WELCOME

My name is Sandra Appleby and as an Education Director within E-ACT, I provide strategic leadership and support to Ilminster Academy. I bring experience from successfully guiding two other E-ACT primary academies here in Bristol, both operating in very similar contexts and serving communities with parallel aspirations and challenges.

Joining the team at Ilminster represents more than just a job; it's a unique and profoundly rewarding opportunity to contribute to a school and community poised for positive transformation. Located in one of Bristol's most deprived areas, our academy is resolutely a place of possibility. We are unwavering in our commitment to ensuring every single child receives the exceptional education, care, and opportunities they need and deserve to thrive.

Our core values - Respect, Resilience, Responsibility - are the bedrock of our community. They guide expectations for our pupils and define the professional behaviours and supportive environment we cultivate amongst our staff team. We believe these values are essential in preparing our pupils for lifelong success. Our collective goal is to nurture confident and resilient young people, equipped with strong academic foundations, assured in their strengths, and prepared for the challenges of a changing world.

If you are passionate about making a tangible difference and believe in the potential of every child, regardless of their starting point, then Ilminster could be the place for you. We are actively seeking talented, dedicated, and resilient individuals to join us.

Please do reach out to me if you are interested in finding out more or coming to visit.

Sandra Appleby
Education Director.
