To provide a sustainable built environment fit for the purpose of 21st century teaching and learning**

Aim 5

- **To promote Gillotts' position as Henley's first class community school, within the framework for collaboration provided by being part of the River Learning Trust**

This document was adopted at a meeting of the Governing Body on 2 December 2025. It is reviewed annually.
