WELCOME TO ST THOMAS

As a Church Voluntary Aided Primary School, St Thomas works hard to develop and sustain the school's Christian distinctiveness. We work in close partnership with St Lukes' church and St Luke's Gas Street, which we make regular visits to. At St Thomas CE Primary School we encourage each child to live life to the full through our Christian vision 'God's Love in Action' and our Christian values of love, trust, friendship and faith.

We are proud of our staff team at St Thomas CE Academy. They consistently work well together to provide children with the best educational experiences. Every member of our team is valued and everyone's contribution makes a difference.

St Thomas is a very special place in the heart of Birmingham. We are ideally located in close proximity to the City Centre, which gives our children the opportunities to access learning in many areas of the curriculum from the wider community

At St Thomas we have constructed a curriculum which prepares the children of St Thomas academically, emotionally, socially, and spiritually. We use a sequential knowledge curriculum that begins in EYFS, so that students can successfully access a broad and balanced curriculum throughout their education at St Thomas.

MEET THE HEAD

Welcome to St Thomas CofE Primary School

Thank you for taking an interest in joining our school community. I am delighted to warmly welcome you to Thomas CE Primary School.

St Thomas is a very special place in the heart of Birmingham. Exceptionally strong relationships are at the centre of all that we do. This underpins our school vision:

'Through God's love in action, we are the rich soil where roots grow and seeds flourish.'
Luke 8:4-15

Our ambition is for all of our children to develop to their full potential, whilst developing spiritually, morally, academically, emotionally and physically.

The staff, governors and I are very proud of our school: it has great people, pupils, facilities and a wider school community to ensure children have the positive stepping stones required in order for them to flourish and grow.

If you share our values and vision, we look forward to welcoming you to our school team.

Miss Williams

Our School Values

"Through God's love in action, we are the rich soil in which roots grow and seeds flourish."

Our children are at the heart of everything we do through Christian values and relationships. Living and learning together, we celebrate the uniqueness and diversity of everyone in our family.

We nurture a sense of self-belief, mutual respect and belonging through social, emotional learning and academic excellence. We are dedicated to building the foundations for happy and successful life-long learning.

Our four school values are:

Our School Dog

In September 2024, we welcomed Rusty, with support from the staff and PAWs Therapy Dog Team, Rusty is in training to become our school dog and is set to become an integral part of our school family.

Rusty is a Cocker Spaniel. Cocker spaniels are known for their friendly and affectionate nature, making them perfect candidates for therapy dog training. Rusty joined Miss Oseman's family during August 2024 and has made a big impression. He is very friendly, loves to chase bubbles and enjoys a belly rub!. He is learning incredibly fast, and we are working hard to ensure he is well-trained for being around children and in a working environment.

What are the benefits of having a school dog?
Numerous research studies have shown the benefits of therapy dogs in schools. Therapy dogs have been working in schools for the past 5 years across the UK. However, they have been commonplace in schools in the USA and Australia for many years.

The benefits include: Cognitive, Social, Emotional, Environmental and Physical development

“Pupils make rapid progress in all key stages because of the outstanding teaching they receive and the rich variety of other experiences the school provides.”

Head of Trust

Fioretti means "Little flowers" and is the title given to a collection of stories about Saint Francis. The Trust was established in 2016 and the founding school is St Francis. The trustees wished to give a subtle acknowledgment to the founding school and therefore decided to create a name with a connection to St Francis.

As a family of schools, we strive to provide the best learning opportunities for the communities we serve and ensuring we are living our Trust values: aspiration, wisdom and compassion.

We are fortunate to have experienced, committed and passionate staff, governors and trustees who are dedicated to support & challenge each other to ensure we accomplish remarkable things and create a lasting legacy for generations to come.

As a Trust we promote the individuality of our schools and provide them with the freedom to develop their own strengths, distinct character and to meet the needs of their communities, whilst at the same time seeking to maximise the benefits of being part of a larger network and collaboration.

Being part of a Trust gives our staff access to exciting professional development opportunities, gives children the chance to interact with others from different schools and provides challenge and support to school leaders through effective governance.

Head of Ethos

Denise Gardner

Having worked in church schools for nearly 10 years, I am passionate about the **Christian vision of educational flourishing**. This clear view of flourishing allows us to see pupils, staff and families as whole human beings and gives us the important focus on relationships and working towards a 'greater good'.

In no other type of school is the strong drive to make a difference to lived experience more evident than in a church school living the Church of England's vision for education and the impact of this cannot be underestimated.

I am looking forward to supporting and working with staff across the MAT in my ethos champion role and exploring how we can best live our ethos and flourish together.
