INTRODUCTION FROM THE PRINCIPAL & CEO

Dear Colleague,

Thank you for your interest in the position of Work Experience Adviser at Joseph Chamberlain Sixth Form College (JCC). We are delighted that you are thinking about joining us.

As you get to know the College a bit more throughout this application process, I am confident that you will see what a special place JCC is: our students are a joy to work with; our staff are wonderful to be around, and our facilities/resources are first class. I am extremely proud to lead such an exceptional place, where we are all united in our aspirations to do our best by each and every student.

Our students come from diverse range of backgrounds, and we embrace the opportunities that come with being located in one of the more deprived areas of the country because this is what makes JCC such a vibrant and exciting place to work. To see our students achieve the phenomenal success that they do, and to watch their development into confident, aspirational young adults, gives us all enormous pleasure. We are really proud of the positive difference we are able to make to their lives.

We are known locally and nationwide as a place of true excellence, where the progress students make places us regularly in the top 10% of the country. We are the highest performing Sixth Form College in the Midlands and, in our most recent Ofsted inspection of 2024, we were awarded their highest grade of 'outstanding' in all categories for the second time in a row. This is, I believe, because our staff are some of the best in the country and are all positive, like-minded individuals, who share a passion for working with young people to transform their lives for the better.

In return for that dedication, I promise you a happy and supportive place to work, where you will be fully recognised for what you do and be provided with all the support, facilities and resources that you need to do the best job that you can. We will nurture your career carefully with fantastic professional development opportunities and look after your wellbeing with a combination of care and additional benefits.

Finally, I would like to say that I really appreciate your investment of time in exploring the College and this position. If you have any questions at all, please do contact us and we will be more than happy to help.

Whatever the outcome, I wish you the very best in the future.

ABOUT JOSEPH CHAMBERLAIN COLLEGE

Background and Context

Joseph Chamberlain College is a hugely popular and highly successful Sixth Form College that was established in 1983 and now offers a wide range of academic courses at all levels to around 2600 school leavers, alongside approximately 800 part-time adult learners on a separate site.

Our curriculum offer is highly inclusive, offering the potential for enormous success to all students, regardless of their starting points and backgrounds. Approximately 80% of our work is with school leavers at Level 3, who study AS/A Levels or Level 3 BTEC Extended Diplomas. In addition, our separate Adult Learning Directorate offers part-time classes in ESOL, maths and vocational studies to the local communities. Our wider curriculum is also rich and varied allowing students to benefit from a great deal of choice in sports, work experience, subject-based co-curricular activity, trips/visits, and various other student-led clubs/societies.

In 2024, students at Joseph Chamberlain College achieved, once again, outstanding exam results, placing us in the top 10% of all schools and colleges nationally for the eleventh consecutive year. In our most recent Ofsted inspection, we were graded as 'outstanding' in all categories for the second time; we are the only College in the West Midlands to achieve this in two consecutive inspections.

We have been featured in the Parliamentary Review twice for best practice in further education, and we have been awarded the Teachers' Development Trust (TDT) Silver award for our comprehensive package of innovative and high-impact professional development. We run award winning work experience programmes and hold the prestigious Matrix Award for careers advice and guidance. As part of a local Teaching Alliance, we support all Early Career Teachers, from both secondary and post-16 backgrounds, to complete their ECT years and achieve either QTS or QTLS.

The College is situated within easy reach of Birmingham city centre in a state-of-the-art building with superbly equipped classrooms and outstanding facilities.

Rehabilitation of Offenders Act 1974

This role has been assessed as working in regulated activity and is subject to an Enhanced DBS plus Children's Barred List Check. **It is an offence to apply for this role if you are barred from engaging in regulated activity relevant to children.**

In accordance with the Rehabilitation of Offenders Act (ROA) 1974 and the Exceptions Order 1975 (amended 2013 and 2020), employees with access to children and young people under the age of 18 are not allowed to withhold information regarding criminal convictions no matter when they occurred. This means that certain convictions and cautions are considered 'protected' and do not need to be disclosed to employers, and if they are disclosed, employers cannot take them into account. Guidance about whether a conviction or caution should be disclosed can be found on the Ministry of Justice website:

<https://www.gov.uk/government/publications/new-guidance-on-the-rehabilitation-of-offenders-act-1974>.

Disclosure and Barring Service Check

The college is committed to safeguarding and promoting the welfare of its students. We will carry out checks on all those who are offered employment with us.

As positions at the College are exempt under the Rehabilitation of Offenders Act 1974, and as such appointment to a post will be conditional upon the receipt of a satisfactory response to a check of police records via the Disclosure and Barring Service (DBS). DBS Filtering guidance can be found on the GOV.UK website:

<https://www.gov.uk/government/publications/dbs-filtering-guidance/dbs-filtering-guide>

The successful candidate will be required to provide relevant evidence to enable a DBS check to be undertaken prior to commencement of employment. The College follows the Code of Practice laid down by the DBS (available from the DBS website). Further details will be given upon appointment.

In the future, you may also be asked to subscribe to the DBS Update Service and to maintain that subscription of an annual basis. There will be a small annual cost to the individual. The College will undertake 'status checks' on DBS Disclosures to assess that the information on the original certificate remains current; membership of the Update Service is therefore mandatory to enable status checks to be completed.

Any offer of employment will be conditional upon DBS clearance and a satisfactory outcome to other safeguarding checks as deemed to be appropriate by the College.

The Selection Process

As part of our due diligence on all short-listed candidates, an online search will be carried out prior to interview. Short-listing of candidates for interview will be undertaken by the line manager and a member of the senior management team. The selection process is likely to involve a short lesson observation, an interview and a written task. At the end of the interview you will be given the opportunity to add anything further in support of your application or ask any questions. The panel will make its decision based on the evidence presented throughout the process and will contact all candidates with an outcome as soon as possible afterwards.
