

Beths Grammar School

Teacher of Maths 0.8 Maternity Cover

Start date

September 2026 – July 2027 or sooner dependant on when post holder returns from maternity leave

Beths Grammar School is a large multi-cultural school on the borders between London and Kent serving a wide range of vibrant and exciting communities. We specialise in boys' education in the main school and have a large, co-educational 6th form.

The Mathematics department is a large and vibrant curriculum area, with twelve teachers including the Head of Department and Leads for Key Stages 3, 4 and 5. The Mathematics staff stretch and challenge students at every opportunity. As well as embedding GCSE Further Mathematics into the KS4 Curriculum for more than 50 students and offering GCSE Statistics.

A Level Mathematics is the most popular subject in the Sixth Form, with over 200 students per year group in Years 12 and 13. We have a high uptake of A Level Further Mathematics, and run at least one group in each year group. The Mathematics department takes pride in supporting all students including those taking University entrance examinations such as TMUA and STEP, as a result students secure several Oxbridge offers for STEM pathways.

We are seeking to appoint a well-qualified Teacher of Mathematics up to GCSE, with the possibility of A Level to the right candidate. This is an ideal opportunity for an ECT or experienced member of staff who is looking to join a large, outstanding and dedicated team for September 2026 on a 0.8 fixed term contract until July 2027, or sooner dependant on when the current post holder returns from maternity leave.
