We have an exciting opportunity to join our committed and enthusiastic team working in our Enhanced Resource Base (The Woodland) as well as in the main school. We'd love to hear from you if you:

- Have experience and/ or particular interest in the area of Autism;
- Have experience of working with children who may need adaptations to the way they work to achieve their full potential;
- Understand that some children may communicate through their behaviour;
- Have a 'can do' and 'never give' up attitude when working with vulnerable young people;
- Ability to promote both the academic progress and well-being of children;

In return for your hard work and dedication we can offer you:

- Lots of training and support!
