We're seeking a passionate Pre-School Leader to guide our team, shape young mind and lead our newly established pre-school facilities for up to 24 three to four-year-olds. This role will involve planning, delivering and taking responsibility for the day-to-day running of our purpose-built pre-school in line with the Early Years Foundation Stage and Development Matters. The successful candidate will lead the nursery team ensuring high quality provision. By taking on this exciting opportunity, you will be actively preparing the pre-school children to transition into our successful reception setting.

The Role

Hunsbury Park Pre-School is looking for an outstanding individual to join us on our journey in continuing to develop a pre-school for the children and families of the community, providing the care and education they deserve.

We are a safe, happy and inspiring environment that help to support children to thrive and achieve their true potential in an environment that is best suited to their needs. You will become an integral part of a team of passionate staff who work tirelessly to create an enjoyable learning experience for our children. The team is newly formed and will therefore provide an opportunity for you as the lead to create a special provision for the children and staff.

As a school-run nursery, we have an Early Years Lead who oversees and supports Nursery and Reception. She plans the curriculum and skill progression maps and ensures we are Ofsted-ready. We also have a dedicated admin team who take on all the funding and registering side of a nursery. This leaves you free, as the Pre-School Leader, to concentrate on the children. You will have dedicated planning (PPA) time each week to enable you to focus on the needs and interests of the children and making the provision engaging. We encourage a play-based learning approach and a creative curriculum.

A further benefit of a school-run nursery is having access to a range of professionals to support you, such as the school SENDCo, Educational Psychologists, Occupational Therapists, Speech and Language Therapists as well as Forest School and music teachers who lead sessions in Nursery.

This is an exciting role and brings with it an opportunity to work closely with senior leaders in the school to continue to shape the direction of the Nursery provision.
