At Discovery Trust, our mission is to ensure that all our pupils realise their potential.

Our mission starts inside every school and central department. It is reflected in our culture and is reflected by all the colleagues we work with. In the pursuit of our mission, we employ a diverse range of highly talented people to co-construct the very best places to learn, with innovative solutions to ensure that all children achieve. Discovery continually builds to creating an organisation that celebrates individuality, initiative, ownership of colleagues' responsibilities and intelligent collaboration.

Discovery believe everyone should have limitless learning opportunities and places staff development and wellbeing at the centre of our strategic planning.

All colleagues are offered training opportunities, high quality professional development and ongoing feedback through carefully structured appraisal systems.

Our Apprenticeship Strategy improves year on year as new employment opportunities are created for people wanting a career in education as well as providing existing staff opportunities to start new learning journeys to gain higher work based qualifications that help them grow but have a positive impact on the organisation.

We are committed to helping our employees develop their skills and qualifications and have a fantastic track record of career progression.

We believe that small schools allow every child to reach their potential. All our staff are passionate about making children happy, developing their confidence and inspiring them to be successful. This passion ensures that Captain's Close is a vibrant and creative place to be.

We believe in linking classroom experiences to real-life concepts so our children can develop an understanding of the importance and relevance of education. Helping them to see the bigger picture about what they are doing in school means they are ready to thrive in a changing world.

Our vision

Regardless of your role within Discovery, we are working for something bigger.

Everything we do is to ensure that children and the colleagues we work with realise their potential and experience limitless learning opportunities.

Discovery Trust aspires to achieve excellence in all areas of work. The children and families we work with have confidence in the teachers and leaders of the Trust who act with integrity and demonstrate respect for individual needs. Discovery aspires for all our schools to become sustainable and inclusive, driven by a passion for working in partnership with all stakeholders.

Our values

Our values matter.

They drive what we do and underpin every action we take. Our values are not just words. They support our purpose and help us function together as one and shape the way we behave.

We use these values to work as a highly productive partnership across diverse schools and service departments. We expect schools to develop a localised set of values to ensure their community is engaged and successful.

“Respect is what binds us together as a community. Teaching understanding of how fundamental it is to be respectful of one and other all in our diverse communities will mean that we can all live in the society we would wish for.”

Jane Pinborough, HLTA Kibworth CofE Primary School

“Discovery Trust afford me the scope and flexibility to explore sustainable options and I have the full backing of the Senior Leadership Team. My ideas are heard and challenged but ultimately met with positivity.”

Head of Estates**
