Dear prospective applicants,

# Our Trust

Since its formation in 2017 One Excellence Trust has grown to include four primary schools, all with thriving nurseries, providing education and opportunities for 1,050 students. As part of our Trust we incorporate one of the 36 DfE English Hubs and two EMS bases (one for communication and interactions and one for SEMH) and a community nurture hub. We pride ourselves on transforming education locally and regionally, with our schools and nurseries being at the heart of their local communities and are determined to raise standards of educational achievement to the very highest levels.

All of our schools are an integral part of their local communities and have a strong sense of identity. We value the contribution each of our communities make and the distinctive opportunities and diversity they offer to the Trust. Working in collaboration, we offer exceptional learning experiences to all of our children, so the children benefit from the strength that being part of the extended One Excellence family brings.

Our vision is to be an ambitious, inclusive, collaborative family of schools, ensuring excellence in education whilst celebrating individuality. We are passionate that as a family of schools we can provide a much better standard of education than working on our own. We know we improve more rapidly as a group of schools in a Trust than if we were a school on our own in an isolated position. This rapid improvement is not achieved at the expense of any school losing its own unique identity or its position within its community. Our academies have no motivation to all be the same. They are different in accomplishments and context but we share the same values and vision for our staff and students. Each academy is a driving force in its own right. By working collaboratively we've been able to create an effective and efficient organisation and business model that allows school leaders and teachers to focus all their attention on their pupils. We work together in a supportive network to evaluate, challenge and improve practice inside and outside of the classroom. We want our students to grow into fully equipped individuals who make meaningful contributions to society and our staff to reach their full professional potential.

We live in a world that requires our children to be prepared to think both critically and creatively, solve complex problems and to communicate well. Mastery of the basics: reading, writing and maths is our core purpose and this sits equal to ensuring our children have access to a high quality non-cognitive skills curriculum ensuring well-developed social and emotional skills.

# About Our School

Evenwood C of E Primary School strives itself on being the heart of the Evenwood community. We are one big family and pride ourselves on the close relationships we have with our families and members of the community. We are privileged to be located on a beautiful site. With our vast green space, we make good use of the outdoors and 'Forest School' has a firm place within our curriculum.

We are a small, village school with 83 children on roll (PAN of 105). We have had many generations of families attending our school. Due to the small numbers and close links with the families, staff have built trusting relationships with them.

We are a controlled Church of England school and have close links with the Diocese of Durham and Newcastle, St. Paul's Church and Cornerstones Church. Our Christian Vision of "Life in all its Fullness" (John 10:10) and our seven Christian Values (Koinonia, Service, Trust, Justice, Thankfulness, Forgiveness and Justice) are the driving force behind everything we do at Evenwood. We have high expectations that all children will leave our school being able to achieve whatever they want to.

We have a small, enthusiastic team at Evenwood. Each member of staff has various strengths which contributes to the ethos and education at our school. Our curriculum is rigorous and focused, developing skills and knowledge while using educational visits and experiences to bring it to life. In addition to a focus on the core standards of reading, writing and maths, we also recognise the importance of a holistic curriculum which encompasses an academic and a non-cognitive curriculum providing opportunities for children to shine in whatever area they excel. We have weekly timetabled forest school sessions for all children, weekly swimming lessons, a range of after school clubs from sports to cooking to even meditation and sewing. Learning and personal needs are met so that children have choices left open to them both now and in the future.

Alongside the school supporting our community, we support other schools across the North East in our roles for St. Michael's English and Durham SCITT. It is our belief that we are responsible for more than just the academic achievement of children in Evenwood, we have a joint responsibility to improve reading and provide high quality teachers across our region

We are very proud of our children's exceptional behaviour, conduct and engagement, which is regularly commented on wherever they go and by visitors and wherever we go. Our children value the school and what it offers. They want and deserve 'Life in all its Fullness'.

*"I have come that you may have life in all its fullness."*

*(John 10:10)*

*Jesus said 'I have come that you may have life in all its fullness' (John 10:10). He calls us to a full life in mind, body, heart and spirit. Therefore, we believe the purpose of education is to nurture and enable every child to thrive and to be the person they are fully capable of being.*
