## About BDAT

### General Information and Background

Bradford Diocesan Academies Trust (BDAT) is a Multi-Academy Trust (MAT) supporting 21 schools in Bradford. We are a Trust which prides ourselves in delivering great education outcomes and life opportunities for all our children. We are an inclusive Trust working with children from a rich range of backgrounds who reflect our communities and the city we serve. We are proud to be all about Bradford and developing the future generation of lifelong learners who will go on to achieve incredible things.

BDAT is a Trust which recognises each of our schools is unique. We actively encourage and celebrate difference as we know each of our schools serves very different communities. However we also know that a key strength of being part of a Trust means together our schools can support each other, learn from each other and share great practice. As importantly we know from working our way through the COVID pandemic, that a problem shared really can be a problem halved, and by working together we can save ourselves time, money and lots of duplication of work.

We are a Trust which is value-led, and we know it is important that we consistently live these values. The Trust's mission is "At BDAT we want every child to have a happy and high-quality education enabling them to grow and flourish during their time at school."

Our core Trust values are inclusion, compassion, aspiration, resilience, excellence (I.C.A.R.E.). We seek to model these values in all we do, including how we recruit and develop our staff, how we teach our students and how we liaise with our families, friends and partners. We are a proudly Christian organisation committed to providing high-quality education for all within our ethos. Whilst robust Christian principles underpin the work of the Trust, everyone is encouraged to explore their own spirituality and to recognise and understand that of others. We describe ourselves as having inclusive values believing these are as appropriate and important to staff and students of all faiths (and to those without faith) as they are to those who practice within the Church of England. It is for this reason we choose to support and sponsor Non-Church of England Academies, as well as those within the faith. Therefore, we welcome applications for this role from employees of all faiths as long as they understand and can promote the values which we share.

BDAT is a large Trust, however we pride ourselves in knowing and understanding our schools. We are all part of the BDAT family, and we all have the same motivation – to see our children succeed. For more information about us follow us on twitter @WeAreBDAT or visit [www.bdat-academies.org](http://www.bdat-academies.org)
