I am delighted that all of the hard work by staff and students has been recognised by Ofsted and that following an inspection in January 2023 we have been awarded a 'Good' grade. Details of this are given later in this pack.

Our aim is simple, we want to be a truly outstanding school in every sense of the word and we want to be confident that our students get the best possible education that is ambitious, varied and stimulating. At the heart of everything we do is a desire to ensure that our students receive the highest standards of teaching and learning. Our curriculum is broad and academically challenging in order to prepare students for the rigours of further study or work.

At Stanborough, we care passionately about the development of each student's character, their personality and social skills, the way they treat others and the contribution they make to society. We place strong emphasis on outstanding behaviour. Excellent learning is underpinned by excellent behaviour. We expect our students to show respect when interacting with other members of our school community and to uphold the reputation of the school in the local area.

Stanborough School

[Stanborough School](#) is an 11-18 co-educational Academy that sits on the southern fringe of Welwyn Garden City. The school currently has 1250 students. Due to parental demand for places at the school, from September 2019 the school expanded to 8 form entry. This has required a substantial amount of new premises work to be completed which includes a new teaching block as well as a drama and music block.

We pride ourselves in being a fully inclusive school that serves our local community and on being a school that does its best for each individual student so they can achieve their potential during their time at Stanborough.

Stanborough is proud of its community involvement. We work closely with the four other local Secondary Schools as part of the Welwyn-Hatfield 16-19 Consortium. We also take a leading role in hosting and developing a number of other key community developments such as the Handside Schools Partnership with a local special school and primary school.

The school boasts excellent facilities including our first-rate IT resources, a legacy of our Specialist Computing Status. With a dedicated Art, Design and Technology block, Sixth Form Centre and the recently constructed MFL and Humanities and Music and Drama teaching blocks the students enjoy some outstanding facilities. The exceptional sporting facilities include 9 netball courts and 5 football pitches as well as a purpose built sports hall. Our excellent resources in all curriculum areas also show our commitment to giving students a wide variety of curricular opportunities including technology, the performing arts and computing. All students in Years 7 to 10 now bring their own devices and this continues to be rolled out across the whole school.

Our greatest asset at the school is our staff. We want the best educators for our students and through exceptional retention and support we have a stable staff with very low turn-over. A number of staff who started at the school as NQTs and ECTs now find themselves in senior positions at the school. We have a strong support team and many staff have remained with the school for several years.

With the appointment of a new Headteacher from September 2018, this is an exciting time to join the school and become part of an ambitious and hard-working team dedicated to moving the school forward. We are looking for support staff and teachers who will embody our four principles of High Expectations; Mutual Respect; Quality Learning and Success for All.
