A Message from the Headteacher

I am delighted to welcome you to South Craven School, a large, thriving and successful comprehensive school situated in Cross Hills.

Learning is placed firmly at the heart of the South Craven School community. Our main priority is to ensure our students have the best opportunities for success and the highest possible aspirations for the future. We are proud of our excellent reputation in our local community and aspire to provide the highest quality of education for all of our students.

We recognise our responsibility to provide young people with the skills and qualities they need to respond to the challenges of a fast-changing world. We do this by promoting our South Craven Learner principles of Courage, Enquiry and Growth and focusing on preparing our students for life as active and productive citizens. We value each and every one of our students and aspire for them to achieve academically, socially and personally. Our formula for success is built on partnership between home and school, teacher and student, school and community. We are also part of the Red Kite Teaching School Alliance, where we work alongside a number of schools.

I hope you will want to visit us and meet the people that make South Craven a success: our students, staff and trustees. We welcome your interest and invite you to come and see the school for yourselves.

A Message from the Chief Executive Officer

I am both proud and excited to have been given the opportunity to lead the Trust in this next stage of its development, and to work with other school and trust leaders locally to ensure the very best education for young people in Craven, Pendle and across the wider region.

Apex Collaborative Trust is a vibrant, cross phase multi-academy trust formed by the merger of the Pennine Trust and South Craven Academy Trust.

Our trust consists of two secondary schools and three primary schools. South Craven School also has a large Sixth Form.

We are delighted that Pendle Vale College, in Nelson, will be an associate member of the Trust and has indicated an intention to join fully within the next 12 months.

John Tarbox

Chief Executive Officer

Apex Collaborative Trust

Apex Collaborative Trust is a values-led organisation. Our core values of Ambition, Collaboration and Trust are fundamental to our approach and shape our culture. We believe establishing a strong culture is the most important ingredient for our success, so that we create an ideal environment for learning where all members of our trust community can flourish. We are also committed to providing fantastic opportunities for our young people, so that they can fulfil their aspirations now and in the future.

Our Trust and schools must be rooted in our community. Many local families have an association with our schools across many years, and even generations. Deep relationships help us to develop knowledge and understanding of the community and to form effective partnerships with other institutions. These partnerships support holistic development of young people.
