An excellent opportunity for a dynamic and ambitious middle leader to join a highly successful school.

We are seeking an enthusiastic, skilled, and forward-thinking Curriculum Area Manager (CAM) for Maths to lead and develop our Mathematics department. This is an exciting opportunity for an experienced practitioner with strong leadership potential to drive high standards of teaching and learning, inspire both staff and students, and shape the future direction of Maths at Heathside Weybridge.

At Heathside Weybridge, we are more than just a school – we are a vibrant and inclusive community where every member of staff is valued, supported, and empowered to thrive.

When you join us, you become part of an environment that is:

- **Welcoming and Challenging:** We provide a secure and positive atmosphere that inspires both staff and students to achieve their full potential through encouragement and meaningful challenge. We want you to enjoy your job!
- **Respectful and Inclusive:** We foster a culture of respect, understanding, and acceptance, ensuring everyone feels a true sense of belonging, regardless of their background or identity.
- **Supportive of Your Growth:** Your personal and professional development matters to us. We are committed to offering ongoing opportunities to learn and develop.
- **Committed to Wellbeing:** We prioritise the wellbeing of our staff, providing the care, resources, and flexibility you need to flourish in both your career and personal life. We are proud to have been successfully reaccredited with the Wellbeing Award for Schools in 2024.

If you are ready to be part of a team that values integrity, collaboration, and continuous growth, we would love to hear from you.

We welcome candidates who are:

- Are confident teaching Mathematics across all key stages
- Have the skills and ambition to lead, develop, and inspire a team of teachers
- Deliver consistently high-quality teaching that ensures excellent progress and appropriate challenge for all students
- Lead on curriculum planning, sequencing, and assessment to maximise student outcomes
- Use data effectively to monitor progress, identify priorities, and drive improvement
- Support and develop colleagues through coaching, mentoring, and collaborative practice
- Adapt teaching and assessment to ensure all students can access and succeed in Maths
- Contribute to our weekly extracurricular programme and wider school life

If you're passionate about helping students succeed in Mathematics, we'd love to hear from you!

Closing date: Monday 9th February 2026, at midday

Interviews: Week commencing Monday 9th February 2026
