Executive Summary

Founded in 627 AD, St Peter's is the fourth oldest school in the world with a strong tradition of providing outstanding educational opportunities for its pupils.

Proudly located on a 47-acre riverside campus just 10 minutes' walk from the centre of York, St Peter's is an over-subscribed co-educational, day and boarding school which achieves outstanding examination results alongside an extensive co-curricular programme.

The School was named TES Independent School of the Year for 2021, as well as Pre-Prep School of the Year for a second time having previously won the award in 2018.

About St Peter's School

St Peter's was founded by St Paulinus of York on the same site as York Minster in 627 AD. In the sixteenth century, the School was given a Royal Charter by Philip and Mary and, in 1575, the School's most infamous pupil, Guy Fawkes, attended St Peter's.

The School's connection with Guy Fawkes continues, with its campus in the Clifton area of York acquired in 1844 situated on land once owned by the Fawkes family. The School continued to evolve in the twentieth century, starting with the acquisition in 1901 of St Olave's Prep School. In 1976 the first girls were admitted to the School in the Sixth Form, and in 1987 St Peter's became co-educational at all levels. In 1994 the School purchased Clifton School and Nursery, enabling St Peter's to provide a seamless, continuous education from ages 2 to 18.

Our historic links with the Minster continue. In 2020 we became the choir school for York Minster, educating the boys and girls in the choir and supporting their busy schedule of rehearsals and services, alongside everyday school life. Members of the Chapter are represented on the Governing Body and the School is fortunate to use the Minster for annual events including the carol service, major concerts and prize-giving.

St Peter's sits at the heart of the community in York and Yorkshire with extensive links and connections. We are a key member of the York Independent State Schools Partnership, nationally regarded as a leader in the field, and host a variety of other events in partnership with the University of York and the York Literature Festival, alongside our own public lecture series. Plans for the future include increasing the number of pupils receiving assistance with fees and working more closely with the City of York Council and local schools.

Today, the whole school works together to deliver a dynamic, all-round education that develops the abilities and enthusiasm of each of the 1,200 pupils on roll.

The Head Master has overall responsibility for St Peter's, working closely with the St Peter's Leadership Team (SPLT) comprised of the Chief Operating Officer, Senior Deputy Head, Head of St Peter's 2-8 and 8-13, Director of Admissions, Marketing and Communications.

Aims and Ethos

Our aim is to prepare pupils to be successful and fulfilled in their adult lives, to be leaders with humility and to make a positive impact on their world. We define this as being able to make the most of their academic and personal potential, to have positive relationships in all aspects of their lives and to make an impact in their immediate communities and the wider world for the common good.

The Four Pillars

St Peter's aims are achieved through the four pillars of qualifications, skills, interests and values.

Qualifications include excellent results in academic examinations and in wider areas such as music and drama examinations and the Duke of Edinburgh Award.

Skills developed through academic subjects are complemented by a broader range of skills required for a truly successful life. We are committed to offering our pupils a wide co-curricular programme to develop those skills not always attained in the classroom.

These include those identified in the World Economic Forum's Future of Jobs Report (2020):

- Emotional intelligence
- Leadership
- Social influence
- Creativity
- Originality
- Initiative
- Critical thinking
- Persuasion and negotiation
- Resilience
- Flexibility
- Complex problem-solving

Interests developed through the academic curriculum and the co-curricular are crucial in sustaining our pupils through their adult lives while fostering the acquisition of wider personal skills. As importantly, it makes them interesting people who add value to others.

Values are the hallmark and bedrock of a successful life, giving sustenance in times of prosperity and adversity. The values developed at St Peter's enable our pupils to make complex, moral decisions and give them the courage to carry them out.

They are:

- Friendship
- Trust
- Wisdom
- Compassion
- Endurance
- Hope
- Humility

Our School Structure

Currently St Peter's School is one school arranged over three sections: St Peter's Nursery, St Peter's Junior School and St Peter's Senior School.

St Peter's Nursery

In January 2027, St Peter's will open a year-round Day Nursery, operating 50 weeks a year, for babies from six months to children aged three. The Nursery will be based in The Rise, a beautiful Victorian property located on the edge of our campus.

Children will enjoy access to our 47-acre grounds, including dedicated outdoor play areas and Forest School, as well as specialist sessions in art, music, PE, and languages delivered by our teaching staff. Our Nursery will provide a safe, warm, and stimulating environment, underpinned by a progressive curriculum informed by research and evidence on child development and early years education. We are committed to ensuring every child experiences the joy and richness of a healthy, happy childhood.

Nursery roles will initially be based in our current Nursery for two terms before the new Nursery opens.

St Peter's Junior School

Educating children from Nursery to end of Year 6, St Peter's Junior School will be located on the southern part of the school campus. Whilst the Junior School has dedicated spaces for teaching, sports, performance, music, dining and much more, the school will also have full access to shared facilities for St Peter's School, such as the swimming pool, 47 acres of land and specialist facilities, as it does at present. Under the leadership of the Head of the Junior School and senior leadership team, the school will continue to deliver an internationally recognised, innovative curriculum alongside a huge range of activities and wraparound care.

As now, physical education and sport will remain hugely important to the Junior School and participation at all levels will be encouraged from complete beginners to budding experts. Music plays a central role in school life, involving the full range of orchestral instruments. There are also numerous co-curricular activities to choose from on a weekly basis. St Peter's is the Choir School for York Minster and choristers will be educated across the Junior and Senior School from Year 4.

Our School Structure

St Peter's Senior School

The Senior School will educate children from Year 7 to the Upper Sixth, located on the northern part of the school campus, sharing some specialist facilities with the junior school. With a mix of day and boarding pupils, the school will continue to be underpinned by academic challenge characterised by a creative and collaborative app. Inspiration from living in close proximity to a cultured and historic city adds further richness to the pupils' lives. Our pupils achieve outstanding academic results alongside a busy and exciting schedule of academic extension and a huge co-curricular programme.

The School Chapel stands at the centre of the campus and regular services give pupils and staff the opportunity to reflect together on the spiritual values of the community and on the meaning and significance of what is happening locally, nationally and globally.

Music, Art and Drama are central to the cultural and academic depth of the School. The Sports programme is extensive, providing a wide range of choice for both girls and boys. The excellence of the teaching across all co-curriculars and exceptional facilities allows pupils to thrive.
