Student Services are staffed by our House Pastoral Assistants and overseen by the Mental Health Lead and the Pastoral Support Manager. We have a range of services that we can refer young people to, including our School counsellor and mentors from Directional, DSPL7 (Delivering Specialist Provision Locally) and Links Outreach.

At St George's School, we recognise the importance of our students' wellbeing as they grow and develop into young adults. Our goal is to support our students to build healthy relationships and develop emotional resilience to help them thrive and achieve their full potential. Emotional wellbeing has been identified as an indicator of academic achievement, success and satisfaction in later life. Evidence shows that mental health and wellbeing programmes in schools can lead to significant improvements in children's mental health, their social and emotional skills.
