OUR LEADERSHIP

Thank you for taking the time to read our information pack and finding out more about Advantage Schools.

I am very proud of our family of schools. Together we are determined to provide, for this region, the best educational provision in the country, ending educational disadvantage.

At Advantage Schools, we 'punch above our weight'. Despite being a medium-sized trust we have been involved in national policy. We are a delivery partner for the National Professional Qualifications and the Early Career Framework. We deliver very large amounts of bespoke training via the Advantage Schools Knowledge Exchange. We share our work with other like-minded schools and trusts, and work towards being an 'outlier' organisation

Our collaborative partnership of schools provide exceptional educational provision inside and outside of the classroom for all of our children. Our schools ensure that pupils are supported, monitored and encouraged, ensuring that their learning experience will be challenging, rewarding and memorable. Pupils enjoy their time at our academies and give back to the wider community.

I have been one of the Department for Education's National Behaviour Advisors, and at Advantage Schools, we have a national reputation for excellent behaviour and a focus on strong outcomes. We take behaviour and curriculum really seriously. Our teachers must be able to teach, and pupils able to learn. Our curriculum is an entitlement for all – we do not make exceptions in our high aspirations. But our families, colleagues and trustees are hungry for more. We will, therefore, recruit a colleague who is hungry for the school and trust to be better still; who will not tolerate mediocrity; who will challenge when required and inspire regularly. This will be underpinned by substantial knowledge about education.

We expect hard work, but we support and manage workload so that you can do the job sustainably.

If you are interested in the post but are unsure whether you have the skills and expertise that would make you ready to apply, please do get in touch for an informal, honest conversation. We can arrange tours of our schools and are happy to put you in touch with relevant colleagues. We will ensure that the right candidate is fully supported with training and through our established support network.

I very much hope that we receive your application.

With best wishes, Stuart Lock
