About ASSET Education

ASSET is an Education Trust comprising 15 primary schools in and around Ipswich and north-east Suffolk. ASSET is a very special trust and, from the very beginning, we have wanted to tackle social injustice and inequality in education, giving every child the opportunity to be successful and fulfilled in their lives. Our children are our future and we want them to be the best they can be, to have confidence and a sense of service, to be empowered to make our world a more compassionate and sustainable place.

Our people are at the heart of what we do; we support one another valuing connections and relationships because we believe that when people are cared for, learning happens and humans flourish. The Complete Human Strategy looks at 6 dimensions of working life and gives staff a structured approach to collectively and individually influence their work environment and access the support they need.

We support everyone in the Trust to enjoy success, happiness, confidence and fulfilment, and to have excellent physical and mental health. Our CHS framework provides us with a practical pathway to achieving this, and is based on the 6 fundamental pillars of wellbeing.
