

BUTTERSHAW
BUSINESS & ENTERPRISE COLLEGE

A member of
the **bdaf** family

Buttershaw Business and Enterprise College

SCIENCE TECHNICIAN

CLOSING DATE FOR APPLICATIONS: 9am 24 September 2026

INTERVIEW DATE: 30 September 2026

START DATE: ASAP

WELCOME

Thank you for your interest in the post of Science Technician at Buttershaw Business and Enterprise College (BBEC.)

Our vision is that we will all work to ensure that our students will be the best they can be and can achieve great things. They will be **ambitious, resilient** and determined in their learning and respectful, **courteous** and **kind** in their relationships.

It is a privilege to serve our diverse community and I am extremely proud of what we have achieved along our journey of school improvement to date.

All leaders are passionate about the students who attend this vibrant school, and we demonstrate this by teaching them well and expecting the very best from them. The appointment of a dynamic and ambitious Science Technician is crucial in order to raise standards, whilst developing the skills and potential of all students, so that they can lead happy, healthy, confident and responsible lives as individuals and members of society.

We are a fully inclusive school and we welcome all children and their families. We have a great mix of students with different skills and talents, and we are truly proud of our inclusive approach, with our commitment to see every child reach their potential. We expect all staff to work hard to ensure that we fulfil this aim.

The intent of the curriculum at BBEC is to:

- develop the whole child to ensure that they embody BBEC's values, both in and out of school, by being **ambitious** and **resilient** in their work and **courteous** and **kind** in their interactions with other people.
- provide an all-round education that delivers excellent outcomes in terms of academic success, improved cultural capital and increased ambition in order to counter social disadvantage.
- create a school where everyone belongs and equality of opportunity is actively and effectively promoted.
- develop an understanding, appreciation and respect for diversity while recognising and celebrating difference as well as all we have in common.
- ensure students are compassionate, **courteous** and **kind** by guiding their moral, intellectual and creative development.
- secure high levels of literacy, oracy and numeracy to enable students fully to participate in their acquisition of knowledge and skills
- nurture academic habits and skills, emotional intelligence and creativity across a wide range of subjects including the arts, music, performing arts, IT, technology and sport.
- foster confidence, resilience and discipline in seeking knowledge.
- develop knowledge of, and pride in, Buttershaw and Bradford as well as developing ambition and awareness of the possibilities outside the local environment.

At BBEC, we recognise that our staff are our biggest asset. We believe that our young people deserve the best, therefore we recruit carefully and invest in training to ensure continued improvement and an

excellent quality of education.

Although we are a large school, we work very hard to ensure we retain our sense of community and family ethos. We strongly believe that education is a partnership between school, students and parents and work hard to develop this partnership.

This post would offer an exciting challenge to someone seeking to broaden their experience and career prospects. High expectations and a determined focus on supporting our most vulnerable students are essential. In return, you will receive the support of a strong team of Senior Leaders and Governors, with well-motivated staff, students and parents.

If you decide to apply for this post, please complete the application form, together with a formal letter of application addressing the relevant points on the person specification.

I very much hope to welcome you to BBEC to experience first-hand our vision, values and commitment to our young people and to our community.

Yours sincerely

Andrew Taylor
Headteacher

ABOUT BBEC

Buttershaw Business & Enterprise College is an **improving school**. We are an ambitious, community-focused academy of just over 1400 students serving an area of social deprivation on the southern edge of Bradford and seven miles from Leeds. BBEC is popular locally and is rapidly becoming the school of choice for the community of Buttershaw.

**We all belong
at BBEC**

BBEC is an **inclusive school**, our school motto is 'We all belong at BBEC'. We celebrate our differences and our similarities and do not tolerate discrimination of any type. We have a bold approach to inclusion and work so that all students and staff can bring their authentic selves to school.

BBEC has a cohesive, highly skilled and ambitious staff team who work hard to ensure that every student is successful. Many of our students face multiple challenges and it is through clarity of vision, professionalism and determined support for students and for each other that we are bringing about improvement. We have the highest expectations for all our students and expect that our staff teach to the very highest level. We have a rigorous approach to quality assurance and a significant commitment to Continuing Professional Development. Teachers have many opportunities to improve their teaching pedagogy and pedagogical subject knowledge and we expect them to make the most of these opportunities to ensure that the highest of standards are maintained.

BBEC is situated in a modern building. It has well-equipped departments that are arranged in suites of rooms. All teachers have a laptop, all classrooms are equipped with projectors and interactive whiteboards and all classrooms have access to student laptops.

All at BBEC are dedicated to raising the aspirations of our students and improving cultural capital through ambitious schemes of learning in all year groups and a varied offer of extra-curricular activities and opportunities. We run trips and visits to places in the UK and across the world, our students take place in a myriad of competitions and our CEIAG programme is exemplary.

This exciting role offers great opportunities for the successful candidate and a chance to make a difference to some wonderful young people.

SCIENCE AT BBEC

The science department at BBEC has a shared vision and values of excellence for all in science. It is a collaborative and forward looking department seeking to appoint an enthusiastic and reflective practitioner to join the team.

The staff have a well-developed team ethic and a shared passion for the subject. They are committed to developing practice to improve the learning experience of students. The department team consists of 11 teaching staff including:

- Head of Department
- Senior Deputy Headteacher
- One Assistant Headteacher
- Three Progress Leaders
- Two technicians

The science department consists of 11 specialist labs (one being a physics lab) with access to the outside science garden and a large breakout area.

VISION AND ETHOS

The science faculty at BBEC is a progressive department with a focus on active student learning in which staff have high expectations of themselves, each other and our students. We teach science that stimulates our children's curiosity and provides them with a deeper understanding of how science will affect their future. Through science, students understand how ideas about the world are constantly developed and revised and how major scientific ideas contribute to technological change – impacting on industry, business and medicine and improving quality of life.

We have developed these main principles for our students:

- Students will be enthused by practical engaging learning
- Students use and understand scientific vocabulary
- Students ask questions and show resilience in learning
- Students can apply skills taught in other subjects effectively.

By continuing to maintain contact with parents and carers, we strive to achieve the best outcomes for all our students regardless of their religion, background and beliefs. We work hard to ensure that the experiences within science are challenging and enjoyable and will ultimately lead to successful learning.

CURRICULUM INTENT - SCIENCE

We intend to deliver excellent outcomes in terms of academic success, improved cultural capital and increased aspiration in order to counter social disadvantage through the study of science in line with the school's social mission.

The science curriculum at BBEC also intends to:

- embed scientific knowledge and understanding, both academic and practical, in all our students
- develop a love of science and a passion for scientific knowledge
- develop a curiosity about the scientific world and an appreciation of the relevance of science in the lives of all people and the ever-evolving technological world
- to apply their mathematical calculations which is necessary for any scientist to be able to quantify as well as explore important concepts, particularly in chemistry.
- develop observational, modelling, enquiry, interpretative, analysis and problem solving skills, in the laboratory and other learning environments
- encourage students to critically consider emerging moral and ethical issues using facts, evidence, and knowledge to form opinions whilst developing respect for others' views
- nurture in our students the skills, independence and **resilience** to be successful scientists in school and to provide them with increased aspiration, **ambition** and real competencies to succeed in the modern world
- improve students' social and cultural awareness, their love for reading and acquisition of scientific vocabulary including exploring current affairs through academic scientific texts and science in the news
- ensure that students understand the biological functions of the body in order to make informed choices about relationships and family planning
- Promote and build awareness and cultural capital around the use of materials and protecting the environment for future generations by being courteous and kind
- celebrate the contribution of scientists from a diverse range of backgrounds and cultures so that all students can see themselves as having a place in the world of science

SCIENCE TECHNICIAN – JOB DESCRIPTION

Band 5, SCP 5-6 £21,978 - £22,506 (actual salary) pay award pending
37 hours per week term time only plus two training days

1. JOB PURPOSE

To establish and maintain a first class and dynamic technical support service to the science department, working under the direction of the Science Achievement Leader and Senior Science Technician.

2. PRINCIPAL ACCOUNTABILITIES

Technician

- Implementing and disseminating all appropriate H & S legislation and guidance with respect to science education, including C.O.S.H.H.
- Ensuring that statutory safety regulations and safe practice is complied with, relating to teacher/technician skills qualifications, and student involvement in the classrooms and workshops
- Daily and weekly laboratory servicing, termly inspections and annual clean
- Practical preparation, including materials, equipment, stock, standard solutions and specimens
- Setting up, testing and demonstrating practical equipment in class to support teachers to ensure that students gain the most from the scientific experience
- Recovery of residues, and safe disposal in accordance with legislation
- Care of animals and specimens for observational and experimental purposes, for example the fish tank, pond and science garden
- Maintain records of books within the department and those issued to staff and students
- Carrying out in-house repairs, calibration and maintenance
- Responsibility for keeping records of capitation and orders placed including simple budget forecast
- Liaising with suppliers to obtain the highest quality for the best price.
- Maintaining a thorough stock control and order system
- Inventory management
- Ensuring an up-to-date chemical database exists
- Operating laboratory documentation systems including organisation of work sheets, filing, hazard data and legal records.
- Helping organise cover lessons if the teacher(s) are absent.

Support for the School

- Being aware of and complying with policies and procedures relating to child protection, health, safety and security, confidentiality and data protection, reporting all concerns to an appropriate person
- Being aware of and supporting difference and ensuring all students have equal access to opportunities to learn and develop
- Contributing to the overall ethos/work/aims of the school
- Appreciating and supporting the role of other professionals
- Attending and participating in relevant meetings as required
- Participating in and organising extra curricular activities, such as outings, social activities and sporting events
- Participating in departmental meetings and whole school training events
- Liaising with other professionals, such as learning mentors, careers advisors, educational psychologists and education welfare officers.
- Participating in training and other learning activities and performance development as required.
- Supporting, upholding and contributing to the development of the School's Equality Policy and practice in respect of both employment issues and the delivery of services to the community

The duties and responsibilities listed provide an outline of the job. You may be asked to undertake other duties.

MAKING YOUR APPLICATION

We hope that having read this pack you are inspired to apply for the post.

In order to apply, please complete the application form on MyNewTerm. The application form can be downloaded from the school website <https://www.buttershaw.net/work-for-bbec>

At BBEC our first priority is keeping our young people safe. Safeguarding is at the heart of all we do, and we work hard to ensure that all of our students are safe at all times and know how to keep themselves safe in a variety of situations. BBEC makes decisions about the suitability of prospective employees based on checks and evidence including: criminal record checks (DBS checks), barred list checks and prohibition checks, together with references and interview information.

If you would like to speak to someone about the vacancy, please contact Mrs Brown at Buttershaw Business and Enterprise College on 01274 676285, or by email at taffy.brown@bbec.bdat-academies.org.

INCLUSION

As a Trust we are an inclusive employer. We welcome applications from candidates of all backgrounds, faith, ethnicities or with any protected characteristics. We are simply looking for the very best candidate for the job and will assess your application only on the information in your written application or your performance at interview should you be successfully shortlisted.

We will ensure that the selection process is fair and without discrimination for or against any candidate based on age, ethnicity, gender, religious beliefs, marital status, sexual orientation or disability. The person specification sets out the criteria used to assess candidates through the selection process.

ABOUT BDAT

Buttershaw Business and Enterprise College is an academy within Bradford Diocesan Academies Trust. If you are successful in being appointed, the Trust will be your employer.

General Information and Background

Bradford Diocesan Academies Trust (BDAT) is a Multi-Academy Trust (MAT) supporting a number of primary and secondary academies in Bradford. BDAT is the only Church of England MAT operating in Bradford and is part of the Diocese of Leeds. BDAT is a charity, governed by a board of trustees who are responsible for, and oversee, the management of the company. The Memorandum and Articles are available on the Trust's website at www.bdat-academies.org.

Our mission statement

At BDAT we want every child to have a happy and high-quality education enabling them to grow and flourish during their time at school.

In practice, as a Trust, we seek to work with and alongside the academies in our Trust to provide a good quality of education to all children in our academies. The Trust does this through operating a light touch support role for academies at times of challenge and by establishing collaborative structures and processes to enable them to work together and share good practices. As our family of academies continues to grow, we are constantly looking at how we can continue to improve to establish effective and efficient ways of partnership working. We believe this means we are big enough to achieve business economies of scale whilst being small enough to retain our family of schools approach where we are truly able to know, understand and support each other.

Our Christian ethos

BDAT is a proudly Christian organisation committed to providing high-quality education for all within an ethos which encourages academic, vocational, mental, physical, and spiritual opportunities and development for each member of its academies. Whilst robust Christian principles underpin the work of the academy, everyone is encouraged to explore their own spirituality and to recognise and understand that of others. It is for this reason that we choose to support and sponsor Non-Church of England academies, as well as those within the faith.

ICARE

At BDAT we have considered the importance, effectiveness and sustainability of how we tackle issues like racism and other types of discrimination across all areas of our MAT and within each of our schools. We have led a Trust wide consultation to ensure we understand what we mean by inclusion and to look at what we can do differently centred around the Trust values: "ICARE". To download our ICARE consultation documents please [click here](#)

BDAT People: Our Faculty of Professional and Career Development

BDAT People brings together into a single entity all that we currently do to recruit, develop and retain our staff. It provides the strategic direction to ensure that our professional and career development supports school improvement and drives our vision of BDAT as an employer of choice.

By bringing all our work in this area under 'one umbrella' it ensures our staff know about BDAT's development offers and how they can be accessed. <https://bdat-people.org/>
