"Let your light shine before others" Mt5

## Teacher of Science

# Job description: Teacher of Science

## This post is suitable for ECT's

### Job details

**Salary:** £26,332 - £40,838 Annually (Actual)

£32,916 - £51,048 FTE (MPS – UPS)

**Hours:** 26 per week (0.8FTE)

**Contract type:** Part Time/Permanent

**Reporting to:** The Head of Faculty

### Main purpose

- › To implement and deliver an appropriately broad, balanced, relevant and differentiated curriculum for students and to support a designated curriculum area as appropriate
- › To monitor and support the overall progress and development of students as a Teacher and Form Tutor
- › To facilitate and encourage a learning experience which provides students with the opportunity to achieve their individual potential.
- › To contribute to raising standards of student attainment.
- › To share and support the school's responsibility to provide and monitor opportunities for personal growth and enjoyment.

### Duties and responsibilities

- › The Post holder is also expected to interact on a professional level with colleagues in order to promote a mutual understanding of the school curriculum with the aim of improving teaching and learning across the school.
- › To assist in the development of appropriate syllabuses, resources, schemes of work, making policies and teaching strategies in the Curriculum Area and Year Group.
- › To contribute to the achievement of the school's development plan and its implementation.
- › To plan and prepare lessons
- › To contribute to the whole school's planning activities.

Please note that this list of duties is illustrative of the general nature and level of responsibility of the role. It is not a comprehensive list of all tasks that the teacher will carry out. The postholder may be required to do other duties appropriate to the level of the role.
