OUR VALUES

Everything in our school is about purpose and that is underpinned by our three values:

Integrity

We are honest to our work, ourselves and others. We always do the right thing because simply because it is the right thing to do - not for reward or to avoid sanction.

Excellence

We have the highest expectations of ourselves and each other. We are happy to get feedback and learn to be better. We are proud of our identity and to be ambassadors of our community.

Service

We believe that to lead is to serve and service brings joy. We promote kindness and grace in every interaction - inside and outside of school. We give back to our community to make our education valuable.

PHILOSOPHY

Our philosophy emphasises the importance of articulatory, vocabulary and the art of debate. This is promoted through the curriculum, enrichment, and students' interaction with every member of staff:

We are a no shouting school

We believe that shouting is a loss of control and therefore model emotional constancy in every interaction. We do not raise our voices at students.

Deliberative language and choice

We pay close attention to words. We use language that is relentlessly positive, unambiguous, emotionally constant and growth-orientated.

Routines are codified

Our routines are the backbone of our culture. They provide an effectiveness, consistency and clarity that liberates staff and students.

Behaviour is separate from the individual

We believe that behaviour is a choice which can be improved, rather than based on an innate personality trait. We model better choices through our value of excellence.

We sweat the detail on everything

We enter the building in service to a calm start. We speak to each other in service of respect and grace. We present our work in service to our value of excellence.

We remain close to the work

Our staff, including senior leaders, are visible and present. They exemplify and model our expectations of excellence in every interaction.

SAFEGUARDING

CHILD SAFEGUARDING POLICY

At Prince Albert Community Trust we are committed to Safeguarding and Promoting the Welfare of all its students. Each students' welfare is of paramount importance. We recognise that some children may be especially vulnerable to abuse e.g. those with Special Educational Needs, those living in adverse circumstances.

We recognise that children who are abused or neglected may find it difficult to develop a sense of self-worth and to view the world in a positive way. Whilst at PACT, their behaviour may be challenging, we will always take a considered and sensitive approach in order that we can support all our students.

The Trust's Child Safeguarding Policy applies to all adults, including volunteers, working in or on behalf of the Trust.

Everyone in the education service shares an objective to help keep children and young people safe by contributing to:

- Providing a safe environment for children and young people to learn in education settings; and
- Identifying children and young people who are suffering or likely to suffer significant harm, and taking appropriate action with the aim of making sure they are kept safe both at home and in the education setting'

KEEPING CHILDREN SAFE IN EDUCATION 2026

The Trust pays full regard to 'Keeping Children Safe in Education' guidance 2026. We ensure that all appropriate measures are applied in relation to everyone who works for the Trust who is likely to be perceived by the children as a safe and trustworthy adult including e.g. volunteers and staff employed by contractors. Safer recruitment practice includes scrutinising applicants, verifying identity and academic or vocational qualifications, obtaining professional and character references, checking previous employment history, social media, and ensuring that a candidate has the health and physical capacity for the job. It also includes undertaking interviews and an Enhanced DBS check.
