School Information

Pocklington School was founded by John Dolman in 1514 as part of a guild whose aims encompassed support for the poor and sick or the parish as well as the foundation of a school “for bringing up the youth in virtue and learning”

The foundation was thus based on a commitment to the value of education and to the creation of opportunity for those who would take their place in a society which was finding itself increasingly in need of an expansion of education. Today there is, in the school, a similar commitment to quality of education and the upholding of high standards in all facets of life.

We value our Christian foundation: of course pupils and staff comprise individuals of different faiths and beliefs but there is a desire to aspire to Christian values.

The majority of students are day pupils but there are also boarding pupils across 2 boarding houses accommodating senior and junior boys and girls. The Senior School and the Prep School work closely together, with the facilities across the site available for all ages. The school is fortunate in having good playing fields and plenty of open space and gardens. There are excellent facilities, including a fine theatre, a sixth form centre, a superb library, an Art and Design Centre, a swimming pool and other sports facilities.

We have recently expanded our provision to include a brand new state of the art nursery accommodating babies up to 4 years.

Set in extensive grounds on the edge of Pocklington, 12 miles east of York, we offer a unique working environment based within a historic market town, but close to major cities and heritage coastlines. The East Riding of Yorkshire is a wonderful place to work and live, with one of the local villages, Bishop Wilton having recently featured at number 5 on the Sunday Times' best secret villages to live in list.

Staff are supported by approachable and knowledgeable colleagues. You will be encouraged to undertake development opportunities and will find a friendly and welcoming working environment. We offer a community and family feel, not just a workplace.

Our Christian origins lie at the very heart of the Pocklington School Foundation, and the chaplaincy is integral to maintaining the Christian values and ethos of the school. The chaplain provides spiritual and pastoral guidance and support to our children, staff, and parents.

As a school that welcomes people from all faiths and none, the chaplain offers an invitation for all to consider the Christian faith and its teachings.

This is a part-time role and the successful candidate may bring additional initiatives to the role. The successful candidate is also expected to offer flexibility given the broad nature of the role.

Responsibilities

Organising and Leading Worship:

- Weekly services and assemblies for senior school, prep school, and boarders; major services marking key Christian festivals and school events in our local church.
- Weekly lunchtime service in our own chapel, prayer groups, and Christian discussion groups.
- Preparation of candidates for confirmation.

Outreach:

- Whole-school services take place in the local parish church, and we enjoy an excellent relationship with the parish team.
- The chaplain would liaise closely with the local parish and schools, looking for opportunities to offer support.

Spiritual and Pastoral Care:

- The chaplain needs to be a presence in the community and available to all for support. The role exists outside the main pastoral and academic hierarchy, so the chaplain is in a position to offer objective and direct guidance to all.

This job description is not exhaustive and the post holder may be required to undertake any other duties commensurate with their role.
