

KING EDWARD VI CAMP HILL SCHOOL FOR GIRLS

Educational excellence for our City

Teacher of Computing

(an ability to teach KS3 Mathematics would be helpful but is not essential)

MPS/UPS

Part Time 0.5/0.6 TBC

Permanent

Start Date: 01 September 2026

Information Pack

Dear Candidate,

Thank you for requesting information about our Teacher of Computing post, commencing on 1st September 2026.

We are a forward thinking, selective state grammar school with academy status, and belong to the King Edward VI Foundation of schools and Multi Academy Trust. We are incredibly proud to have been named as the Sunday Times State Secondary School for 2025, alongside the State Secondary School for Academic Excellence in the West Midlands, 2025. These accolades are borne out of the dedication of each and every member of our school community: staff, students, governors, parent and carers. This is an inspirational place to work and learn, and we hope you are inspired to consider applying for a position in our school.

Aside from the desire for our students to excel academically at KEVI Camp Hill School for Girls, we place great importance on their happiness and the development of them as individuals. By providing a full range of quality experiences both in and outside of the classroom, our students develop confidence, resilience and learn to make healthy choices - all of which helps to prepare them for life beyond school. Every single member of staff and the student body play their part in adding to the history of the school. I am privileged to lead an outstanding team of colleagues. Their hard work, extensive subject knowledge and commitment to ensuring the academic results are outstanding, enabling our students to make excellent progress as they move through the school.

Our challenging, well-structured curriculum is designed with able students in mind and encourages them to develop their intellectual curiosity and use higher level thinking skills. We are extremely proud of the breadth of our Curriculum at all Key Stages and believe it offers students genuine choice. Whilst Maths, Biology and Chemistry are very popular subjects at A Level, we have thriving Arts, Languages and Humanities subjects which are also popular choices for our students. Our extra and supra-curricular offerings are wide and varied and cater to all manner of tastes. Our school House System is weaved through all aspects of school life and is just one example of the way in which we both support students pastorally and also develop student leadership.

A major strength of our school is the level of pastoral care. Students are extremely well supported by their Teachers, Form Tutors and Heads of Year. At Camp Hill Girls, we deeply value wellbeing and recognise that good mental health, along with a safe and supportive environment, are essential for building resilience and helping our young people thrive. We are committed to deepening our understanding of trauma and attachment theory and are proud to be a Trauma Informed Attachment Aware (TIAAS) school. Our students demonstrate excellent behaviour and attendance and are highly motivated, eager, and engaged in all aspects of school life.

Camp Hill Girls is culturally rich and diverse, welcoming students from an extraordinary range of backgrounds. As a school community we recognise, celebrate, respect and delight in our differences, and use them as opportunities to learn and become more tolerant about the world around us. This is a caring school which Ofsted recognised, making reference to the fact that "understanding of equality, diversity and inclusion permeates all aspects of school life". We truly believe in the experience we have on offer at Camp Hill Girls.

We believe KEVI Camp Hill School for Girls is an inspirational place to be and invite you to come and see for yourselves. We very much look forward to welcoming you to our school.

Karen Stevens

Headteacher

THE COMPUTING DEPARTMENT

THE COMPUTING DEPARTMENT:

The department works in partnership with KEVI Camp Hill School for Boys, sharing teaching staff. Teachers are based at one school but may teach at the other as needed. Sixth form Computer Science may be taught in mixed classes, while Years 7–11 are taught in single-sex groups at each respective school.

- Nick Frost: Subject Leader across both Camp Hill Girls & Boys
- Saeed Ali: full-time teacher (based at CHB)
- Mohammad Sadhak: full-time teacher (based at CHB)
- Vacancy from September: Part-time teacher (based at CHG)

SUPPORT STAFF:

There is administrative support for the department. We also have a supportive and flexible technical support team located next to our teaching rooms.

ACCOMMODATION AND RESOURCES:

The department occupies a self-contained block within Camp Hill Girls School and has two generously sized, air-conditioned classrooms as well as our own office and a small kitchen. Software available to students includes Microsoft Office and Adobe products, while programming is currently taught through FlockXR (an alternative to Scratch) and Python. All students currently make use of Microsoft Teams (email, shareable storage, document editing, etc.) and we use this extensively as a VLE for students and to facilitate sharing of resources between staff.

CURRICULUM:

Students at Camp Hill Girls are taught Computing one hour a week at KS3. In-house schemes of work for KS3 aim to balance both Computer Science and conventional ICT topics (see the school website for details).

All students have the option of studying GCSE Computer Science (OCR J277) in Years 10 & 11 and AS/A level Computer Science (OCR H046/H446) in Years 12 & 13. Numbers are rising at both KS4 & KS5.

ENRICHMENT ACTIVITIES:

We support various activities throughout the year, including the Bebras Challenge, Raspberry Pi Coding Challenge, Perse Braben Cup, Olympiads, etc. We also organise trips, including to the National Museum of Computing.

STUDENTS:

We are most fortunate in the skills, talents, and qualities that our students possess. Their responsive nature and willingness to learn and succeed provide an exceptional teaching and learning environment. They offer an enthusiastic secondary teacher a fulfilling opportunity to truly enjoy the teaching of their subject at an intellectual level. There are currently approximately 400 students in the Sixth Form, drawn predominantly from our Year 11 with some joining us from other local secondary schools.

REQUIREMENTS AND RESPONSIBILITIES IN THE POST:

We wish to appoint a well-qualified graduate who can actively contribute to the department and who can teach their subject up to and including A Level. Recently qualified colleagues and ECTs with relevant experience are very welcome to apply. There is a clearly articulated and detailed programme for ECTs, as well as induction arrangements for all colleagues joining the school.

MAKING AN APPLICATION:

Applicants should complete the application form which includes the names, addresses, telephone numbers and e-mail addresses of two referees. A concise but comprehensive letter of application is expected of no more than two sides of A4. **The details should reach the Headteacher by 9.00am, Tuesday 5th May 2026.** Applicants will be able to tour the school on the day of interview. Please contact Nick Frost, Subject Leader at n.frost@chg.kevibham.org if you have any specific questions.

INTERVIEW ARRANGEMENTS:

Interviews are likely to take place during the week beginning **11th May 2026**. On the day of interview, applicants will have an opportunity to tour the school and speak to students.

It is our regular practice to ask shortlisted candidates to teach a short lesson of 20-25 minutes. The group to be taught will be determined by the requirements of the post.

TRAVEL EXPENSES AND REIMBURSEMENTS:

Normal second-class travel is payable to all applicants who attend for interview, plus reasonable overnight expenses where this applies. Candidates from abroad receive travel expenses paid from the port of entry or airport.

We look forward to receiving your application.

Job Description: Qualified Teacher:

Core purpose:

To provide a high-quality educational experience for all students.

General duties and responsibilities:

To carry out the duties of a schoolteacher as set out in the “School Teacher Pay and Conditions” document.

To continue to meet the required National Standards for Qualified Teacher status.

Knowledge and understanding:

- Be familiar with the school’s current systems and structures as outlined in policy documents including Health and Safety, Safeguarding and Child Protection Policies, Behaviour Policy and implement them.
- Have a secure knowledge and understanding of the concepts and skills in specialist subject(s) and a detailed knowledge and understanding of the National Curriculum programmes of study.
- Understand specialist subject(s) framework of 14-19 qualifications and the routes of progression through it.
- Select and make good use of IT where appropriate within subject teaching.
- Understand and know how national, local comparative and school data can be used to set clear targets for student’s achievement.
- Understand how students’ learning in the subject is affected by their physical, intellectual, emotional and social development.
- Be familiar with subject-specific health and safety requirements, where relevant, and plan lessons to avoid potential hazards.

Planning, teaching and class management

- Plan and deliver in relation to the examination boards and with regard for the school’s aims and objectives, own policies and schemes of work, the teaching programme for all students within the class.
- Provide clear structures for lessons and for sequence of lessons, which maintain pace, motivation and challenge.
- Make effective use of assessment information on students’ attainment and progress and in planning future lessons.
- Ensure effective teaching of whole classes, groups and individuals, establishing high expectations of behaviour and attainment, so that teaching objectives are met.
- Ensure coverage of the relevant examination syllabuses and School Programmes of Study.
- Exploit opportunities to improve students’ basic skills in literacy, numeracy and IT.
- Monitor and intervene when teaching to ensure sound learning and discipline and maintain a safe environment in which students feel confident, both in the classroom and around school.
- Use a variety of teaching and learning styles to keep all students engaged.
- Be familiar with Codes of Practice and identification, assessment and support of students with special educational needs.
- Evaluate own teaching critically to improve effectiveness.

Monitoring, Assessment, Recording, Reporting and Accountability

- Assess and record each student's progress systematically with reference to the school's current Assessment Policy and use the results to inform planning.
- Mark and monitor class work and homework, providing constructive feedback and setting targets for future progress.
- Provide reports on individual progress to the Headteacher and parents as required.

Other Professional Requirements

- Establish and maintain effective working relationships with professional colleagues and parents.
- Participate effectively and appropriately in meetings with professional colleagues and parents in respect of the duties and responsibilities of the post.
- Be aware of the need to take responsibility for your own professional development.

This job description may be amended at any time, following consultation between the Headteacher and member of staff and will be reviewed annually.

King Edward VI Camp Hill School for Girls is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful applicant will be required to undergo an enhanced Disclosure and Barring Service check.
