SEPTEMBER 2026

Aspiration • Responsibility • Respect

HEADTEACHER'S WELCOME

Thank you for your interest in Redborne Upper School and Community College.

Redborne is a vibrant and ambitious age 13-18 upper school, including a thriving sixth form of around 400 students, located in the heart of Ampthill, Bedfordshire. As a large academy with over 1,600 students on roll, we are proud to serve our community by providing high-quality education that combines strong academic achievement with outstanding personal development.

Our school is built on values of inclusion, respect and aspiration. We aim to foster a learning environment where all students feel supported to reach their full potential, both in and beyond the classroom. As a designated training school, we are deeply committed to the development of teaching and learning. This not only benefits our students, but also creates a culture of continuous professional growth for our staff.

Redborne is a unique place to work, not least because of our on-site working farm, which enriches the curriculum and offers students the chance to gain practical qualifications in agriculture. It reflects our wider belief that education should be broad, balanced, and rooted in real-life experiences.

In our most recent Ofsted inspection (July 2024), Redborne was judged to be a 'Good' school. We are proud of this outcome and remain focused on further developing the quality of our provision, especially in pursuit of excellence for every student.

If you share our commitment to high standards, professional development, and inclusive education, we would be delighted to receive your application.

OUR VISION

Our Vision

At Redborne, we are committed to becoming one of the best schools in the country. In order to help us achieve this goal, we will:

- Have outstanding behaviour based upon positive relationships.
- Ensure that all our students enjoy learning from teachers who love teaching.
- Ensure that everyone achieves their full potential.

Staff and students work together towards realising our vision, by linking everything we do to one of our three core values, 'Aspiration', 'Responsibility', and 'Respect'. Every aspect of a student's Redborne experience is aimed at promoting these:

Aspiration

For everyone to achieve.
For everyone to participate.
For everyone to be the best they can be.
For everyone's future.

Responsibility

For our behaviour / actions.
For our commitment to learning.
In our (wider) community.

Respect

For and between everyone.
For others' views / beliefs.
For the school building and environment.

OFSTED SAYS

"Pupils behave well around the school and during lessons. They are polite and courteous to adults. There are positive relationships between staff and pupils."

OUR CAMPUS

Redborne, a 13-18 Upper School since the early 1970s, is ideally placed to provide community education in the area. Redborne serves Ampthill, Flitwick, Maulden and other neighbouring villages.

The school is spread over 40 acres of attractive grounds, with a wide variety of trees, shrubs, flower beds and rock gardens. There are rugby, football, rounders and cricket pitches, netball and tennis courts, as well as an athletics track in the summer.

In addition, there is a floodlit all weather sports area with an adjoining pavilion, as well as a recently refurbished floodlit 3G football pitch. The school also has its own farm, used to deliver both livestock and horticulture courses - an invaluable learning resource for students.

We cannot describe all aspects of such a large and active school and we therefore offer an invitation to visit us and find out more. Please contact us for an appointment:
