

Are You our next Head Teacher ?

Dear Mr Lacey,

We are the children at St Andrew's CE Primary School, and we would like to share what is important to us as you look for a new headteacher for our school. We hope it helps you to find our new headteacher. We are proud of our school and enjoy learning here every day.

We would like a headteacher who shows kindness and is helpful and understanding towards everyone. It is important to us that our headteacher keeps us safe by being strict but fair and helps to sort out situations calmly so that everyone feels listened to and respected.

We enjoy interactive worships and like them to be exciting. We would like a headteacher who is enthusiastic, has a good sense of humour, and helps to make these special times for the whole school community.

We also enjoy being part of our house teams, which help us to work together, show responsibility, and encourage each other. We like taking part in house activities and celebrating successes as a team.

It is important to us that our headteacher comes into our classes to see us and takes an interest in all our learning. We want them to know what we are learning, celebrate our achievements, and encourage us to keep trying even when things are challenging.

We have really good school grounds and enjoy spending time outside. We would like our headteacher to help look after them and make them even better for everyone.

Thank you for listening to our views and for sharing them with our new headteacher. We look forward to welcoming them into our school.

From,

The Children at St Andrew's CE Primary School
