About Bassingham Primary School

Bassingham Primary School is a highly successful school for children from the age of 4 to 11 years of age. It is well known for being a happy and caring village school where children come first.

The school achieves its outstanding reputation thanks to the hard work of a dedicated staff team, the superb attitude of the pupils and our supportive parents/carers and governors. We also have a wonderful preschool on site called Tree Tops which provides wrap-around care both before and after the school day.

Our goal is to develop the skills, concepts, attitudes and moral values necessary for each child to take their place in the world as an active and responsible member of society, capable of achieving as much independence and wellbeing as possible.

We firmly believe that knowing every child as an individual is vital to success. We are a family and are justifiably proud of our very high standards and outcomes. As a learning community, we aim for excellence and recognise that every member of the school can make a difference to those around them. We aim to provide learners with the firm foundations needed to underpin lifelong learning.
